

ORDINARY COUNCIL MEETING

AGENDA

**NOTICE IS HEREBY GIVEN that an
Ordinary Meeting of Council will be held
in the Council Chambers, Welcome Road, Karratha,
on Monday, 22 January 2018 at 6.30pm**

A handwritten signature in black ink, appearing to read "Chris Adams", is positioned above a horizontal line.

**CHRIS ADAMS
CHIEF EXECUTIVE OFFICER**

No responsibility whatsoever is implied or accepted by the City of Karratha for any act, omission or statement or intimation occurring during Council or Committee Meetings. The City of Karratha disclaims any liability for any loss whatsoever and howsoever caused arising out of reliance by any person or legal entity on any such act, omission or statement or intimation occurring during Council or Committee Meetings.

Any person or legal entity who acts or fails to act in reliance upon any statement, act or omission made in a Council or Committee Meeting does so at that persons or legal entity's own risk.

In particular, and without derogating in any way from the broad disclaimer above, in any discussion regarding any planning application or application for a license, any statement or intimation of approval made by any member or Officer of the City of Karratha during the course of any meeting is not intended to be and is not taken as notice of approval from the City of Karratha.

The City of Karratha warns that anyone who has any application lodged with the City of Karratha must obtain and should only rely on

WRITTEN CONFIRMATION

of the outcome of the application, and any conditions attaching to the decision made by the City of Karratha in respect of the application.

Signed: 
Chris Adams - Chief Executive Officer

DECLARATION OF INTERESTS (NOTES FOR YOUR GUIDANCE) (updated 13 March 2000)

A member who has a **Financial Interest** in any matter to be discussed at a Council or Committee Meeting, which will be attended by the member, must disclose the nature of the interest:

- (a) In a written notice given to the Chief Executive Officer before the Meeting or;
- (b) At the Meeting, immediately before the matter is discussed.

A member, who makes a disclosure in respect to an interest, must not:

- (c) Preside at the part of the Meeting, relating to the matter or;
- (d) Participate in, or be present during any discussion or decision-making procedure relative to the matter, unless to the extent that the disclosing member is allowed to do so under Section 5.68 or Section 5.69 of the *Local Government Act 1995*.

NOTES ON FINANCIAL INTEREST (FOR YOUR GUIDANCE)

The following notes are a basic guide for Councillors when they are considering whether they have a **Financial Interest** in a matter. I intend to include these notes in each agenda for the time being so that Councillors may refresh their memory.

1. A Financial Interest requiring disclosure occurs when a Council decision might advantageously or detrimentally affect the Councillor or a person closely associated with the Councillor and is capable of being measure in money terms. There are exceptions in the *Local Government Act 1995* but they should not be relied on without advice, unless the situation is very clear.
2. If a Councillor is a member of an Association (which is a Body Corporate) with not less than 10 members i.e. sporting, social, religious etc), and the Councillor is not a holder of office of profit or a guarantor, and has not leased land to or from the club, i.e., if the Councillor is an ordinary member of the Association, the Councillor has a common and not a financial interest in any matter to that Association.
3. If an interest is shared in common with a significant number of electors or ratepayers, then the obligation to disclose that interest does not arise. Each case needs to be considered.
4. If in doubt declare.
5. As stated in (b) above, if written notice disclosing the interest has not been given to the Chief Executive Officer before the meeting, then it **MUST** be given when the matter arises in the Agenda, and immediately before the matter is discussed.
6. Ordinarily the disclosing Councillor must leave the meeting room before discussion commences. The **only** exceptions are:
 - 6.1 Where the Councillor discloses the **extent** of the interest, and Council carries a motion under s.5.68(1)(b)(ii) or the *Local Government Act*; or
 - 6.2 Where the Minister allows the Councillor to participate under s5.69 (3) of the *Local Government Act*, with or without conditions.

INTERESTS AFFECTING IMPARTIALITY

DEFINITION: *An interest that would give rise to a reasonable belief that the impartiality of the person having the interest would be adversely affected, but does not include an interest as referred to in Section 5.60 of the 'Act'.*

A member who has an **Interest Affecting Impartiality** in any matter to be discussed at a Council or Committee Meeting, which will be attended by the member, must disclose the nature of the interest;

- (a) in a written notice given to the Chief Executive Officer before the Meeting; or
- (b) at the Meeting, immediately before the matter is discussed.

IMPACT OF AN IMPARTIALITY CLOSURE

There are very different outcomes resulting from disclosing an interest affecting impartiality compared to that of a financial interest. With the declaration of a financial interest, an elected member leaves the room and does not vote.

With the declaration of this new type of interest, the elected member stays in the room, participates in the debate and votes. In effect then, following disclosure of an interest affecting impartiality, the member's involvement in the Meeting continues as if no interest existed.

PURPOSE

To provide a summary of Council's financial position for the period ending 30 November 2017.

BACKGROUND

The following table is a summary of the Financial Activity Statement Report compared to the Budget as at 30 November 2017:

2017-18	Original Budget	Amended Budget	Year to Date Budget	Year To Date Actual	YTD Variance	Impact on Surplus

Restricted Balance BFWD 16/17 - PUPP	4,603,608	4,672,754	4,672,754	4,672,754	-	
/less Restricted Balance CFWD - PUPP	1,034,749	1,023,720	1,023,720	1,023,720	-	
Surplus/(Deficit) 16/17	932,532	887,319	31,881,595	36,014,192	4,132,597	↑

The restricted balance referred to in the preceding table and throughout this report comprises PUPP service charges levied in 2014/15 and pending payment as at 30 June 2017 (either by instalment options or outstanding).

This table shows that Council is currently in a surplus position of \$36m, a positive variance of \$4.1m compared to the budgeted year to date surplus position of \$31.9m.

The following variances (greater than \$250K) contribute significantly to the total YTD variance shown in the above table.

Operating Revenue	
525,000	▼ Arts & Culture Program - Events Income - Timing difference.
406,000	▼ Contribution to Rangers/Local Laws - Timing difference
Operating Expenditure	
557,244	▲ Traffic Signs And Control Equipment - Urban - Reallocation of prior years actuals, budget to be adjusted at March Budget Review.

312,044	▼ Building Improvements-Karratha Depot - Transfer of costs to Infrastructure asset class for Capitalisation.

Further detail on these variances is included later in this report in the variance commentary by Program for the Rate Setting Statement.

FINANCIAL MANAGEMENT SUMMARY

Local Government Financial Ratios

Period End 30 November 2017	Target Ratio	Original Annual Budget Ratio	YTD Actual Ratio
Current Ratio Current Assets less Restricted Assets ÷ Current Liabilities less liabilities associated with Restricted assets	1 or above	N/A	5.71
Asset Sustainability Ratio Capital Renewal and Replacement Expenditure ÷ Depreciation	> 0.90	0.93	0.82
Operating Surplus Ratio¹ Operating Surplus (excl. capital grants & contributions) ÷ Own Source Revenue	0 – 15%	-2.87%	47.93%
Own Source Revenue Ratio Own Source Operating Revenue ÷ Operating Expenses	.40 or above	0.88	1.64
Debt Service Cover Ratio Operating surplus before interest expense and depreciation ÷ Principal and interest Expense	> 2	31.73	66.67
The Operating Surplus Original Budget ratio of -2.87% is a result of the \$15m PUPP payment to Horizon Power budgeted in 17/18. This payment is reserve funded, and if it were excluded from Operating Expenditure the Original Budget ratio would increase to 14.4%.			

Statement of Financial Position

	2017 November	2017 October	% change
Current			
Assets	125,704,749	124,817,889	0.71%
Liabilities	11,733,026	11,178,832	4.96%

Assets	783,934,919	780,548,660	0.43%
Liabilities	1,096,583	1,096,583	0.00%
Net Assets	896,810,059	893,091,134	

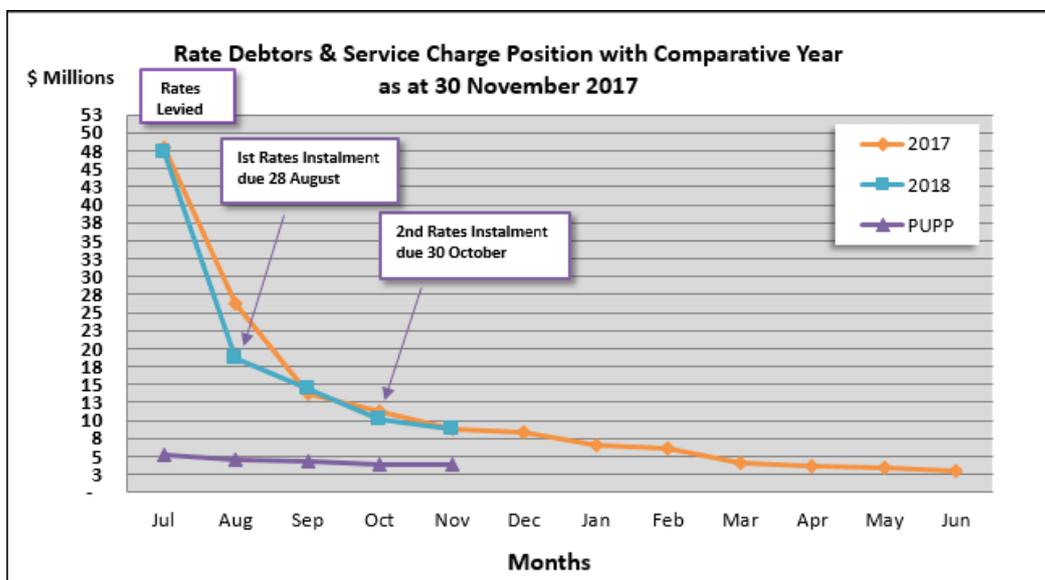

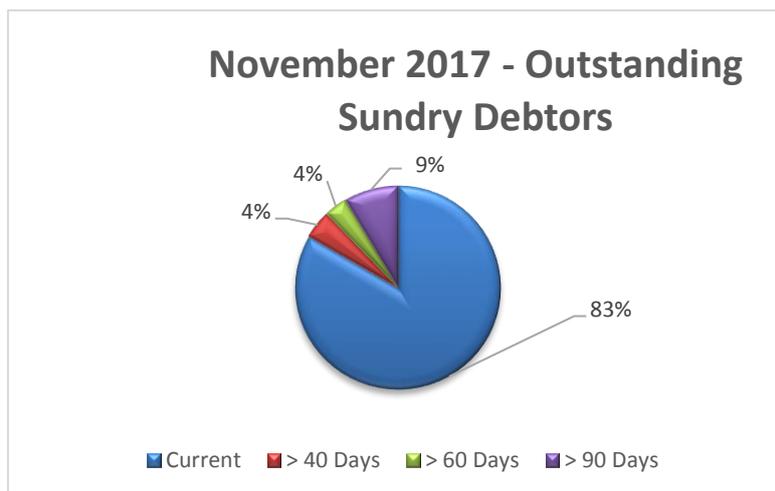

Total Current Assets increased by 0.71% from October to November primarily due to an increase in reserve funds. Current Liabilities increased by 4.96% from October to November due to an increase in accounts payable. Non-Current Assets have increased by 0.43% as a result of progress being made on capital works including the Red Earth Arts Precinct, and Airport Airside Upgrade, Leisureplex Gym Expansion and the Depot Upgrade. There has been no change to Non-Current Liabilities.

Debtors Schedule

The following table shows Trade Debtors which have been outstanding over 40, 60 and 90 days at the end of July. The table also includes total Rates and Pilbara Underground Power (PUPP) Service Charges outstanding.

The Reserve Bank cash rate (overnight money market interest rate) remained steady during September at 1.50%. The Municipal funds held with Westpac Bank are currently earning 0.93% interest on balances between \$1m and \$5m in the everyday account, and 0.60% on the Maxi-Direct Muni Account.

During November Council had \$10m in maturing Reserve investments. These funds were drawn down to Councils At Call account to assist with upcoming payments on capital projects.

During November Council had \$3m in maturing Municipal investments. These funds were reinvested as \$3m for 4 months at 2.48%.

The liquidity graph for 2017/18 demonstrates an increase in liquidity from October primarily due to receipt of grant funds for capital projects.

The financial statements for the reporting period are provided as an attachment in the form of:

- Rate Setting Statement;

LEVEL OF SIGNIFICANCE

Financial integrity is essential to the operational viability of the Council but also as the custodian of community assets and service provision. An ability to monitor and report on financial operations, activities and capital projects is imperative to ensure that financial risk is managed at acceptable levels of comfort.

The ability for the City of Karratha to remain financially sustainable is a significant strategy for a region that is continually under pressure from the resources industry, private enterprise and State Government obligations for the ongoing development of infrastructure and services.

COUNCILLOR/OFFICER CONSULTATION

Executives and Management have been involved in monthly reviews of their operational and departmental budgets and notifying the Financial Services team of trends and variances arising from their operational areas.

COMMUNITY CONSULTATION

No community consultation is required.

STATUTORY IMPLICATIONS

In accordance with the *Local Government Act 1995* and *Local Government (Financial Management) Regulations 1996*, a Statement of Financial Activity is required to be presented to Council as a minimum requirement.

Section 6.4 of the *Local Government Act 1995* provides for the preparation of financial reports.

In accordance with Regulation 34 (5) of the *Local Government (Financial Management) Regulations 1996*, a report must be compiled on variances greater than the materiality threshold adopted by Council of \$50,000 or 10% whichever is the greater. As this report is composed at a program level, variance commentary considers the most significant items that comprise the variance.

POLICY IMPLICATIONS

The Council's financial reporting is prepared in accordance with Accounting Policy CF1. This is reviewed periodically to ensure compliance with legislative and statutory obligations.

FINANCIAL IMPLICATIONS

The report represents the financial position of the Council at the end of November 2017 with a current year to date budget surplus position of \$32,905,315 (comprising \$31,881,595 unrestricted surplus and \$1,023,720 restricted surplus) and a current surplus position of \$37,037,911 (comprising \$36,014,192 unrestricted surplus and \$1,023,720 restricted

surplus). The restricted balance comprises PUPP service charges levied in 2014/15 and expected to be pending payment as at 30 June 2018 (either by instalment options or outstanding).

STRATEGIC IMPLICATIONS

This item is relevant to the Council’s approved Strategic Community Plan 2016-2026 and Corporate Business Plan 2016-2021. In particular, the Operational Plan 2017-2018 provided for this activity:

Our Programs/Services: 4.c.1.1 Management Accounting Services.
 Our Projects/Actions: 4.c.1.1.1 Conduct monthly and annual financial reviews and reporting.

RISK MANAGEMENT CONSIDERATIONS

Astute financial management backed by strong internal controls, policies and monitoring will ensure risks are assessed regularly and managed appropriately. Expenditure and revenue streams are monitored against approved budgets by management and the financial team with material variances being reported. It is incumbent on all managers that any perceived extraordinary variances that have, or likely to have, occurred are escalated immediately for consideration by Executive and/or Council.

IMPACT ON CAPACITY

There is no impact on capacity or resourcing to carry out the Officer’s recommendation.

RELEVANT PRECEDENTS

This is a routine process advising Council of the current financial position of the City of Karratha.

VOTING REQUIREMENTS

Simple Majority.

OPTIONS:

Option 1

As per the Officer’s recommendation.

Option 2

That Council by SIMPLE Majority pursuant to Section 6.4 of the *Local Government Act 1995* and Regulation 34 of the *Local Government (Financial Administration) Regulations 1996* RESOLVES to:

1. RECEIVE the Financial Reports for the financial period ending 30th November 2017;
and
2. APPROVE the following actions:
 - a) _____
 - b) _____

Option 3

That Council by SIMPLE Majority pursuant to Section 6.4 of the *Local Government Act 1995* and Regulation 34 of the *Local Government (Financial Administration) Regulations 1996* RESOLVES to NOT RECEIVE the Financial Report for the financial period ending 30th November 2017.

CONCLUSION

Council is obliged to receive the monthly financial reports as per statutory requirements. Details in regards to the variances and the commentary provided are to be noted as part of the report.

