	Zestebiz / Maverick Effect	Leadership Coaching. Maverick Effect is seeking \$5,000 in grant funding to develop an online 8-wk masterclass program called 'Mindful Women in Leadership'. The project is estimated to cost a total of \$12,593.04. Please refer to project budget outlined below and quotes attached. A gap in the market has been identified for online training in the leadership space for women in corporate leadership positions and female business owners who live outside metropolitan areas making it difficult to attend face-to-face training and networking. The first round of the 8-wk online masterclass program is planned to be launched later in 2017 and to be run annually with 12-20 students at an investment of \$500-\$1000pp.		Karratha	\$12,593	\$5,000	\$5,000	✓	Detailed project plan and quote supplied.