OFFICER'S RECOMMENDATION

10.2 LIST OF ACCOUNTS DECEMBER 2017

File No:	FM.19
Responsible Executive Officer:	Director Corporate Services
Reporting Author:	Creditors Officer
Date of Report:	22 December 2017
Applicant/Proponent:	Nil
Disclosure of Interest:	Nil
Attachment(s):	Nil

PURPOSE

To advise Council of payments made since the previous Ordinary Council Meeting.

BACKGROUND

Council has given delegated authority that allows the Chief Executive Officer to approve payments from Council's bank accounts either via cheque or through electronic lodgement.

LEVEL OF SIGNIFICANCE

In accordance with Council Policy CG-8 Significant Decision Making Policy, this matter is considered to be of high significance in terms of Council's ability to perform its role.

COUNCILLOR/OFFICER CONSULTATION

Officers have been involved in the approvals of any requisitions, purchase orders, invoicing and reconciliation matters.

COMMUNITY CONSULTATION

No community consultation is required.

STATUTORY IMPLICATIONS

Payments are to be made in accordance with Part 6, Division 4 of the *Local Government Act 1995* and as per the *Local Government (Financial Management) Regulations 1996*. Payments are to be made through the municipal fund, trust fund or reserve funds. Payments are to be in accordance with approved systems as authorised by the CEO.

POLICY IMPLICATIONS

Staff are required to ensure that they comply under Council Policy CF6 – Purchasing Policy and CF5 - Regional Price Preference Policy (where applicable) and that budget provision is available for any expenditure commitments.

FINANCIAL IMPLICATIONS

Payments are made under delegated authority and are within defined and approved budgets. Payment is made within agreed trade terms and in a timely manner.

Payments for the month of November totalled \$14,011,988.29, which included the following payments:

- Doric Contractors – REAP Construction Contract Sum - \$3,615,676.13
- Bankwest – Term Deposit Investment - \$3,000,000.00

- DFES – ESL Quarter 2 Contribution - \$537,878.81
- Pindan Contracting – New Depot Administration Building - \$479,452.23

Consistent with CG-11 Regional Price Preference Policy 68% of external payments reported for the period were made locally.

STRATEGIC IMPLICATIONS

This item is relevant to the Council’s approved Strategic Community Plan 2016-2026 and Corporate Business Plan 2016-2021. In particular, the Operational Plan 2017-2018 provided for this activity:

Our Program: 4.c.1.4 Process Accounts Receivable and Accounts Payable

RISK MANAGEMENT CONSIDERATIONS

The level of risk to the City is considered to be as follows:

Category	Risk level	Comments
Financial	Low	Failure to make payments within terms may render Council liable to interest and penalties
Service Interruption	Moderate	Failure to pay goods and service suppliers may lead to delays in the future provision of goods and services from those suppliers
Reputation	High	Failure to pay for goods and service in a prompt and professional manner, in particular to local suppliers, may cause dissatisfaction amongst the community

IMPACT ON CAPACITY

There is no impact on capacity or resourcing to carry out the Officer’s recommendation.

RELEVANT PRECEDENTS

There are no relevant precedents related to this matter.

VOTING REQUIREMENTS

Simple Majority

OPTIONS:

Option 1

As per Officer’s recommendation.

Option 2

That Council by SIMPLE Majority pursuant to Sections 6.7 and 6.9 of the *Local Government Act 1995* RESOLVES to ACCEPT payments totalling \$_____ submitted and checked with vouchers, being made up of:

1. Trust Vouchers: nil;
2. EFT55649 to EFT56252 (Inclusive);
3. Cheque Vouchers 78461 to 78468 (Inclusive);

10.3 LONG TERM FINANCIAL PLAN ASSUMPTIONS

File No:	FM.1
Responsible Executive Officer:	Director Corporate Services
Reporting Author:	Management Accountant
Date of Report:	22 December 2017
Applicant/Proponent:	Nil
Disclosure of Interest:	Nil
Attachment(s)	Draft Long Term Financial Plan Assumptions

PURPOSE

For Council to consider the financial assumptions to enable updating of Council's Long Term Financial Plan for the period 2018/19 to 2027/28.

BACKGROUND

As part of the development of the Integrated Strategic Planning Framework, Council is required to adopt a Long Term Financial Plan (LTFP). The LTFP is a ten year rolling financial plan and is created on the basis of a series of assumptions that consider strategic direction, priorities and services identified throughout the City's Strategic Community Plan and Corporate Business Plan. These assumptions provide the foundations towards building the LTFP.

The LTFP integrates with other important strategic documents such as rating strategies (differential rating), the capital expenditure program, asset management plan and workforce plan. The assumptions assist with scenario modelling and analysis to be carried out. The LTFP therefore identifies the City's long term financial sustainability, allows early identification of financial issues and their longer term impacts, shows the linkages between specific plans and strategies, and enhances the transparency and accountability of the Council to the community.

The most recent LTFP assumptions were last adopted by Council at the 15 June 2015 Ordinary Council Meeting. The LTFP assumptions attached have been reviewed to reflect current economic conditions affecting the district and region. Individually the assumptions have specific impacts on operational and capital estimates. Effects on the financial data is then documented in the annual budget that is then presented to Council for adoption in June.

The key assumptions attached were discussed in detail at Council's strategic planning weekend in late November 2017. In particular, the following significant changes are proposed:

- Anticipated annual rate increases reduced from 5.5% to 2.1% in line with the forecast Local Government Cost Index for 2017/18;
- Conservative estimates for Property growth have been utilised pending resource and industry project announcements with growth reduced to 0% from 2023/24;
- Employee costs adjusted to reflect expiry of the current Enterprise Agreement and updated workforce plan;
- Most other expenses are assumed to increase annually by forecast CPI.

Adoption and acceptance of the assumptions will enable staff to commence setting a budget for the next ten years and 2018/19 budget.

Indicative Schedule for Budget Adoption:

Jan 2018	Adopt LTFP Assumptions
Mar 2018	LTFP Workshops with EMT and Council
Apr 2018	Review LTFP, Capex and differential rating
May 2018	Progress update to Agenda Briefing on Draft 2018/19 Budget
June 2018	Budget Adoption

LEVEL OF SIGNIFICANCE

In accordance with Council Policy CG-8 Significant Decision Making Policy, this matter is considered to be of high significance in terms of Council's ability to perform its role.

COUNCILLOR/OFFICER CONSULTATION

Consultation has taken place with the Executive Management Team and Councillors in reviewing the assumptions that inform the development of the LTFP.

COMMUNITY CONSULTATION

Community feedback from the Annual Community survey has been considered in reviewing the LTFP assumptions.

STATUTORY IMPLICATIONS

Section 5.56 *Local Government Act 1995* provides that a local government is to plan for the future of the district.

POLICY IMPLICATIONS

There are no policy implications.

FINANCIAL IMPLICATIONS

The Long Term Financial Plan is designed to demonstrate Council's financial sustainability over the next ten years. Subject to Council consideration of the assumptions, the impact on Council's financial ratios will be reflected in an updated LTFP.

STRATEGIC IMPLICATIONS

This item is relevant to the Council's approved Strategic Community Plan 2016-2026 and Corporate Business Plan 2016-2021. In particular, the Operational Plan 2017-2018 provided for this activity:

Programs/Services:	4.c.2.1	Long Term Financial Plan
Projects/Actions:	4.c.2.1.1	Review and update Long Term Financial Plan

RISK MANAGEMENT CONSIDERATIONS

The level of risk is considered to be Moderate to the City in terms of financial sustainability.

IMPACT ON CAPACITY

Decisions made within the adoption of the LTFP may impact on future resourcing of Council and will directly inform the Strategic Community Plan and Corporate Business Plan.

RELEVANT PRECEDENTS

The LTFP is updated regularly however this will be the second review of the LTFP since it was adopted by Council.

VOTING REQUIREMENTS

Simple Majority.

OPTIONS:

Option 1

As per Officer's recommendation.

Option 2

As per Officer's recommendation with the following amendments:

1. _____
2. _____
3. _____
4. _____

CONCLUSION

The adoption of the financial assumptions will facilitate an update of the Long Term Financial Plan reflecting current economic conditions and forecasts.

OFFICER'S RECOMMENDATION

That Council by **SIMPLE** Majority pursuant to Section 5.56 of the *Local Government Act 1995* **RESOLVES** to **ENDORSE** the attached financial assumptions to inform the Long Term Financial Plan 2018/19 – 2027/28.

11.1 ANNUAL COMMUNITY ASSOCIATION DEVELOPMENT SCHEME (ACADS)

File No:	GS.41
Responsible Executive Officer:	Director Community Services
Reporting Author:	Manager Partnerships & Engagement
Date of Report:	7 January 2018

Attachment(s)	Proposed Policy CS19 – Annual Community Association Grant Scheme (Tracked Changes)

PURPOSE

To consider proposed changes to Annual Community Association Grant Schemes Policy CS19.

BACKGROUND

Council Policy CS19 outlines the principles, objectives and responsibilities in relation to the Annual Community Association Development Scheme (ACADS), which facilitates up to \$500,000 per annum in community funding. The scheme and policy are frequently reviewed to ensure clarity for applicants and good governance by all parties.

Significant changes have occurred over the past two years in relation to community grants. These changes have improved the effectiveness of all grants, especially ACADS. Officers have continued to review the entire process and simplify associated application and evaluation forms.

Officers are recommending further changes to the allocation of funds, to improve social outcomes and ensure consistency with other grant programs administered by the City. The majority of changes are minor wording and text issues which are highlighted in the attached document. The proposed changes of large substance to Policy CS19 are outlined in the table below:

Proposed Change	Purpose of change
2.5 Allocation of funds	<p>Council will fund up to 10% of the total project costs as a contribution to administration. This is only applicable if the Community Association is directly managing the project/program. Where an external management body is engaged to deliver the project, no administration fee is applicable.</p> <p>Council will not fund allocation towards alcohol beverages.</p> <p>Council will not fund unplanned or retrospective projects.</p>

Furthermore, Officers are suggesting the entire grants system (ACADS, Annual Grants and Quarterly Grants) is reviewed throughout 2018. This review may lead to further changes which would be proposed to Council late in 2018. The review would include a Social Return on Investment (SROI) assessment, in conjunction with in-depth community engagement. Officers are proposing the funds to deliver the review are obtained via the March Budget Review process. This would result in the majority of the review being coordinated prior to July 2018.

LEVEL OF SIGNIFICANCE

In accordance with Council Policy CG-8 Significant Decision Making Policy, this matter is considered to be of low significance in terms of social issues and economic issues.

COUNCILLOR/OFFICER CONSULTATION

Councillors were presented with a review of community grants at the December briefing session. This highlighted potential options, total costs, issues and concerns.

COMMUNITY CONSULTATION

Community consultation has occurred with all community associations. The proposed changes are expected and understood by all parties affected. All changes will be implemented prior to the 2018/19 funding round advertised through February-March 2018.

STATUTORY IMPLICATIONS

Section 3.18 of the *Local Government Act 1995* is relevant to this report.

POLICY IMPLICATIONS

Council Policy CS19 will be amended should Council endorse Officer's Recommendation.

FINANCIAL IMPLICATIONS

Officers recommendation would result in a nil impact to the budget as part of the 2018/19 financial year.

STRATEGIC IMPLICATIONS

This item is relevant to the Council's approved Strategic Community Plan 2016-2026 and Corporate Business Plan 2016-2021. In particular, the Operational Plan 2017-2018 provided for this activity:

Programs/Services:	1.c.1.2	Community Engagement
Projects/Actions:	1.c.1..2.1	Provide Grant Funding Opportunities

RISK MANAGEMENT CONSIDERATIONS

There are no risk management issues to be considered in relation to recommendations within this report.

IMPACT ON CAPACITY

There is an impact on capacity and resourcing to carry out the Officer's recommendation. However, the additional duties can be absorbed into existing work plans.

RELEVANT PRECEDENTS

Council Policy CS-19 has been reviewed frequently since its creation in 2010. All Policies are reviewed bi-annually at minimum.

VOTING REQUIREMENTS

Simple Majority.

OPTIONS:

Option 1

As per Officer’s recommendation.

Option 2

That Council by SIMPLE Majority pursuant to Section 3.18 of the *Local Government Act 1995* RESOLVES to REJECT all suggested changes and retain Council Policy CS19 in its current form.

CONCLUSION

Council Policy CS19 (ACADS) requires minor amendments to ensure consistency with other City grant schemes. A larger review of Policy CS19 and other community grants is proposed throughout 2018 via a Social Return on Investment study, funded via the March Budget Review process.

OFFICER’S RECOMMENDATION

That Council by SIMPLE Majority pursuant to Section 3.18 of the *Local Government Act 1995* RESOLVES to:

1. **ACCEPT** the following amendments to Council Policy CS19 Annual Community Associations Development Scheme;

Proposed Change	Purpose of change
2.5 Allocation of funds	<p>Council will fund up to 10% of the total project costs as a contribution to administration. This is only applicable if the Community Association is directly managing the project/program. Where an external management body is engaged to deliver the project, no administration fee is applicable.</p> <p>Council will not fund allocation towards alcohol beverages.</p> <p>Council will not fund unplanned or retrospective projects.</p>

2. **CONSIDER** an allocation of up to \$50,000 for independent evaluation/assessment to determine this Social Return on Investment Project of the City grants programs, via the March 2018 Budget Review.

Attachment(s)	City of Karratha Bush Fire Brigades Amendment Local Law (tracked changes following advertising)

PURPOSE

To consider submissions received on the proposed City of Karratha Bush Fire Brigades Amendment Local Law.

BACKGROUND

At its 17 July 2017 meeting, Council resolved to advertise the Bush Fire Brigades Local Law to invite submissions on the proposal to amend the Bush Fire Brigades Local Law. The Amendment Local Law was advertised for a period of 6 weeks with 2 submissions being received from the Department of Local Government, Sport and Cultural Industries, and Department of Fire and Emergency Services (DFES).

Neither department identified any significant issues with the Amendment Local Law, other than minor alterations to remove any ambiguity, and minor grammatical changes which have been shown within the tracked changes attachment.

The next steps in the gazettal process, as described in the *Local Government Act 1995*, is to undertake the following:

1. Council resolves to adopt the amended Bush Fire Brigades Amendment Local Law;
2. The Bush Fire Brigades Amendment Local Law is published in the Government Gazette;
3. A copy of the gazetted Bush Fire Brigades Amendment Local Law is provided to the Minister for Local Government;
4. Gazettal of the Amendment Local Law is publicised in a local paper; and
5. The gazetted Bush Fire Brigades Amendment Local Law is then sent to the Joint Standing Committee on Delegated Legislation.

As there has not been any significant change to the Amendment Local Law, the Purpose and Effect of the Local Law remain the same:

The purpose of this Amendment Local Law is to amend the provision of the principal local law.

The effect of this Local Law is to amend the existing Shire of Roebourne Bush Fire Brigades Local Law for consistency in changes in legislation since adoption, to revise definitions and provide guidance for Bush Fire Brigades.

The City's Officers have followed the legislated process to adopt the City's Amendment Local Law in relation to Bush Fire Brigades. Council endorsement is now required to continue the gazettal process and to enable the implementation of this Amendment Local Law.

LEVEL OF SIGNIFICANCE

In accordance with Council Policy CG-8 Significant Decision Making Policy, this matter is considered to be of low significance in terms of Council's ability to perform its role.

COUNCILLOR/OFFICER CONSULTATION

Consultation has been undertaken with the Manager of Governance.

COMMUNITY CONSULTATION

The proposed local law was advertised for public comment from 27 September 2017 to 21 November 2017, with copies made available on the City Website, at the Administration Building and Libraries. Two public submissions were received during the public advertisement period from the Department of Department of Local Government, Sport and Cultural Industries, and Department of Fire and Emergency Services. These have been included in the tracked changes attachment.

STATUTORY IMPLICATIONS

The development and gazettal of the Local Law must follow the requirements of Section 3.12 of the *Local Government Act 1995*, including giving notice at the Council Meeting, advertising of the Local Laws, adoption of the advertised Local Laws, and gazettal of the adopted Local Law.

The Purpose and the Effect of the Local Laws must be either read aloud by the presiding member of the Council meeting, or be included within both the agenda and minutes of the Council meeting.

If a significant change is made to the Local Laws after the advertising period, the revised/modified Local Law must be readvertised for a 6-week period. Failure to do so will likely result in the Local Law being rejected by the Joint Standing Committee on Delegated Legislation.

POLICY IMPLICATIONS

Policy DR-06 Bush Fire Brigades Policy makes reference to the Bush Fire Brigades Local Law and provides for modifications to the Bush Fire Brigade Operational and Management Guide included in the Local Law.

FINANCIAL IMPLICATIONS

Costs associated with advertising and gazettal of the Local Laws can be met through the existing budget.

STRATEGIC IMPLICATIONS

This item is relevant to the Council's approved Strategic Community Plan 2016-2026 and Corporate Business Plan 2016-2021. In particular, the Operational Plan 2017-2018 provided for this activity

Our Program/Services: 4.e.1 Services to our community area are socially responsible and financially sustainable.
 Our Projects/Actions: 4.e.1.2 Corporate Governance Support

RISK MANAGEMENT CONSIDERATIONS

The level of risk to the City is considered to be as follows:

Category	Risk level	Comments
Compliance	Low	The City requires a Bush Fire Local Law to assist in the management of bushfire brigades and control of bush fires within the District.

IMPACT ON CAPACITY

There is no impact on capacity or resourcing to carry out the Officer’s recommendation.

RELEVANT PRECEDENTS

Council has previously undertaken the process of adopting Local Laws, including adoption of the Repeal Local Law at its 17 July 2017 meeting.

VOTING REQUIREMENTS

Absolute Majority is required as per Section 3.12 of the Local Government Act 1995

OPTIONS:

Option 1

As per Officer’s recommendation.

Option 2

That Council by SIMPLE Majority pursuant to Section 3.12 of the *Local Government Act 1995* RESOLVES to DEFER the gazettal of the City of Karratha Bush Fire Brigade Amendment Local Law 2018 until further advice and clarification is received.

Option 3

That Council by SIMPLE Majority pursuant to Section 3.12 of the *Local Government Act 1995* RESOLVES to DISCONTINUE the process of making the City of Karratha Bush Fire Brigade Amendment Local Law 2018.

CONCLUSION

The advertising of the proposed City of Karratha Bush Fire Brigades Amendment Local Law attracted two submissions from the Department of Local Government, Sport and Cultural Industries, and the Department of Fire and Emergency Services. The proposed Local Law has been updated to reflect these comments which are considered minor grammatical changes that do not require further readvertising. Therefore, it is recommended that Council adopts the proposed City of Karratha Bush Fire Brigades Amendment Local Law as contained in the attachment to this report.

OFFICER’S RECOMMENDATION

That Council by Absolute Majority pursuant to Section 3.12 of the *Local Government Act 1995* RESOLVES to ADOPT the City of Karratha Bush Fire Brigades Amendment Local Law 2018 with modifications as contained in the attachment to this report.

12.2 ADOPTION OF CITY OF KARRATHA FENCING LOCAL LAW 2018

Attachment(s)	City of Karratha Fencing Local Law 2018 (tracked changes following advertising)

PURPOSE

To consider submissions received on the proposed City of Karratha Fencing Local Law 2018.

BACKGROUND

At its 18 September 2017 meeting, Council resolved to readvertise the Fencing Local Law after the original advertisement period due to significant changes that were recommended by the Department of Local Government, Sport and Cultural Industries.

The amended Fencing Local Law has since been advertised for a period of 6 weeks with comments from the Department of Local Government, Sport and Cultural Industries received.

Subsequently, the Department did not identify any further significant issues with the Fencing Local Law, other than minor grammatical changes which have been shown with tracked changes attachment.

The next steps in the gazettal process, as described in the *Local Government Act 1995*, is to undertake the following:

1. Council resolves to adopt the amended Fencing Local Law;
2. The Fencing Local Law is published in the Government Gazette;
3. A copy of the gazetted Fencing Local Law is provided to the Minister for Local Government;
4. Gazettal of the Local Law is publicised in a local paper; and
5. The gazetted Fencing Local Law is then sent to the Joint Standing Committee on Delegated Legislation

As there have not been any significant changes to the proposed Fencing Local Law, the Purpose and Effect of the Local Law remain the same:

The Purpose of the proposed Local Law is to regulate a sufficient fence pursuant to the *Dividing Fences Act 1961*, which includes acceptable materials and safety measures to be taken for some types of fencing.

The Effect of this Local Law will set landowner obligations for the erection and maintenance of fencing.

The City’s Officers have followed the legislated process to adopt the City’s local law in relation to fencing. Council endorsement, by absolute majority, is now required to continue the gazettal process and to enable the implementation of this Fencing Local Law.

LEVEL OF SIGNIFICANCE

In accordance with Council Policy CG-8 Significant Decision Making Policy, this matter is considered to be of low significance in terms of Council’s ability to perform its role.

COUNCILLOR/OFFICER CONSULTATION

Consultation has been undertaken with the Manager Corporate Compliance.

COMMUNITY CONSULTATION

The proposed local law was advertised for public comment from 4 October 2017 to 21 November 2017, with copies made available on the City Website, at the Administration Building and Libraries. One public submission was received during the public advertisement period from the Department of Local Government, Sport and Cultural Industries.

STATUTORY IMPLICATIONS

The development and gazettal of the Local Law must follow the requirements of Section 3.12 of the *Local Government Act 1995*, including giving notice at the Council Meeting, advertising of the Local Laws, adoption of the advertised Local Laws, and gazettal of the adopted Local Law.

The Purpose and the Effect of the Local Laws must be either read aloud by the presiding member of the Council meeting, or be included within both the agenda and minutes of the Council meeting.

If a significant change is made to the Local Laws after the advertising period, the revised/modified Local Law must be readvertised for a 6-week period. Failure to do so will likely result in the Local Law being rejected by the Joint Standing Committee on Delegated Legislation.

POLICY IMPLICATIONS

There are no policy implications.

FINANCIAL IMPLICATIONS

Costs associated with advertising and gazettal of the Local Laws can be met through the existing budget.

STRATEGIC IMPLICATIONS

This item is relevant to the Council’s approved Strategic Community Plan 2016-2026 and Corporate Business Plan 2016-2021. In particular, the Operational Plan 2017-2018 provided for this activity

RISK MANAGEMENT CONSIDERATIONS

Category	Risk level	Comments
Compliance	Low	The City requires a Fencing Local Law to assist in the management of erection and maintenance of fencing within the District.

IMPACT ON CAPACITY

There is no impact on capacity or resourcing to carry out the Officer's recommendation. Works will be undertaken by the Manager Regulatory Services and Manager Governance and Organisational Strategy as part of their roles.

RELEVANT PRECEDENTS

Council has previously undertaken the process of adopting Local Laws, including adoption of the Repeal Local Law at its 17 July 2017 meeting.

VOTING REQUIREMENTS

Absolute Majority is required as per Section 3.12 of the Local Government Act 1995

OPTIONS:Option 1

As per Officer's recommendation.

Option 2

That Council by SIMPLE Majority pursuant to Section 3.12 of the *Local Government Act 1995* RESOLVES to DEFER the gazettal of the City of Karratha Fencing Local Law 2018 until further advice and clarification is received.

Option 3

That Council by SIMPLE Majority pursuant to Section 3.12 of the *Local Government Act 1995* RESOLVES to DISCONTINUE the process of making the City of Karratha Fencing Local Law 2018.

CONCLUSION

The readvertising of the proposed City of Karratha Fencing Local Law has concluded which attracted one submission from the Department of Local Government, Sport and Cultural Industries. The proposed Local Law has been updated to reflect these comments which are considered minor grammatical changes that do not require further readvertising. Therefore, it is recommended that Council adopts the proposed City of Karratha Fencing Local Law as contained in the attachment to this report.

OFFICER'S RECOMMENDATION

12.3 ACTIVITIES IN THOROUGHFARES AND PUBLIC PLACES AND TRADING AMENDMENT LOCAL LAW

Responsible Executive Officer:	Director Development Services
Reporting Author:	Manager Regulatory Services
Date of Report:	20 December 2017

Attachment(s)	Draft Amendment Local Law

PURPOSE

For Council to consider an amendment to the City of Karratha Activities in Thoroughfares and Public Places and Trading Local Law 2017.

BACKGROUND

Council adopted the City of Karratha Activities in Thoroughfares and Public Places and Trading Local Law 2017 at its Meeting of 17 July 2017 and the Local Law came into effect when it was published in the Government Gazette on 27 September 2017.

The Western Australian Governments Joint Standing Committee on Delegated Legislation (JSCDL) advised the City that it had reviewed the Local Law and requested the following changes:

	Requested change	Reason
1.	Remove of the reference to the “desirability” of a person to hold a permit.	It is considered unreasonable and outside the scope of the City's power to legislate for the good government of persons in its district.
2.	Delete of the word “verge” in a provision.	Is already included in the definition of “thoroughfare” however for clarity, the term “thoroughfare (including the verge)” may be used.
3.	Correctly reference the Liquor Control Act 1988.	This is the correct reference rather than Liquor Licensing Act 1998.
4.	Delete the term “nature strip” in the interpretation.	This term is not used elsewhere in the Local Law.

The JSCDL has requested the City commit to make these changes and to not enforce those provisions. The JSCDL has indicated that it may serve a Notice of Motion to Disallow the Local Law in the Legislative Council. The City's officers will not enforce the Activities in Thoroughfares and Public Places and Trading Local Law 2017 in a manner contrary to the JSCDL request.

To effect these changes, the City is required to develop an Amendment Local Law and commence the gazettal process.

The Purpose of the City of Karratha Activities in Thoroughfares and Public Places and Trading Amendment Local Law 2018 is to amend the provision of the principal Local Law.

The effect of this Local Law is to amend the existing City of Karratha Activities in Thoroughfares and Public Places and Trading Amendment Local Law 2018 to comply with the direction of the Joint Standing Committee on Delegated Legislation.

The City is required to give State-wide public notice that the local government proposes to make an Amendment Local Law and invite submissions for a period of six (6) weeks, after which time those submissions are reviewed and decision made as to whether Council determines to adopt the Amendment Local Law, re-advertise the Amendment Local Law, or cease the Amendment Local Law review process. This also includes notifying the Minister for Local Government.

LEVEL OF SIGNIFICANCE

In accordance with Council Policy CG-8 Significant Decision Making Policy, this matter is considered to be of moderate significance in terms of Council's ability to perform its role. If the Local Law is disallowed, there will be no mechanism in place to regulate or manage the use of City verges and thoroughfares, including stallholder permits.

COUNCILLOR/OFFICER CONSULTATION

No Councillor or Officer consultation is required.

COMMUNITY CONSULTATION

Amendments to Local Laws will mandatorily include advertisement for public comment, including referral to the State Department responsible for Local Government.

STATUTORY IMPLICATIONS

If Council does not confirm with the JSCDL that it will commit to the changes as requested the Local Law may be disallowed. The process of gazetting an Amendment Local Law is provided within the Local Government Act 1995. The Purpose and the Effect of the Local Laws must be either read aloud by the presiding member of the Council meeting, or be included within both the agenda and minutes of the Council meeting.

POLICY IMPLICATIONS

There are no policy implications.

FINANCIAL IMPLICATIONS

There are no financial implications. Costs associated with advertising and gazettal of the Amendment Local Law will be sourced from the existing corporatized accounts in the Council budget.

STRATEGIC IMPLICATIONS

This item is relevant to the Council's approved Strategic Community Plan 2016-2026 and Corporate Business Plan 2016-2021. In particular, the Operational Plan 2017-2018 provided for this activity:

Our Program/Services:	4.e.1	Services to our community area are socially responsible and financially sustainable.
Our Projects/Actions:	4.e.1.2	Corporate Governance Support.

RISK MANAGEMENT CONSIDERATIONS

The level of risk to the City is considered to be as follows:

Category	Risk level	Comments
Compliance	Moderate	If the Local Law is disallowed, there will be no mechanism in place to regulate or manage the use of City verges and thoroughfares, including issue of stallholder permits

IMPACT ON CAPACITY

There is no impact on capacity or resourcing to carry out the Officer's recommendation.

RELEVANT PRECEDENTS

Council has previously initiated amendments to local laws.

VOTING REQUIREMENTS

Simple Majority.

OPTIONS:Option 1

As per Officer's recommendation.

Option 2

That Council by SIMPLE Majority pursuant to Section 3.12 of the *Local Government Act 1995* RESOLVES to REFUSE to amend the City of Karratha Activities in Thoroughfares and Public Places and Trading Local Law 2017.

CONCLUSION

The Joint Standing Committee on Delegated Legislation has requested confirmation from Council that it will undertake amendments to the City of Karratha Activities in Thoroughfares and Public Places and Trading Local Law 2017. If confirmation is not provided, it is likely that the gazetted Local Law will be disallowed. The changes are considered to be minor and whilst it would have been preferable for the JSCDL to provide this advice prior to the finalisation of the revised Local Law, there is a procedure to gazette a Local Law does not permit this. To comply with the request, the process to gazette an Amendment Local Law must commence.

OFFICER'S RECOMMENDATION

That Council by ABSOLUTE Majority pursuant to Section 3.12 of the *Local Government Act 1995* RESOLVES to COMMENCE advertising of the City of Karratha Activities in Thoroughfares and Public Places and Trading Amendment Local Law 2018 as attached to this report.

12.4 PROPOSED FREEHOLDING OF LEASED PORTION OF SEARIPPLE VILLAGE

File No:	LM15022
Responsible Executive Officer:	Director Development Services
Reporting Author:	Manager Planning Services
Date of Report:	22 December 2017
Applicant/Proponent:	Fleetwood Corporation Ltd
Disclosure of Interest:	Nil
Attachment(s)	Plan showing portion of Searipple Village subject of freehold title request

PURPOSE

To consider a request for freehold tenure over the portion of Searipple Village that is currently leased by the State Government to Fleetwood Corporation for Transient Workforce Accommodation.

BACKGROUND

The Department of Lands (DoL) seeks the City's comments on a request for freehold title over the leasehold portion of Searipple Village.

Searipple Village comprises 1,546 workforce accommodation rooms. About half of these rooms are located on freehold Lot 250, with the other half located on Lot 4471 and Lot 4931 (Attachment 1). These two lots are Crown land leased to Fleetwood by the State for the purpose of Transient Workforce Accommodation. This land is currently leased to Fleetwood until 31 January 2022.

All of Searipple Village is on a time-limited planning approval. At Council's Meeting of 16 December 2013 it was resolved to approve an extension of time to the planning approval for Searipple Village for four years until 1 February 2018. Fleetwood sought review of that decision and on 15 October 2014, the State Administrative Tribunal extended the timeframe of approval for the freehold portion only to ten years until 31 January 2024.

At Council's Meeting on 20 June 2016 it was resolved to extend the time limited approval for the leasehold portion of Searipple Village for an additional four years until 31 January 2022. This decision was based on Fleetwood demonstrating need via a contract over 800 rooms for between three and six years from February 2015. This also brought the development approval timeframe into line with the lease period (ie. 31 January 2022).

The granting freehold title over Lot 4471 and Lot 4931 would mean an indefinite land ownership over the entirety of Searipple Village. It could then lead to a request to apply for a longer approval timeframe for the site and thereby increasing base load supply of transient workforce accommodation.

The City has consistently acknowledged that some transient workforce accommodation is necessary to facilitate construction, maintenance shutdowns, and remote projects, however the City's consistent position has been that operational staff should be living residentially in permanent dwellings as part of the community. To determine the right amount of supply, the City commissioned AEC to prepare a report into transient workforce accommodation to

understand the base-level of FIFO/TWA accommodation that would be required. The report found that the proportion of FIFO/transient workers would reduce over time as the City has reached a scale with an established long term population base, a reasonably diverse economy and a good range of community facilities, health and education services available which enables operational staff to reside locally. In addition, the report forecasts a decline in the overall number of construction projects, thereby reducing demands for transient workforce accommodation.

The AEC Report estimates that there were over 8,000 Workforce Accommodation beds in the City in December 2016, plus 612 Short Stay Accommodation rooms. Of the 8,000 Workforce Accommodation beds, only 1,926 beds (24%) were considered base-level supply. This includes beds over the freehold portion of Searipple Village (663 beds). When SAT made its decision on the Fleetwood Corporation appeal against the approval period for Searipple Village, the approval timeframes for the freehold and leasehold portions were different based on an acceptance that base-level supply should be accommodated on freehold land and peak demands should be accommodated on Crown land under lease.

Since December 2016, there has been a 3,132 bed reduction (40%) in the number of Workforce Accommodation beds (Gap Ridge Village and Birra Birra A and B). Using the 24% proportion of total beds that applied in December 2016, this would require in the order of 1,168 beds to be base-level supply. There are currently 1,326 beds available at Searipple Village alone. Given that there are other Workforce Accommodation developments that currently contribute to what is considered base-level supply, it is considered preferable for Searipple Village to remain under a tenure arrangement where a portion is made available for base-level supply and portion is only made available for construction peaks. The lease period provides the opportunity to regularly review the need to continue that portion of the development and would not tie the proponent to the land permanently.

LEVEL OF SIGNIFICANCE

In accordance with Council Policy CG-8 Significant Decision Making Policy, this matter is considered to be of low significance in terms of social issues, economic issues and parties affected.

COUNCILLOR/OFFICER CONSULTATION

No Councillor or Officer consultation is required.

COMMUNITY CONSULTATION

No community consultation is required.

STATUTORY IMPLICATIONS

Lot 4931 and portion of Lot 250 are currently reserved for Conservation, Recreation and Natural Landscapes. Freehold title is likely to lead to a continuation of the Searipple Village use which is in direct contradiction with the purpose and intent of the Reserve.

POLICY IMPLICATIONS

Currently Adopted Version of Workforce Accommodation Policy

Council adopted the current version of DP10: Transient Workforce Accommodation at its 15 December 2014 Meeting. The Policy gives preference for freehold land to provide for ongoing base-level supply of TWA beds and for Crown land to only be used to accommodate short-term demands associated with particular construction projects.

The policy states that requests for extensions on freehold land in zones including the Tourism zone, can be approved for a maximum period of 10 years and that all other TWAs (including the leasehold portion of Searipple Village) can only be approved for a maximum period of 5 years and must be associated with a specific construction project.

Under these policy provisions, a change to freehold title for the leasehold portion of Searipple Village would provide for an extension of up to ten years to be approved, rather than five years. Notwithstanding, any request for an extension beyond the current approval period would need to be justified based on demonstrated need.

Draft Revised Version of Workforce Accommodation Policy

Council resolved to adopt a draft revised version of DP10 for public consultation at its 11 December 2017 Meeting. This draft version of the policy includes an objective to manage provision of workforce accommodation by requiring proponents of renewal requests to demonstrate an identified need for the beds and that such proposals are not speculative in nature.

The policy provides for extensions of time for a maximum period of five years. The policy states that requests to extend approval periods for existing workforce accommodation facilities must be accompanied by information that demonstrates need.

FINANCIAL IMPLICATIONS

The Gross Rental Value basis for calculating rates for Searipple Village is determined based on occupancy and will not change if the land is transferred to freehold title.

STRATEGIC IMPLICATIONS

This item is relevant to the Council's approved Strategic Community Plan 2016-2026 and Corporate Business Plan 2016-2021. In particular, the Operational Plan 2017-2018 provided for this activity:

Our Response:	4.e.1	Services to our community are socially responsible and financially sustainable.
Programs/Services:	4.e.1.5	Statutory Planning

RISK MANAGEMENT CONSIDERATIONS

There are no risk management considerations applicable.

If Council supports freehold title being granted to Lot 4471 and Lot 4931, then these lots should be amalgamated to provide the land comprising Lot 4931 with frontage to a public road.

IMPACT ON CAPACITY

There is no impact on capacity or resourcing to carry out the Officer's recommendation.

RELEVANT PRECEDENTS

There are no relevant precedents related to this matter.

VOTING REQUIREMENTS

Simple Majority.

OPTIONS:

Option 1

As per Officer's recommendation.

Option 2

That Council by SIMPLE Majority pursuant to Section 3.18 of the *Local Government Act 1995* RESOLVES to NOT OBJECT to the granting of freehold title over Lot 4471 on Deposited Plan 18896 and Lot 4931 on Deposited Plan 37826.

Option 3

That Council by SIMPLE Majority pursuant to Section 3.18 of the *Local Government Act 1995* RESOLVES to DEFER further consideration of the request for freehold title over Lot 4471 on Deposited Plan 18896 and Lot 4931 on Deposited Plan 37826 pending final adoption of the latest version of the Workforce Accommodation Policy.

CONCLUSION

Council's current Transient Workforce Accommodation Policy distinguishes workforce accommodation on Crown land from freehold land by giving it a specific purpose of accommodating short term spikes in demand rather than base-level supply. Applying this policy approach to Searipple Village the freehold portion should be used to accommodate base-level supply and the leasehold portion available for spikes in demand. This approach allows for the leasehold portion to be phased out first as demand reduces over time.

If Searipple Village is entirely freehold title then it may lead to a position where the leasehold portion is used for baseload supply instead of spikes in demand. This is against Council's established position which is to reduce the supply of transient workforce accommodation in favour of permanent residential dwellings. The AEC Report and TWA base-level data shows that there is an over-supply in the market and further increases are not supported with the current demand.

The land is reserved for Conservation, Recreation and Natural Landscapes and freehold private ownership is in contradiction to this public purpose reserve. It is considered that the leasehold arrangement was a necessary short term arrangement to cope with the mining construction boom, however it is not considered necessary in the long term and it is recommended that the land be transitioned to the intended purpose and intent of the Reserve.

It is recommended that Council objects to the granting of freehold title over the leasehold portion of Searipple Village as there has been no demonstrated need provided. Whilst a decision on whether further extensions should be granted can be made under the local planning scheme based on demonstrated need, it is likely that the freehold tenure will lead to longer-term and more permanent transient workforce accommodation which is contradictory to Council's established position.

OFFICER'S RECOMMENDATION

That Council by SIMPLE Majority pursuant to Section 3.18 of the *Local Government Act 1995* RESOLVES to OBJECT to the granting of freehold title over Lot 4471 on Deposited Plan 18896 and Lot 4931 on Deposited Plan 37826 as the conversion of leasehold to freehold land will likely lead to a long-term and more permanent transient workforce accommodation land use which:

1. There has not been any demonstrated need for long term tenure of the land and is therefore contrary to Council's established Policy where there is preference for permanent residential dwellings over transient workforce accommodation development; and
2. Is contrary to the purpose and intent of Town Planning Scheme No. 8 which is reserved for Conservation, Recreation and Natural Landscapes.

Attachment(s)	Confidential Tender Evaluation Report

PURPOSE

To consider the tender submissions for the demolition of the Wickham Hospital.

BACKGROUND

At its 20 February 2017 Meeting, Council resolved to purchase the Wickham Hospital, taking possession of the facility on 12 June 2017. The report recommended that the City hold the property as a strategic land asset to provide future development opportunities. The report included an indicative cost of \$330,000 to demolish the buildings on site with funds for these works being included in the 2017/18 budget.

Tenders were called for the demolition of the hospital buildings and associated infrastructure on site, including all underground services and car parking areas. The Tender includes the following requirements:

- Make application and pay fees for permits, approvals, disconnections and services;
- Remove, transport and dispose of all asbestos cement material (including air monitoring as required);
- Dispose of any redundant fixtures and fittings within the buildings;
- Demolish structures, paving, footings, pads and redundant underground services;
- Levelling the site in a clean and even state with no excavations or depressions; and
- Stabilise the site to prevent dust issues.

The selection criteria were set out as follows:

Relevant Experience	10%
Methodology	10%
Capacity to Deliver	10%
Price	70%

The tender was sought via Tenderlink, with the tender application period being open from 25 October 2017 to 6 December 2017, with two non-mandatory inspections of the hospital provided to enable contractors to familiarise themselves with the premises.

Eight submissions were received and assessed by a panel comprising the Manager Regulatory Services, Coordinator Building Services and Coordinator Building Maintenance. Oversight of the process was provided by the City’s Governance Officer.

Table of Submissions received:

Organisation	Tender Assessed	Regional Price Preference
Argonaut Engineering & Construction Pty Ltd	Assessed	Yes
Brajkovich Demolition & Salvage Pty Ltd	Assessed	No
CMA Contracting Pty Ltd	Assessed	Yes
Karratha Building	Assessed	No **
MD Holdings Australia Pty Ltd	Assessed	No
Merit Consulting Group	Assessed	No
Norwest Contracting	Assessed	No **
Mainline Demolition	Not assessed	N/A

** Note – No evidence supplied as required by the Tender criteria for the Regional Price Preference to be applied.

One submission was deemed non-compliant and was not assessed. Summaries of the discussions and assessment of the submissions is provided in the attached Assessment and Evaluation Report. The Regional Price Preference of 5% was applied to Tenders which provided evidence that they met the Policy Criteria.

The panel assessed for compliance with the tender documents, the advice from technical consultants and finally against the weighted qualitative criteria as detailed in the attached Confidential Tender Evaluation Report.

LEVEL OF SIGNIFICANCE

In accordance with Council Policy CG-8 Significant Decision Making Policy, this matter is considered to be of moderate significance in terms of economic issues. Further development of the site cannot occur until the building has been either renovated or removed.

COUNCILLOR/OFFICER CONSULTATION

No Councillor or Officer consultation is required.

COMMUNITY CONSULTATION

No community consultation is required.

STATUTORY IMPLICATIONS

Tenders for demolition were called in accordance with Section 3.57 of the *Local Government Act 1995*, and Part 4, Division 2 —Tenders for providing goods or services of the *Local Government (Functions and General) Regulations 1996*.

Council is requested to consider the appointment of the successful tenderer and the financial implications associated with the award of the contract. Each tenderer is required to be notified of the outcome of the tender process.

POLICY IMPLICATIONS

Policies CG11 Regional Price Preference Policy and CG-12 Purchasing Policy are applicable in relation to the tender process.

FINANCIAL IMPLICATIONS

When the property was purchased, an indicative cost for the demolition of the premises was provided within the valuation report. The report indicated that the cost of demolition would be approximately \$310,000, with \$400,000 being allocated within the 2017/18 budget for the

Option 3

That Council by SIMPLE Majority pursuant to Section 3.57 of the *Local Government Act 1995* RESOLVES to NOT PROCEED with the demolition of the Wickham Hospital.

CONCLUSION

The proposed demolition of the disused Hospital Building has been identified previously when the land was purchased for future land development opportunity. Tenders have now been invited and Council is now requested to consider the recommended tenderer assessed by the Evaluation Panel has found best meets the assessment criteria and provides the required level of skill, experience and capacity to perform the demolition works to the expected level, and offers a value for money outcome.

OFFICER'S RECOMMENDATION

That Council by SIMPLE Majority pursuant to Section 3.57 of the *Local Government Act 1995* RESOLVES to:

1. **APPOINT CMA Contracting Pty Ltd ABN 050 192 517 based on the assessment of the compliance criteria, qualitative criteria and pricing structures offered under RFT 16-17/18 Demolition of Wickham Hospital.**
2. **NOTE that the budget will be amended to reflect the tender amount in the March 2018 Budget Review.**

13 STRATEGIC PROJECTS & INFRASTRUCTURE

13.1 REQUEST TO EXTEND WAIVE FEE – YINDJIBARNDI ABORIGINAL CORPORATION

File No:	GS.41
Responsible Executive Officer:	Director Strategic Projects & Infrastructure
Reporting Author:	Waste Services Office Supervisor
Date of Report:	3 January 2018
Applicant/Proponent:	Yindjibarndi Aboriginal Corporation
Disclosure of Interest:	Nil
Attachment(s)	Letter of request to waive Disposal fees from Yindjibarndi Aboriginal Corporation

PURPOSE

To consider a request from the Yindjibarndi Aboriginal Corporation (YAC) with respect to increasing previously approved waive of City fees at the Seven Mile Waste Facility.

BACKGROUND

The YAC along with funding partners; The Federal Department of Infrastructure and the Pilbara Development Commission, are undertaking a redevelopment project of the Victoria Hotel in Roebourne.

In March 2017 YAC requested support for waiving City fees relating to the disposal of redundant building materials at the Seven Mile Waste Facility, for the demolition of the existing hotel. At the April 2017 Ordinary Council Meeting, Council resolved to waive fees to the value of \$62,854.

Delivery of demolition commenced 30 October 2017. Within the first month disposal costs associated with demolition was \$75,943, \$13,088 over the approved waiver amount. The current estimates to redevelop the hotel has now changed this amount.

11 December 2017 the City received a further request, from YAC for the support for the November over spend of \$13,089 including an estimate of the tonnage and further works to be completed as per the attachment. In total YAC is seeking a waiver of a further \$49,795.

LEVEL OF SIGNIFICANCE

In accordance with Council Policy CG-8 Significant Decision Making Policy, this matter is considered to be of moderate significance in terms of economic issues & parties affected issues.

COUNCILLOR/OFFICER CONSULTATION

No Councillor or Officer consultation is required.

COMMUNITY CONSULTATION

No community consultation is required.

STATUTORY IMPLICATIONS

The power to defer, grant discounts, waive or write off debts is required to comply with Section 6.12 of the *Local Government Act 1995*, requiring an absolute majority decision by Council.

All disposal must comply with relevant legislation for controlled waste as set by the Department of Environment Regulation.

POLICY IMPLICATIONS

There are no policy implications.

FINANCIAL IMPLICATIONS

Based on the details provided by YAC plus overspend from November, anticipated disposal costs are as follows:

Description	Tonnes	Cost/Tonne	Total Cost (Exc GST)
Masonry/Concrete	275	\$ 104.55	\$ 28,751.25
Asbestos material	9	\$ 187.27	\$ 1,685.43
Asbestos permits	-	\$ 13.64	\$ 27.28
Timber	5.9	\$ 104.55	\$ 616.85
Roofing Metal	3.8	\$ 104.55	\$ 397.29
General	50	\$ 104.55	\$ 5,227.50
Sub Total	343.7	-	\$ 36,705.60
November Actual's			\$ 13,089.00
TOTAL			\$ 49,794.60

Should Council support the request to waive fees, a budget amendment would be required. It is proposed that this would be undertaken as a component of 2017/18 budget review in March.

If this new request is approved total support for this project would be \$112,649.

STRATEGIC IMPLICATIONS

This item is relevant to the Council's approved Strategic Community Plan 2016-2026 and Corporate Business Plan 2016-2021. In particular, the Operational Plan 2017-2018 provided for this activity

Programs/Services: 3.e.2.2 Heritage Sites Management.

Projects/Actions: 3.e.2.2.1 Document Building Conditions, Restoration and Conservation Works Requirements for Roebourne Heritage Precinct.

RISK MANAGEMENT CONSIDERATIONS

The level of risk is considered to be low to the City in terms of financial implications. YAC's will be expected to comply with the disposal requirements for Asbestos as directed by the City's Waste Services department.

IMPACT ON CAPACITY

There is no impact on capacity or resourcing to carry out the Officer's recommendation.

RELEVANT PRECEDENTS

Council has previously waived fees for disposal of waste at the 7 Mile Waste Facility in support of Community groups. In 2016/17 the following has been approved by Council;

Salvation Army	\$4500
Ngarliyardu Bindirri Aboriginal Corp (including Yirramagardu Crew)	\$5000

Note these amounts were for 'as required' disposals and not for a specific project or timeframe.

VOTING REQUIREMENTS

Absolute Majority.

OPTIONS:

Option 1

As per Officer's recommendation.

Option 2

That Council by ABSOLUTE Majority pursuant to Section 6.12 of the *Local Government Act 1995* RESOLVES to APPROVE to waive fees for the Yindjibarndi Aboriginal Corporation at the capped amount of \$_____, as part of the 2017/2018 budget, for the disposal of redundant building materials as part of the demolition of the Victoria Hotel in Roebourne.

Option 3

That Council by ABSOLUTE Majority pursuant to Section 6.12 of the *Local Government Act 1995* RESOLVES to NOT CONSIDER to APPROVE to waive fees for the Yindjibarndi Aboriginal Corporation for the disposal of redundant building materials as part of the demolition of the Victoria Hotel in Roebourne.

CONCLUSION

YAC along with The Federal Department of Infrastructure and the Pilbara Development Commission are redeveloping the Victoria Hotel located in Roebourne. This is a significant project with an project budget of approximately \$6.5m for Roebourne that is consistent with the City's adopted strategic plan for this township as the project brings renewal to an iconic heritage building in Roebourne whilst providing on the job skills training and development. The City has not contributed funding directly to the project with the exception of the waste disposal fee waiver of \$62,854 to date.

Further assistance has been requested by YAC in respect to increasing the support for the disposal costs for delivering the remaining redundant building materials from the redevelopment of the Victoria Hotel, to the 7 Mile Waste Facility which are beyond the initial calculations. Council is to now consider a further fee waiver of \$49,795 which will increase the City's support for the project to a total value of \$112,649.

OFFICER'S RECOMMENDATION

That Council by ABSOLUTE Majority pursuant to Section 6.12 of the *Local Government Act 1995* RESOLVES to FURTHER WAIVE fees for the Yindjibarndi Aboriginal Corporation to the value of \$49,795 for a total sum of \$112,649 for the disposal of redundant building materials as part of the demolition of the Victoria Hotel in Roebourne.

13.2 POINT SAMSON VIEWING PLATFORM

File No:	CP.965
Responsible Executive Officer:	Director Strategic Project & Infrastructure
Reporting Author:	Manager Infrastructure Services
Date of Report:	3 January 2018
Applicant/Proponent:	Point Samson Community Association
Disclosure of Interest:	Nil
Attachment(s)	Detailed Designs – Point Samson Viewing Platform

PURPOSE

To consider an increase in the budget for the proposed Point Samson Viewing Platform and to proceed to call tenders for the construction of Point Samson Viewing Platform.

BACKGROUND

In June 2017, Council and agreed to progress the Point Samson Viewing Platform project. A key component of the program for this project is working with the Point Samson Community Association (PSCA), noting that they have progressively allocated ACADS funding for this important project.

The original concepts endorsed by Council and used for budget purposes were based on the lookout structures recently constructed at Searipple and Maitland foreshore. The PSCA advised during the engagement process that a more appropriate design would be for viewing platform to imitate the original jetty in that location that. Such a design would reflect the history of the precinct and enhance tourism opportunities. The PSCA presented a previous concept plan designed for the PSCA by others which provided the type of structure preferred by the community.

Based on the information received from the PSCA City Officers drafted a new concept plan and presented this to the PSCA. At the July 2017 Ordinary Council Meeting, Council accepted the new Point Samson Viewing Platform design and on the 27 July 2017 PSCA formally accepted the new concept plan. City Officers undertook the detailed design ensuring PSCA objectives, Australian standard and current building codes were met.

In December 2017, the City received the detailed design drawings and a cost estimate for construction to the value of \$1.2m, a significant increase on the original budget of \$800,000. The increase in cost related to some of the key design criteria set by the PSCA, while also adhering with current Australian Standard and building codes applicable to the cyclonic conditions and with consideration to ongoing maintenance.

Key considerations in the revised jetty style design included:

- Additional centre balustrade, stainless steel support wire and kickboard as overall height of structure is between 1m - 4m;
- Addition of internal handrail on-ramp and stairs as the “diamond” shaped angle of top rail is not compliant with a grab rail;
- Painting of all steel elements to white in keeping with original jetty (Marine grade paint system required);

- Extension in the length of ramp required for universal access; and
- Decking material to mimic old wooden boards whilst still being easy to maintain and durable.

Further, the revised estimated budget of \$1.2m allowed for the construction of a 70m long structure, noting that the Searipple and Maitland structures had a shaded seating and information pod connected to a staircase leading to the foreshore of less than 40m.

Officers are now seeking consideration from Council to proceed to tender with the following scope for construction:

- Approvals, including application for building permit, demolition permit and Permit to work in road reserve;
- Demolition/salvage and removal of existing viewing platform;
- Protection of existing heritage railway carts;
- Earthworks to meet proposed levels;
- Construction of footings and steel sub-structure;
- Construction of a decking/ramp structure;
- Construction of a shade shelter;
- Construction of paved areas; and
- Supply and installation of furniture.

The following evaluation selection criteria and weightings are proposed:

Criteria	Weighting
Price	60%
Relevant Experience	15%
Capacity to Deliver	15%
Methodology	10%

Council Officers have also identified with the PSCA a potential cost saving option through the reduction in the overall length from 70 meters in length to 43 meters (see attached plan). Whilst this is not the preferred option by the PSCA, it is proposed both options will be tendered for further consideration by Council.

LEVEL OF SIGNIFICANCE

In accordance with Council Policy CG-8 Significant Decision Making Policy, this matter is considered to be of low significance in terms of social issues, economic issues, environmental issues, cultural & wellbeing issues and Council’s ability to perform its role.

COUNCILLOR/OFFICER CONSULTATION

In June 2017, Council endorsed initial concept designs for the proposed Point Samson Viewing Platform. At the July 2017 Ordinary Council Meeting, Council accepted the current Point Samson Viewing Platform design.

COMMUNITY CONSULTATION

As per the current Memorandum of Understanding (MOU), Council Officers have attended monthly meetings, held workshops and information sessions with the Point Samson Community Association as well as maintained regular phone and email correspondence during the development of the concept and detailed designs ready for tender.

During this process, City Officers worked with the PSCA to meet their design objectives whilst ensuring all the requirements of the current building codes and Australian standards were met

The detailed designs were presented to the PSCA in a special meeting held on the 07 December 2017 where endorsement of the full design was received.

STATUTORY IMPLICATIONS

The specifications have been prepared in accordance with all regulatory and statutory requirements.

Tenders for construction are proposed to be called in accordance with Section 3.57 of the *Local Government Act 1995*, Part 4, Division 2 —Tenders for providing goods or services of the *Local Government (Functions and General) Regulations 1996*.

At the completion of the tender process, a report will be tabled for Council to consider the appointment of the successful Tenderer and the financial implications associated with the award of the contract.

The Contract would be managed through the provisions of AS 4900-1997 General Conditions of Contract for Construction.

POLICY IMPLICATIONS

Policy CG12 Purchasing Policy - Tender Evaluation Criteria and CG11 – Regional Price Preference is applicable.

FINANCIAL IMPLICATIONS

Council previously agreed to proceed with further detailed designs and tender on the basis that construction estimate was within the allocated budget. As mentioned in this report, additional engineering and the final material selection made for the detail design has now increased this estimate to \$1.2m.

Officers have prepared an option for the PSCA to consider that would reduce the overall length and placement of the Jetty while still maintaining the desired aesthetics (see attachment). The cost estimated for both options is as follows:

	Original Budget	Option 1: Full Scope – 70m	Option 2: Revised Scope – 43m
PSCA Contribution	\$496,250	\$496,250	\$496,250
RITO Contribution	\$285,000	\$285,000	\$285,000
Council Contribution	\$18,750	\$418,750	\$118,750
Total	\$800,000	\$1,200,000	\$900,000

The PSCA agreed with and understood the proposal to tender both options but noted that they were not supportive of Option 2 (revised scope – 43m).

STRATEGIC IMPLICATIONS

This item is relevant with the City’s approved Strategic Community Plan 2016-2026 and Corporate Business Plan 2016-2021. In particular, the Operational Plan 2017-2018 provides for this activity:

- Our Programs/Services: 1.a.2.2 Infrastructure Project Management.
- Our Projects/Actions: 1.a.2.2.1 Construct Pt Samson Foreshore.

RISK MANAGEMENT CONSIDERATIONS

The level of risk to the City is considered to be as follows:

Category	Risk level	Comments
Health	Low	Nil
Financial	Low	There are no current cost implications to proceed with calling tenders, however, Council needs to consider that any future construction may require an increase in budget.
Service Interruption	Low	Nil
Environment	Low	Nil
Reputation	Moderate	Decisions made by Council will impact on the relationship with the Point Samson Community, in particular, the PSCA. The project has further possible positive implications on the City's reputation as a tourist destination.
Compliance	Low	The specifications have been prepared in accordance with all regulatory and statutory requirements. Tenders for construction are proposed to be called in accordance with Section 3.57 of the <i>Local Government Act 1995</i> .

IMPACT ON CAPACITY

There is no impact on capacity or resourcing to carry out the Officer's recommendation.

RELEVANT PRECEDENTS

In July 2017 Council endorsed the concept designs for the Point Samson Viewing Platform. Council has previously tendered for the construction of other foreshore viewing platforms in Dampier, Point Samson and Karratha.

VOTING REQUIREMENTS

Simple Majority.

OPTIONS:

Option 1

As per Officer's recommendation.

Option 2

That Council by SIMPLE Majority pursuant to Section 3.57 of the *Local Government Act 1995* RESOLVES to ADVISE Point Samson Community Association that it is not willing to call tenders for the construction of the Point Samson Viewing Platform at this time as the scope of the project has increased in cost.

Option 3

That Council by SIMPLE Majority pursuant to Section 3.57 of the *Local Government Act 1995* RESOLVES to AGREE to:

1. Call tenders for the Point Samson Viewing Platform as follows:

70m platform length.

- Approvals, including application for building permit, demolition permit and permit to work in road reserve;
- Demolition/salvage and removal of existing viewing platform;
- Protection of existing heritage railway carts;
- Earthworks to meet proposed levels;
- Construction of footings and steel sub-structure;

- Construction of a decking/ramp structure;
- Construction of a shade shelter;
- Construction of paved areas; and
- Supply and installation of furniture.

2. ENDORSE the following selection criteria:

Criteria	Weighting
Price	60%
Relevant Experience	15%
Capacity to Deliver	15%
Methodology	10%

3. NOTE the revised estimate for the Point Samson Viewing Platform Project Option 1, is estimated at \$1.2m.
4. CONSIDER any potential budget amendment that may be required for this project in a further report to Council on the outcome of the tender process.

CONCLUSION

Council has previously resolved to introduce the Pt Samson Viewing Platform as a priority foreshore works project and requested the Chief Executive Officer to progress formal agreements with the Point Samson Community Association regarding funding and delivery of the viewing platform project. Support for the project is further reinforced through the contributions of the community and local business.

However, as an increase in the budget is likely to be required for construction, Council is requested to consider the scope of works, along with the tender evaluation selection criteria, in order to progress the calling of tenders.

OFFICER’S RECOMMENDATION

That Council by SIMPLE Majority pursuant to Section 3.57 of the *Local Government Act 1995* RESOLVES to:

1. AGREE to call tenders for the Point Samson Viewing Platform with the following options and scope:

Option 1 – 70m length.

- Approvals, including application for building permit, demolition permit and permit to work in road reserve;
- Demolition/salvage and removal of existing viewing platform;
- Protection of existing heritage railway carts;
- Earthworks to meet proposed levels;
- Construction of footings and steel sub-structure;
- Construction of a decking/ramp structure;
- Construction of a shade shelter;
- Construction of paved areas; and
- Supply and installation of furniture.

Option 2 - 43m length.

- Approvals, including application for building permit, demolition permit and permit to work in road reserve;
- Demolition/salvage and removal of existing viewing platform;
- Protection of existing heritage railway carts;
- Earthworks to meet proposed levels;
- Construction of footings and steel sub-structure;
- Construction of a decking/ramp structure;
- Construction of a shade shelter;
- Construction of paved areas; and
- Supply and installation of furniture.

2. ENDORSE the following selection criteria:

Criteria	Weighting
Price	60%
Relevant Experience	15%
Capacity to Deliver	15%
Methodology	10%

3. NOTE the revised estimate for the Point Samson Viewing Platform Project Option 1, is estimated at \$1.2m for a 70m platform and \$900,000 for Option 2 with a 43m platform
4. CONSIDER any potential budget amendment that may be required for this project in a further report to Council on the outcome of the tender process.

13.3 REQUEST FOR TENDER – MOOLIGUNN ROAD RECONSTRUCTION

File No: CP.968
Responsible Executive Officer: Director Strategic Projects & Infrastructure
Reporting Author: Manager Infrastructure Services
Date of Report: 3 January 2018
Applicant/Proponent: Nil
Disclosure of Interest: Nil
Attachment(s) Mooligunn Road Project Location

PURPOSE

Council to consider the scope of works for the reconstruction of Mooligunn Road and to approve the calling of tenders.

BACKGROUND

Mooligunn Road is showing signs of stress and deterioration which require substantial upgrades to ensure the road surface and structure can accommodate the current and future volume and type of traffic. Mooligunn Road is listed for reconstruction in the 2017/18, 2018/19 and 2019/20 RRG program and as such the City of Karratha will receive Regional Road Group (RRG) funding for this project. RRG funding provides 2/3 of the cost with Council responsible for providing the remaining 1/3.

Following the RRG 17/18FY funding being confirmed, Officers have undertaken a full feature survey and geotechnical investigation on Mooligunn Road. Detailed designs and specifications are currently being finalised by Consultants. The design has identified areas for road widening, realignment, culverts replacements, services relocations and a full reconstruction of the road pavement.

The project is intended to commence at the intersection of Dewitt and Mooligunn Road and progress over three stages to complete the full length of Mooligunn Road (see attached) in line with the anticipated funding and current RRG program.

Stage	Year	Road	RRG Funding	Council Funding	Total	Status
1	2017/18	Mooligunn Road	\$501,316	\$642,571	\$1,143,887	Confirmed (Funding is not 2/3 x 1/3 split for 17/18 as RRG funding was used to complete Coolawanyah Rd reconstruction.
2	2018/19	Mooligunn Road	\$913,621	\$456,811	\$1,370,432	Anticipated
3	2019/20	Mooligunn Road	\$913,621	\$456,811	\$1,370,432	Anticipated

It is recommended that all three stages of works be tendered in February 2017 with each stage being tendered as separable portions.

If Council was to approve this proposal, it is anticipated that works for Stage 1 will begin onsite in April 2018.

LEVEL OF SIGNIFICANCE

In accordance with Council Policy CE-8 Significant Decision Making Policy, this matter is considered to be of significance in terms of economic issues as the budget is estimated at 5% or more of the total rates of the City as shown in the Strategic Community Plan 2016 – 2026.

COUNCILLOR/OFFICER CONSULTATION

No Councillor/Officer consultation is required

COMMUNITY CONSULTATION

Localised landowners and business leaseholders are yet to be consulted, however will be communicated with after the design component is complete and regularly communicated with throughout the construction stages.

STATUTORY IMPLICATIONS

Tenders for the works are proposed to be called in accordance with Section 3.57 of the *Local Government Act 1995*.

The Contract would be managed through the provisions of AS 4000—1997 General Conditions of Contract.

POLICY IMPLICATIONS

Policy CG-12 – Purchasing Policy is applicable.

It is recommended that the following selection criteria for the tender section process to determine the best value for money submission:

Criteria	Weighting
Price	60%
Relevant Experience	10%
Methodology	15%
Capacity to Deliver	15%

Policy CG-11 Regional Price Preference Policy will be applied during the evaluation/consideration of any tender submissions.

FINANCIAL IMPLICATIONS

The available 2017/18 budget is \$1,143,887 of which \$501,316 has been provided by RRG and \$642,571 has been committed by Council Confirmed (Funding for this financial year is not 2/3 x 1/3 split as RRG funding was used to complete Coolawanyah Rd reconstruction).

The current cost estimate for the reconstruction of the full length of Mooligunn Road (all three stages) is \$3.8m ex GST.

STRATEGIC IMPLICATIONS

There are no strategic implications.

RISK MANAGEMENT CONSIDERATIONS

The level of risk to the City is considered to be as follows:

Category	Risk level	Comments
Health	Moderate	Reconstruction works will ensure that the road condition and alignment is brought up to current standards. If works do not proceed the safety of road users, especially as use increases into the future, will be compromised.
Financial	Moderate	If reconstruction works do not proceed, maintenance costs are guaranteed to increase due to failing sealed road surfaces and poor road geometry. The amount of funding available in 2018/19 and 2019/2020 is yet to be confirmed by Regional Road Group. There is a small risk that Council will be required to increase its contribution if funding levels are reduced.
Service Interruption	Moderate	Reconstruction works will create minor interruptions to local businesses. Traffic management plans will be in place to minimise this. If reconstruction works do not proceed this could cause significant service interruption to local businesses should the current road fail. This is no disruption to Council operation to undertake Officers recommendation.
Environment	Low	Environmental impacts, including noise and dust, will be monitored and management plans in place during the construction period. Impact/capacity of the drainage system has been considered throughout the design process.
Reputation	Moderate	The safety, functionality, and condition of roads is a main responsibility of Council.
Compliance	Low	Tenderers will be called in line with current legislation and internal policy. Designs have been undertaken by qualified civil engineers to ensure compliance with current standards.

IMPACT ON CAPACITY

Should Council endorse the Officers recommendation, Officers will be required to manage the tender and construction process in association with internal stakeholders. This has been factored into the work plans of relevant officers.

RELEVANT PRECEDENTS

26 June 2017 - Information Item 14.12 Regional Road Group 5 Year Road Program.

VOTING REQUIREMENTS

Simple Majority.

OPTIONS:

Option 1

As per Officer’s recommendation.

Option 2

That Council by SIMPLE Majority pursuant to Section 3.57 of the *Local Government Act 1995* RESOLVES to NOT ENDORSE the calling of Tenders for Mooligunn Road Reconstruction.

Option 3

That Council by SIMPLE Majority pursuant to Section 3.57 of the *Local Government Act 1995* RESOLVES to AGREE call tenders for the reconstruction of Mooligunn with the following amendments:

CONCLUSION

Roads make up approximately 2/3 of Council’s total Infrastructure Assets portfolio and therefore it is critical that these assets are maintained. The reconstruction of Mooligunn Road will ensure the extension of the life of the asset and reduce the maintenance expenditure on this road significantly over the next 20 years, whilst providing safer access to road users of the Light Industrial Area.

The Mooligunn Road reconstruction is listed on the Main Roads Western Australia Regional Road Group program for funding over the next three financial years on a 2/3 x 1/3 split. At completion of Mooligunn Road reconstruction both major access roads to the Karratha LIA will have been upgraded to current road construction standards applicable to current and future traffic volume, safety and type.

OFFICER’S RECOMMENDATION

That Council by SIMPLE Majority pursuant to Section 3.57 of the *Local Government Act 1995* RESOLVES to:

1. **AGREE to call tenders for the reconstruction of Mooligunn Road as a three stage, separable portion contract, noting that implementation of stages 2 and 3 are contingent on receiving further Regional Road Group funding and budget allocation from Council.**
2. **ENDORSE the tender selection weighted criteria as follows:**

Criteria	Weighting
Price	60%
Relevant Experience	10%
Methodology	15%
Capacity to Deliver	15%

13.4 PILBARA REGIONAL COUNCIL – REGIONAL GREEN WASTE PROCESSING CONTRACT

File No:	WM.2
Responsible Executive Officer:	Director Strategic Projects & Infrastructure
Reporting Author:	City Services Manager
Date of Report:	13 January 2018
Applicant/Proponent:	Nil
Disclosure of Interest:	Nil
Attachment(s)	Nil

PURPOSE

To consider the Pilbara Regional Council's (PRC) recommendation to award the contract for Regional Green Waste Processing.

BACKGROUND

In December 2015, Council supported the Pilbara Regional Council Tender process for a regional Green Waste Mulching Contract. The existing regional green waste contract expired in October 2017, with all PRC Member Councils agreeing not to extend the existing contract.

In October 2017, the PRC issued a Request for Tender (RFT) to the market with respect to a regional green waste processing.

The general requirements of the Tender were as follows:

- Stockpiled green waste is to be processed by the Contractor on-site at the various Waste Management Facilities (WMF);
- Large items not able to be mulched are to be set aside and disposed of to landfill;
- Finished product to be stockpiled into windrows of uniform width and height;
- Final mulched product to be fit for purpose for use by Parks Departments of the various Member LGAs and potentially for distribution to the general public; and
- Contractor to visit each WMF and mulch all stockpiled green waste quarterly at a minimum.

The benefits of providing such a service include:

- A product suitable for use by the general public and in Council parks and gardens;
- Reducing waste to landfill in accordance with the WA Waste Strategy;
- Produce a suitable product capable of being used for composting;
- Reducing landfill emissions and leachate production; and
- Promoting sustainability within the community.

Four (4) submissions were received from:

- Broome Tree and Palms;
- Great Lakes – Resource Recovery Australia;
- Norwest Contracting; and
- Spartel Pty.

Submissions were evaluated by a panel comprising of officers from PRC Member Councils and a PRC representative with a view to award to a suitable proponent and engage in further contract negotiations.

Norwest contracting was assessed as the preferred tenderer and after consultation with all PRC Member Councils, PRC commenced contract negotiations,

PRC has completed its contract negotiations with the preferred tenderer and has proposed that the PRC enter into a contract with the preferred respondent on behalf of the four Member Councils. PRC will perform the central contract management functions, including management of service levels in consultation with the various Waste Management Facility representatives.

In addition to Green waste processing, the contractor will be capable of processing a range of other problematic waste streams. Waste services will require processing/ shredding services for its High-density polyethylene (HDPE) and Poly Pipe stockpiles this calendar year.

The term of the contract will be re-negotiated annually, conditional on securing the formal financial commitment from member local governments, and the activity being conducted on a cost recovery basis. Renewal and renegotiation will be subject to evidence of high-quality works, satisfactory contract performance by the Contractor, and acceptance of renewal by the Contractor.

LEVEL OF SIGNIFICANCE

In accordance with Council Policy CG-8 Significant Decision Making, this matter is considered to be of low significance in terms of Council’s ability to perform its role.

COUNCILLOR/OFFICER CONSULTATION

Consultation has taken place between the PRC Steering Committee comprising officers from all Member Councils, Director Strategic Projects & Infrastructure, and the Manager City Services.

COMMUNITY CONSULTATION

No community consultation is required at this time.

STATUTORY IMPLICATIONS

The Pilbara Regional Council is a Statutory Local Government Authority and the proposed RFT will be in accordance with Section 3.57 of the *Local Government Act 1995* and Regulation 11 of the *Local Government (Functions and General) Regulations 1996*.

POLICY IMPLICATIONS

The tender has been managed in accordance with the PRC policy PO-012 Purchasing and Council Policy CG 12 – Purchasing.

FINANCIAL IMPLICATIONS

The preferred respondent has provided the cost of \$7.50 per cubic metre (exclusive of GST) as a flat rate across all four Member Councils, including the below conditions:

The table below gives an indicative annual price based on processing the City’s green waste to a 50mm – 80mm grade.

Estimated m ³ Per 17/18	Estimated m ³ (processed)	Total Cost at 50 or 80mm (ex GST)
9,000	18,000m ³	\$67,500

Council has allocated \$87,000 in the 2017/18 budget for green waste processing.

In addition to Green waste processing, cost per waste stream listed in the table below;

Type	Flat \$ rate per UPV m3 (ex. GST)
Plastic Bags (Domestic)	\$3.75
Poly Pipes	\$13.60
Pallets	\$7.50
Mattresses	\$2.50
Tyres	\$13.00

STRATEGIC IMPLICATIONS

There are no strategic implications.

RISK MANAGEMENT CONSIDERATIONS

The level of risk is considered to be low to the City in terms of financial issues.

IMPACT ON CAPACITY

There is no impact on capacity or resourcing to carry out the Officer's recommendation.

RELEVANT PRECEDENTS

On the 11 December, 2015 Council previously endorsed the PRC to call and manage the Regional Green Waste Processing Tender.

VOTING REQUIREMENTS

Simple Majority.

OPTIONS:

Option 1

As per Officer's recommendation.

Option 2

That Council by SIMPLE Majority pursuant to Section 3.18 of the *Local Government Act 1995* RESOLVES to NOT PARTICIPATE in the Pilbara Regional Council Tender process for a Regional Green Waste Processing contract.

CONCLUSION

Following a Public Tender for Regional Green Waste Processing, the Pilbara Regional Council has negotiated a contract with the preferred tenderer. This report seeks Council's endorsement for the Pilbara Regional Council to enter into a contract with the preferred tenderer on behalf of its Member Councils.

OFFICER'S RECOMMENDATION

That Council by SIMPLE Majority pursuant to Section 3.18 of the *Local Government Act 1995* ENDORSES the Pilbara Regional Council entering into a contract with Norwest Contracting for the Regional Green Waste Processing Contract.

14.4 PLANNING STATISTICS-DECEMBER 2017

File No:	TA/1/1
Responsible Executive Officer:	Director Development Services
Reporting Author:	Manager Planning Services
Date of Report:	21 December 2017
Disclosure of Interest:	Nil
Attachment(s)	Nil

PURPOSE

To advise Council of planning decisions issued and other Planning Service actions for the specified period.

This report covers the period 24/11/17 to 20/12/17 (inclusive).

Planning Services processed 35% more jobs in 2017 than in 2016. The main contributing factors were:

- R Codes: 81% increase
- Lands Matters: 42% increase
- Compliance: 138% increase

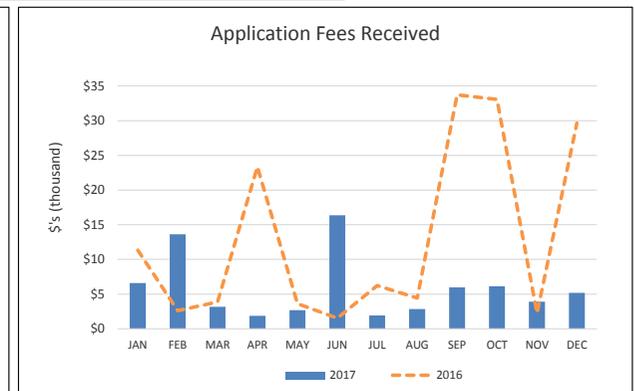

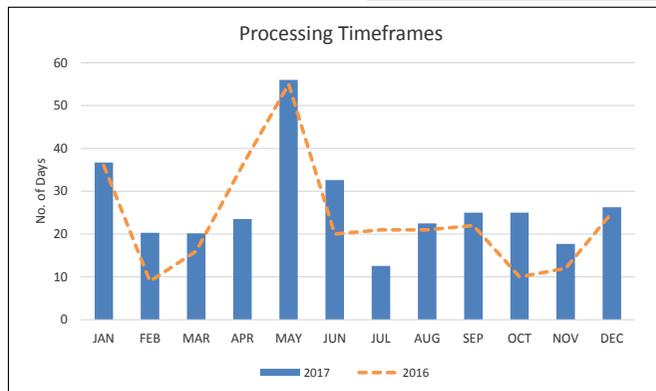

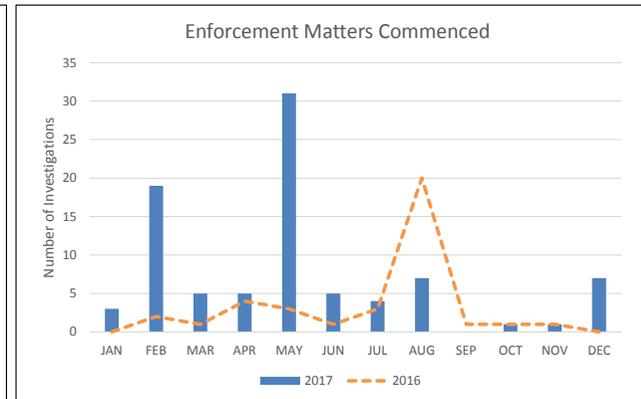

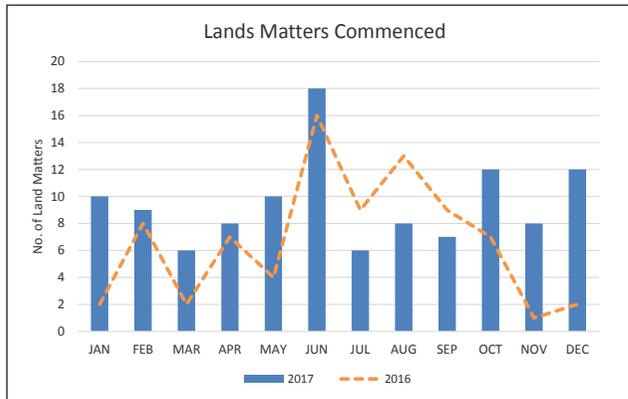

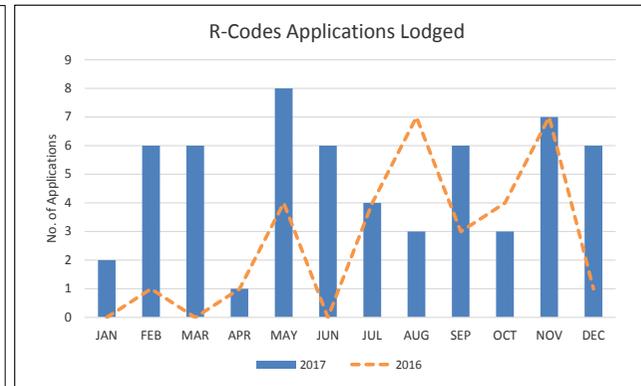

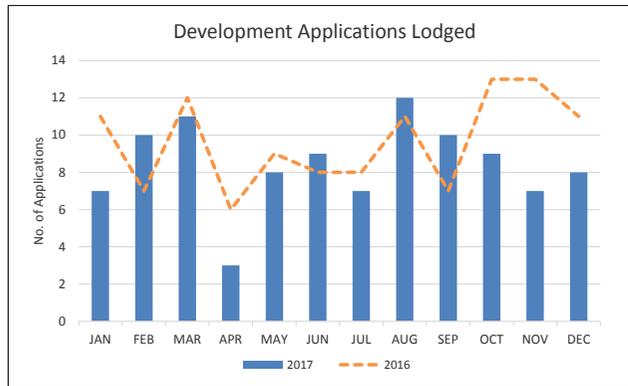

The increase in R Codes applications is likely a reflection of increased home ownership in the local residential property market.

LANDS MATTERS FINALISED			
REF	DESCRIPTION	LOCATION	CITY'S RESPONSE
LM17026	Proposed Easements Over Water Corporation Wastewater Main	Crown Reserves 32235, 30602 and 51891	No objection to grant of easements over existing sewer mains in the Karratha Townsite provided the terms of the easements do not prevent the City from continuing to use, maintain, install infrastructure like footbridges and paths over the buried sewers.
LM17046	Notification of Mining Application for Miscellaneous Licence 47/792	Situated on Portion of Karratha Townsite	City's objection to this Miscellaneous Licence withdrawn following receipt of further information and then further review.
LM17086	Proposed New Lease Pursuant To Section 79 <i>Land Administration Act 1997</i>	Lot 3799 On Deposited Plan 185178 (the Bay Village Site).	Council resolution (18 Sep 2017 OCM) to forward correspondence to the Premier, Minister for Planning Lands and Heritage and Minister for Regional Development advising the City strongly objects to the proposed new lease.
LM17089	Referral from DPLH – Comments Requested - Application for Miscellaneous Licence 47/792 by Robe River Mining Co Pty Ltd and Others	Situated on Portion of Karratha Townsite	Following review of further information and relevant matters, objections lodged with the Mining Warden for this Miscellaneous Licence were withdrawn by the City.
LM17090	Referral from DPLH – Comments Requested - Application for Miscellaneous Licence 47/793 by Robe River Mining Co Pty Ltd and Others	Situated on Portion of Karratha Townsite	Following review of further information and relevant matters, the objection lodged with the Mining Warden for this Miscellaneous licence has been withdrawn by the City.
LM17104	Proposed section 91 licence Station - Proposed Use of Existing Water Infrastructure	Over Portion Lot 1501 on DP 74341 MARDIE	The City has no objection to the DPLH granting a Section 91 licence to allow the operator of the DBNGP (gas pipeline) to access/use water from a bore located within Mardie station and recommends the pastoral lease holder be consulted.
LM17106	Proposed Grant Of A Section 91 Licence Under The Land Administration Act 1977 (WA) Over Site 2 Of The Burrup Strategic Industrial Area - Comments Or Objections Requested	Site E of the Burrup Strategic Industrial Area	No objection to the Dept of Planning, Lands and Heritage granting a Section 91 Licence over Site E of the Burrup Strategic Industrial Area to LandCorp to undertake due diligence site investigations in relation to potential development of the land.

Disclosure of Interest:	Nil
Attachment(s)	Karratha Visitors Centre Quarterly Report

PURPOSE

To inform Council of economic development activities in the month of December 2017.

BACKGROUND

Council's Strategic Community Plan 2016 - 2026 aims to attract diverse and sustainable business and employment opportunities.

CURRENT ACTIVITIES**Native Yindjibarndi Plants Shared Value Project (Wanggalili Project)**

The Project aims to create a commercially sustainable agriculture and manufacturing business by propagating local plants from seeds collected on Yindjibarndi country. The plants will then be harvested and manufactured into products for commercial sale. A Memorandum of Understanding has been prepared with the following parties:

- BBI Group Pty Ltd
- Juluwarlu Aboriginal Corporation
- Pilbara Development Commission
- Abundance Produce Australia
- Woollahra Group
- Yurra Pty Ltd
- Sahara Forest Project
- City of Karratha

The first stage of the project is to undertake a feasibility study and prepare a business case to progress the establishment of a trial for growing native plants in a controlled environment.

Island Camping

After a number of meetings and correspondence between City Officers and Parks & Wildlife Services to progress a camping ground on East Lewis Island it has been confirmed that Murujuga Aboriginal Corporation has been engaged by Parks & Wildlife Services to undertake heritage surveys of the proposed site ahead of the EOI. The City has also advised that it is not intending on submitting an EOI as it would not be appropriate for a Local Government Authority to compete with the market. However, the City would welcome the

opportunity to work with the Department to establish the campground if no suitable submissions are received.

Business Breakfast

A business breakfast was held on Tuesday 12 December and was attended by approximately 110 members of the Karratha business community. Chris Adams hosted the event with presentations from Mayor Peter Long, Rob Humphryson, CEO Novo Resources, and John Lally, CEO KDCCI. Updates were provided on projects underway at the City and upcoming projects and tenders. Rob Humphryson provided an update on the gold plays currently in the Pilbara. 96% of attendees rated the event 'Excellent' or 'Very good'.

Tourism Signage – Peawah Rest Stop and C of K / ToPH Border Sign

The Welcome to the City of Karratha sign has been installed at the Hedland / Karratha border. A new information panel has been installed at the Peawah rest stop.

Sahara Forest Project

City Officers continue to work with Sahara Forest Project and the Pilbara Development Commission through the project milestones. In December, an invoice for \$45,000 was paid to SFP for achieving project milestones as per the Funding Agreement. The funds are being used by SFP to engage consultants to progress the feasibility study.

Pilbara Rock Oyster Research & Development

A video communicating an update of the Project and general information to locals was released. The City's Marketing Team assisted with the development of the video.

Roebourne Gaol Heritage Precinct

City Officers researched options for initial urgent works that are required at the Heritage Precinct to ensure the site is safe and preserved pending a decision from the Department of Planning, Lands & Heritage. City Officers have proactively followed up with the Department regarding the City's request to transfer ownership of the precinct and have been advised that site investigations have taken place and a response is expected in January 2018.

Cossack

City Officers continue to work through State Planning, Lands & Heritage processes in consultation with Cossack landowners in an effort to clear the way for future tourism development and activation of Cossack.

New Roebourne Information Pullover Bay

City Officers have progressed the design for the Roebourne information bay and are currently in discussions with Ngarluma Aboriginal Corporation on the use of language.

Take Your Business Online Grant Scheme Update

A promotional video was released on social media which included 5 local business sharing how they have used the grant. Officers have engaged with all recipients of the grant and have granted extensions to 8 out of 14 businesses. The remaining 6 businesses are on track to complete their projects in January 2018.

Homemaker Centre

City Officers met with Landcorp to discuss progress with the marketing of the Homemaker Centre. A letter has been drafted to send to Large Format Retailers regarding a site visit to Karratha following the LFR Forum being held in Sydney on 15 February.

Visitor Centre

The Roebourne Visitor Centre was closed throughout December. A brochure stand is available at the Ieramugadu Café and a brochure stand and a kiosk with booking capabilities is available at Cossack ensuring that visitor information is still available.

Karijini Experience

City Officers have been in contact with the Karijini Experience event organisers to formalise the sponsorship agreement. Work has commenced to coordinate events and promotion of Karratha off the back of the Karijini Experience.

1.2 YOUTH SERVICES

Please note figures only reflect up to and including 22 December, as Youth Services for 11-18 year olds cease between 23 December and 14 January. High schools finished on either 8 or 15 December for the year.

a) Youth Shed

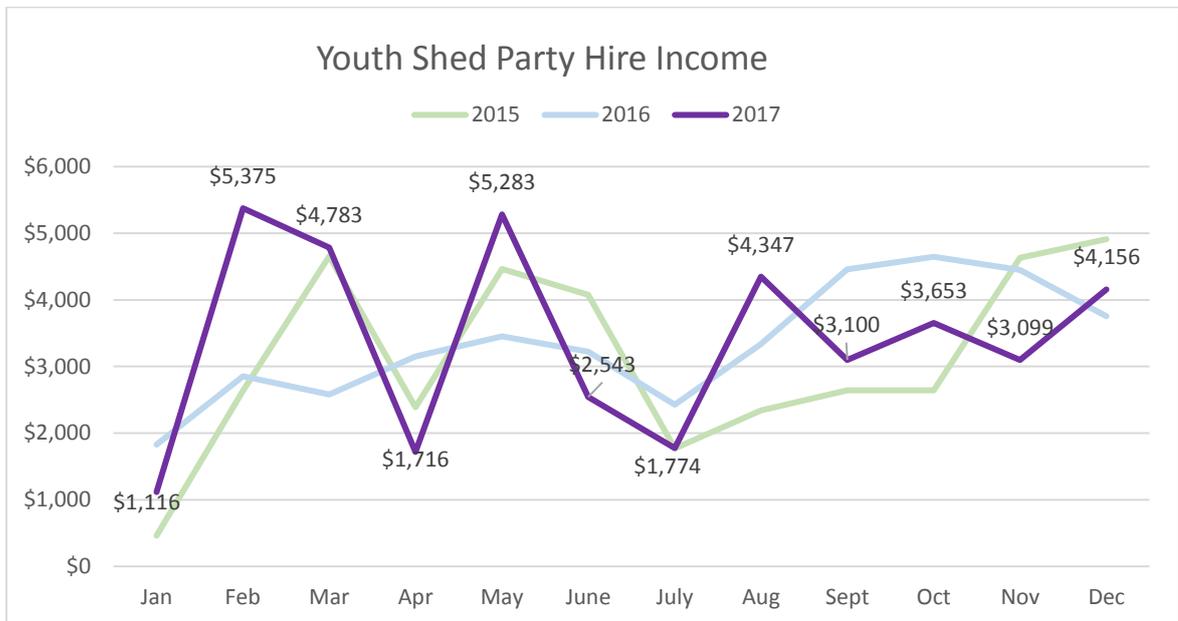

Attendance figures at The Youth Shed have decreased due to many youth being away once school finished and around the Christmas period. Also further decline due to hot weather, and not making an effort to come to day time programming.

2. LIBRARY & CHILDRENS SERVICES

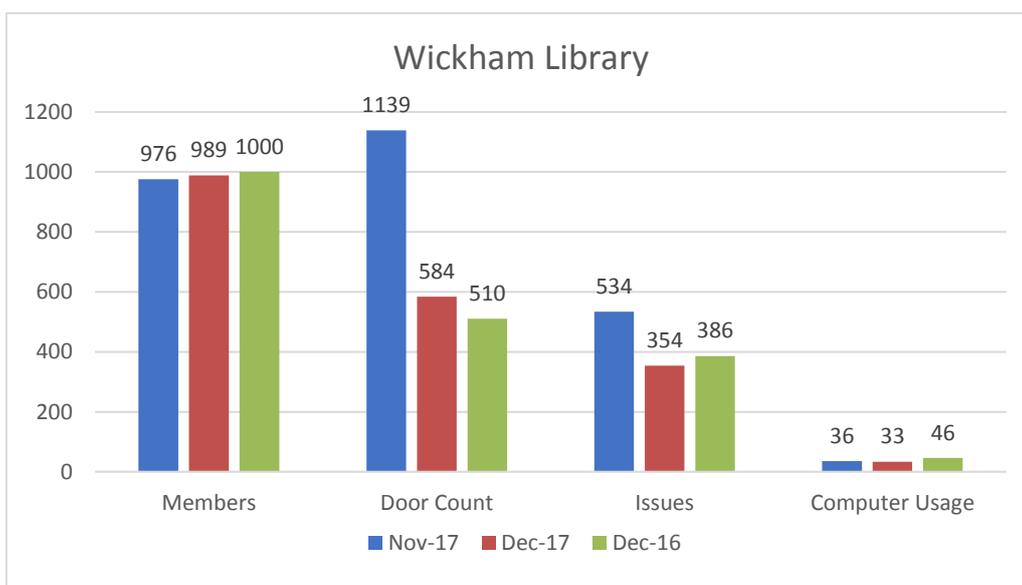

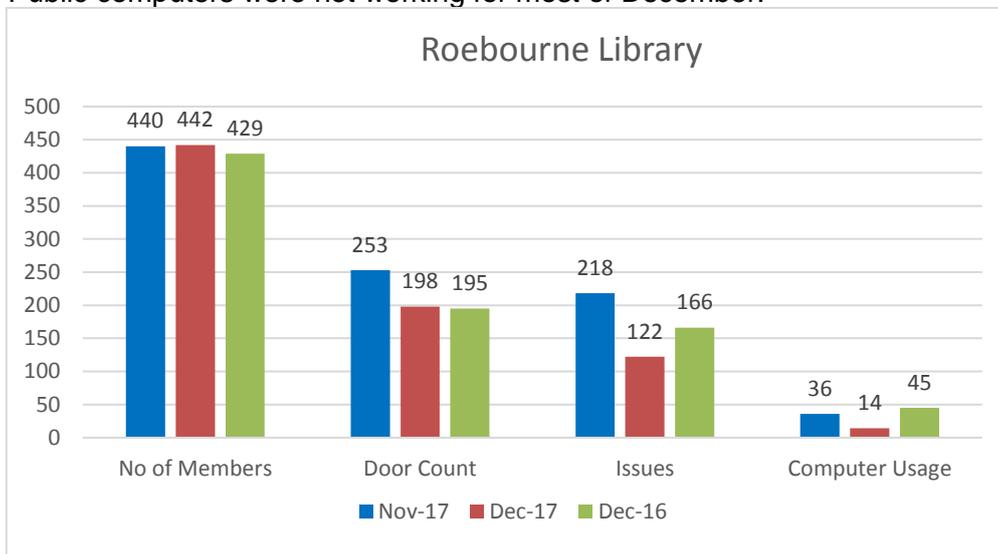

All library figures have declined for the month of December due to Christmas Closure. Figures fairly consistent with this time last year

Computer usage figures down due to availability of Wi-Fi and using own device

Public computers were not working for most of December.

From November 2017 to December 2017 – a total of 123 new members have joined the libraries. At the end of October 2017, libraries underwent a purge of its memberships (the purge is done every two years). Some anecdotal feedback received from new members has been that they are either new to town and/or they were not aware of the library services and they have now decided to sign-up.

Note that the C of K 2016 census population figure is 21,473 of which only 8,591 (40%) of the population are library members. We are now targeting the 60% of non-members.

Date of Report:	3 January 2018
Disclosure of Interest:	Nil
Attachment(s)	1. Final Event Report FeNaCING Festival 2017 2. Final Event Report Roebourne Races 2017

PURPOSE

To inform Council of key outcomes from Lions Club of Karratha Dampier FeNaCING Festival 2017 and Nor West Jockey Club Roebourne Races 2017.

BACKGROUND

Lions Club of Karratha Dampier (FeNaCING) and the Nor West Jockey Club (Roebourne Races) receive annual sponsorship funding of \$60,000 (cash) and \$18,000 (cash) respectively plus in-kind support. Both contributions are considered as part of budget adoption in June each year.

Lions Club of Karratha Dampier and City of Karratha have a Memorandum of Understanding from 2013 – 2017 for the abovementioned support.

Lions Club of Karratha Dampier intend to submit a request for a new Memorandum of Understanding for ongoing sponsorship.

Both events were delivered between June and August 2017 with detailed information included within the attachments. Please note the outstanding amounts due to the Nor West Jockey Club have been remitted.

Nor West Jockey Club's request re future camping at the grounds has been referred to Regulatory Services.

CONCLUSION

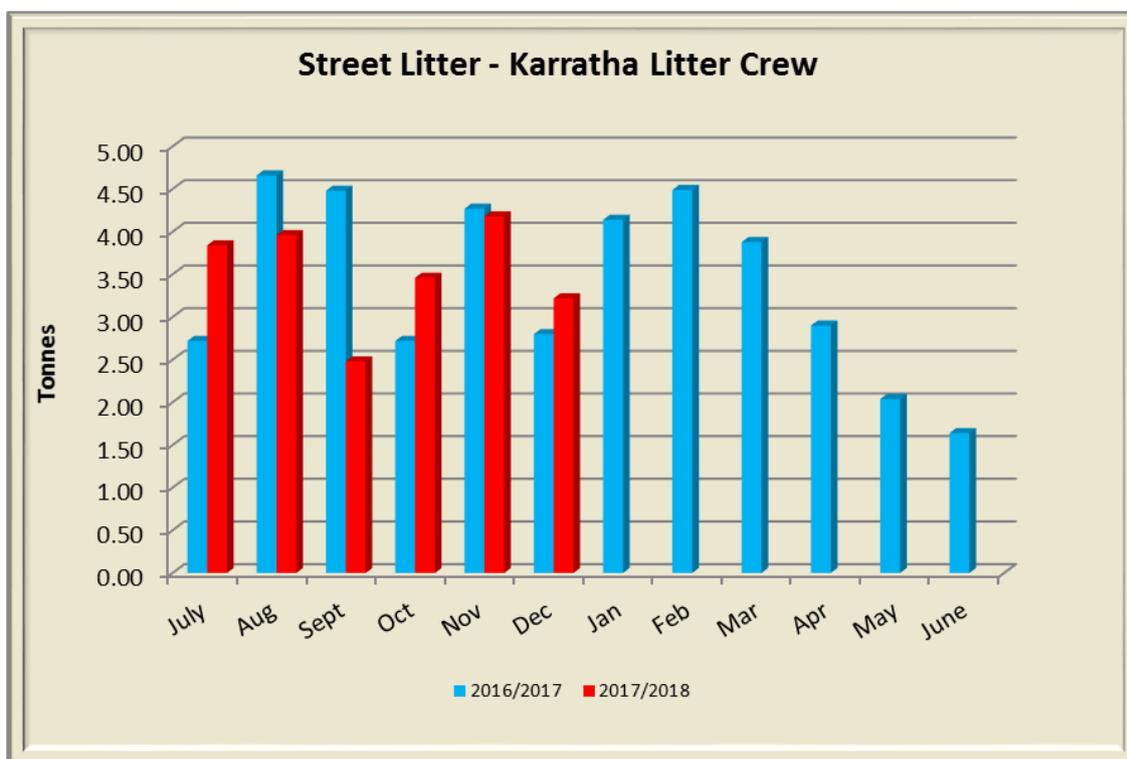

Lions Club of Karratha Dampier FeNaCING Festival 2017 and Nor West Jockey Club Roebourne Races 2017 have provided sufficient event acquittals.

14.10 WASTE SERVICES DATA

File No: WM.2
Responsible Executive Officer: Director Strategic Projects & Infrastructure
Reporting Author: Waste Services Officer Supervisor
Date of Report: 3 January 2018
Disclosure of Interest: Nil
Attachment(s) Nil

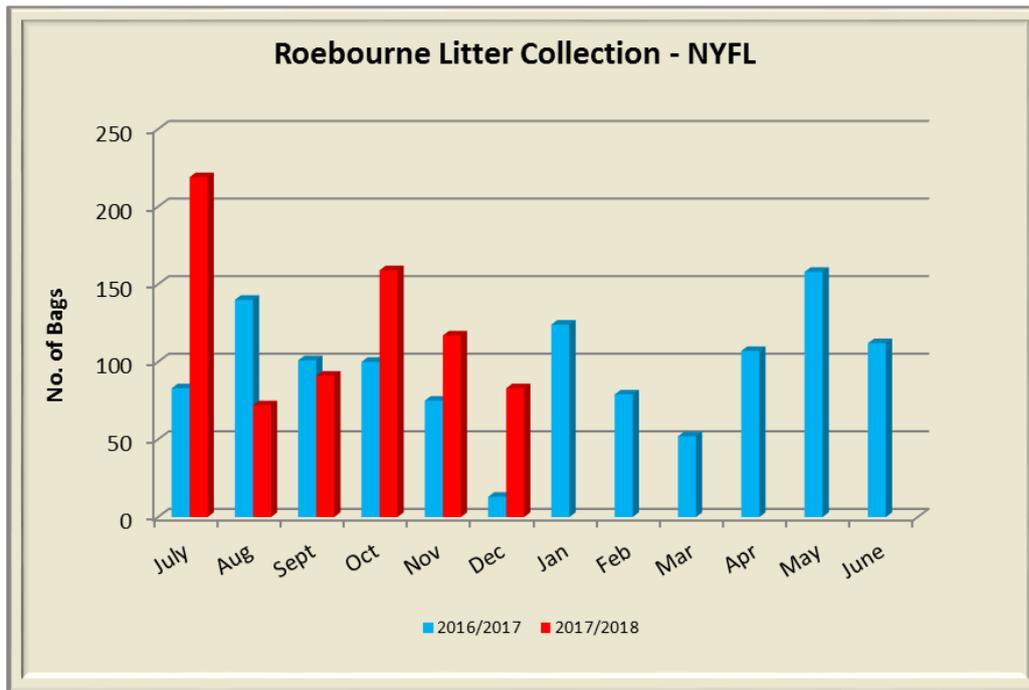

PURPOSE

To provide an update for the Waste Services Department and illustration of Waste Services data collected for the 2017/18 year with comparisons against previous year.

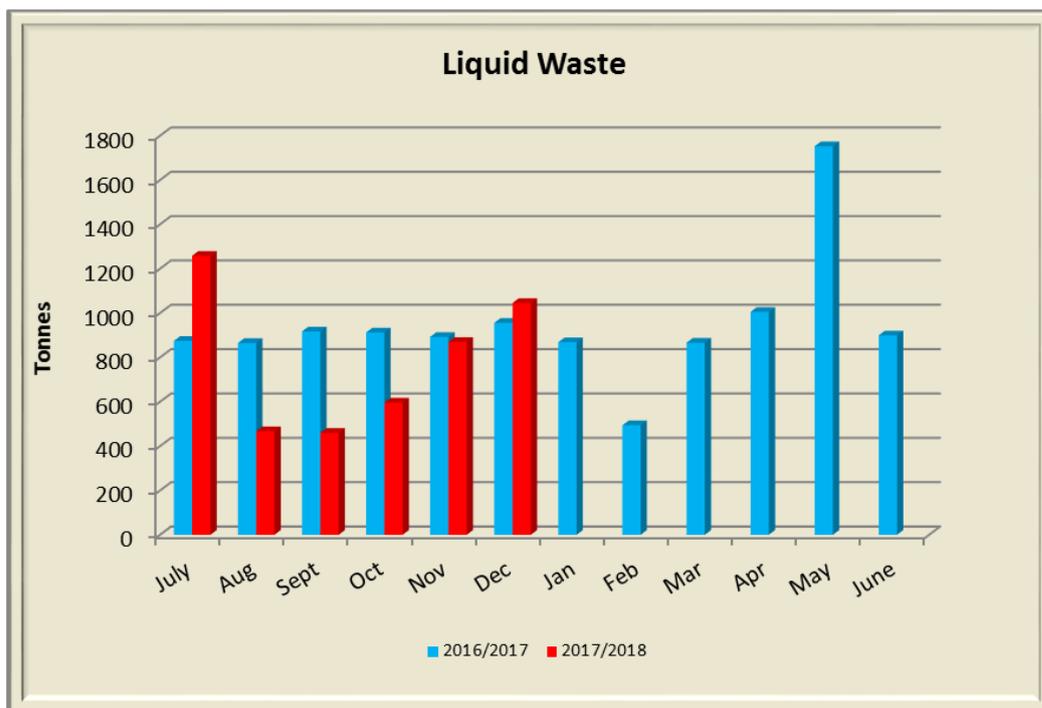

Street litter collected and delivered to the 7 Mile Waste Facility.

Yaburara & Coastal Mardudhunera Aboriginal Corporation (YACMAC) commenced providing litter collection staff 3 July 2017.

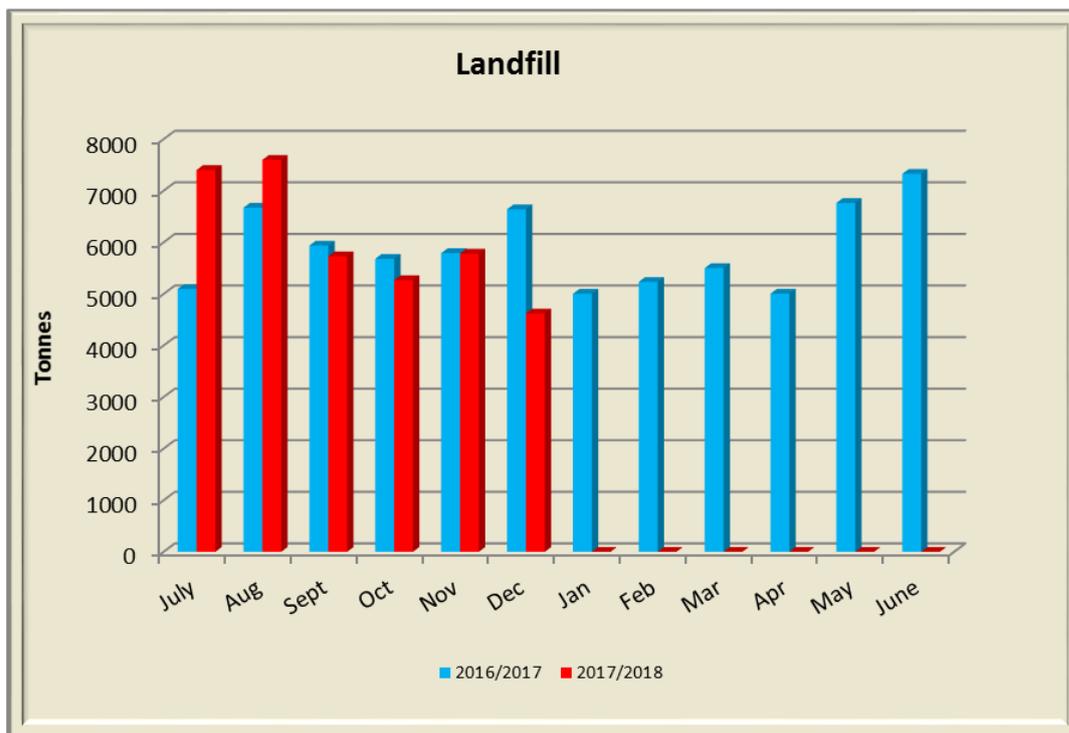

Number of litter bags collected by Ngarluma Yindjibarndi Foundation Ltd (NYFL) in Roebourne and delivered to the Wickham Transfer Station. Increase due to the Mount Welcome skip being removed early October 2017. Additional monitoring of this area by NYFL have resulted in the collection of more litter.

Liquid Waste delivered to the 7 Mile Waste Facility.

7 Mile DER Licence amendment (22/05/2017) included a change to the liquid waste category acceptance criteria. The additional category (D300 and N205) has allowed the facility to accept different liquid waste streams. The significant down turn August to October was due to the delivery of less D300 waste plus a drop in the usual commercial quantities.

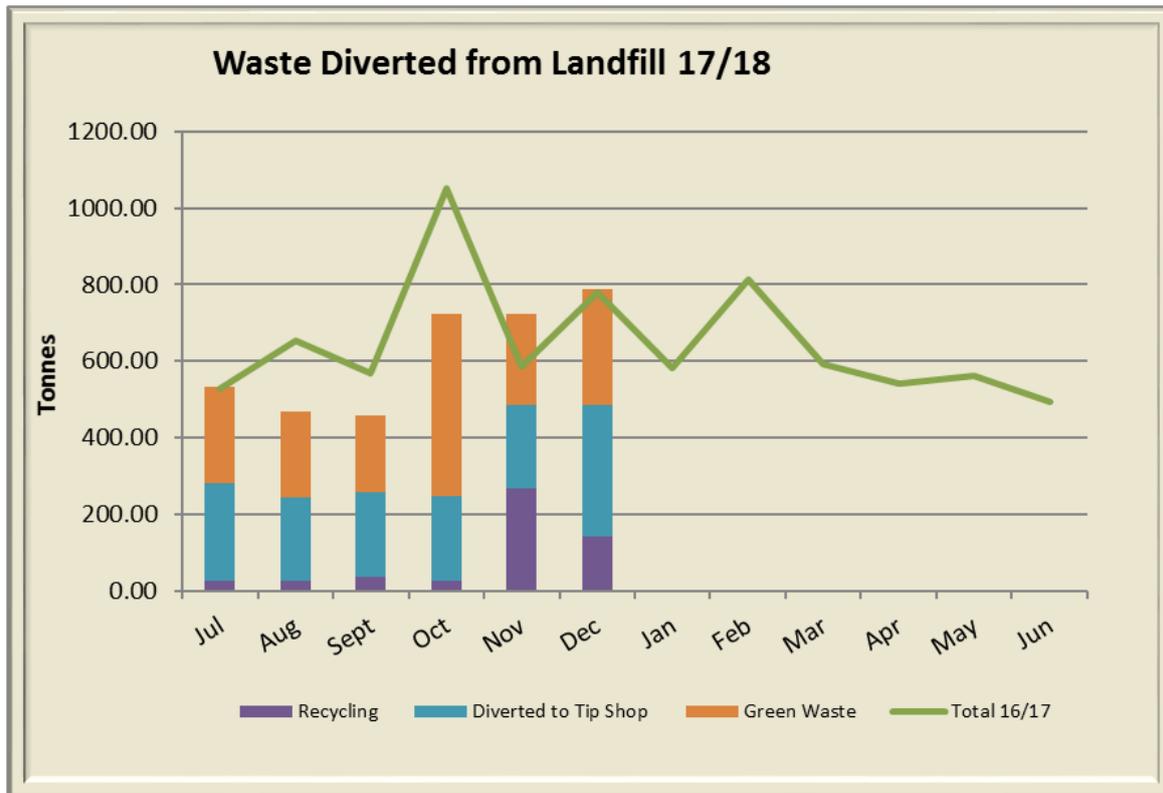

Total waste, excluding liquid and clean fill delivered to the 7 Mile Waste Facility.

The delivery of demolition waste from the dismantling of the Barrow Island’s camp ceased early September resulting in the decreased volumes. C&I from Rio Tinto sites (Cyclone Preparedness) saw the tonnages increase in November. The drop in December is mainly due to approximately 12000t less of Construction and Demolition waste being brought to site.

7 Mile Waste Facility Tip Shop Income.

Significant increase in November was due to staff resource recovery efforts from Cyclone Clean-up operations and the sale of old brick pavers from Roebourne pool refurbishments. December had five full trading weekends instead of the normal four.

7 Mile Waste Facility and Wickham Transfer Station waste diverted from landfill. Includes recycling of metal, glass, paper, plastics, non-compactible plastics, green waste and re-usable items recovered for the 7 Mile Tip Shop.

The spike in processed green waste in October was due to an agreement to have the product from the City’s Ovals mowing contract brought to 7 Mile.

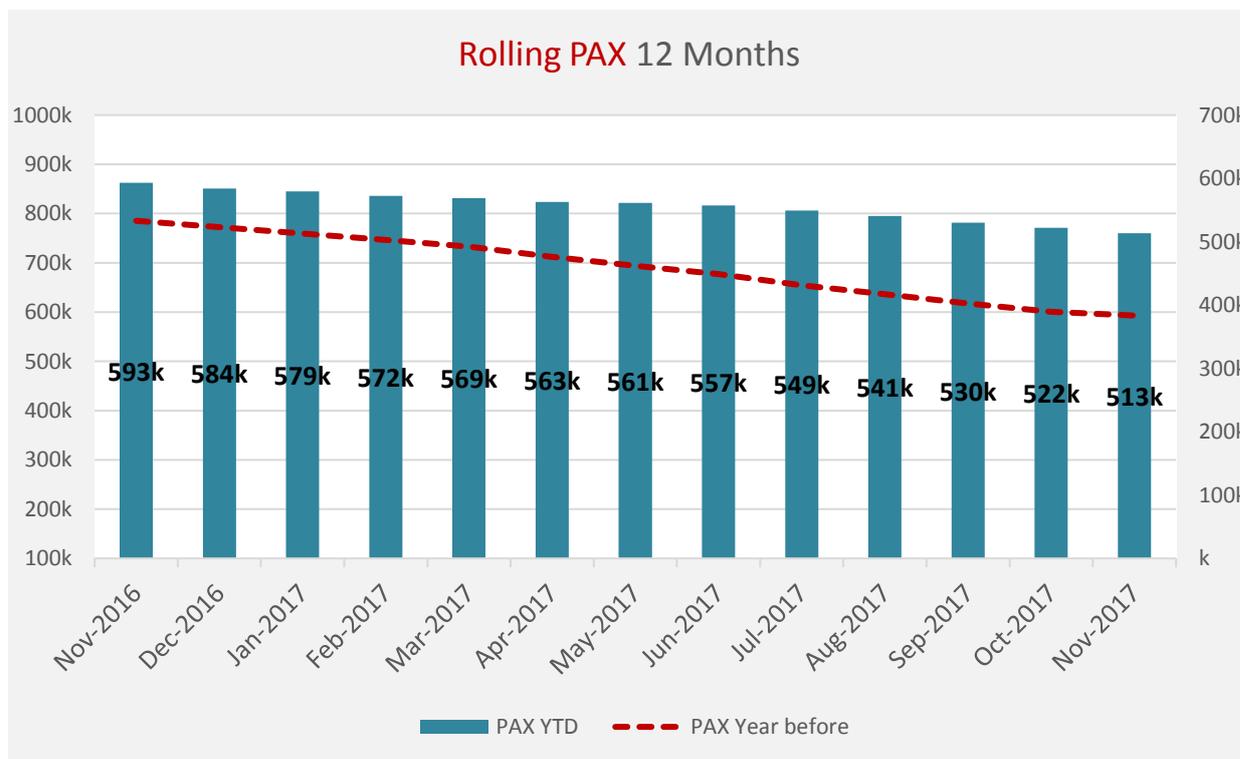

The increase in recycling from November is due to the recently awarded contract to remove ferrous and non-ferrous material from 7 Mile.
