DECLARATION OF INTERESTS (NOTES FOR YOUR GUIDANCE) (updated 13 March 2000)

A member who has a **Financial Interest** in any matter to be discussed at a Council or Committee Meeting, which will be attended by the member, must disclose the nature of the interest:

- (a) In a written notice given to the Chief Executive Officer before the Meeting or;
- (b) At the Meeting, immediately before the matter is discussed.

A member, who makes a disclosure in respect to an interest, must not:

- (c) Preside at the part of the Meeting, relating to the matter or;
- (d) Participate in, or be present during any discussion or decision-making procedure relative to the matter, unless to the extent that the disclosing member is allowed to do so under Section 5.68 or Section 5.69 of the *Local Government Act 1995*.

NOTES ON FINANCIAL INTEREST (FOR YOUR GUIDANCE)

The following notes are a basic guide for Councillors when they are considering whether they have a **Financial Interest** in a matter. I intend to include these notes in each agenda for the time being so that Councillors may refresh their memory.

1. A Financial Interest requiring disclosure occurs when a Council decision might advantageously or detrimentally affect the Councillor or a person closely associated with the Councillor and is capable of being measure in money terms. There are exceptions in the *Local Government Act 1995* but they should not be relied on without advice, unless the situation is very clear.
2. If a Councillor is a member of an Association (which is a Body Corporate) with not less than 10 members i.e. sporting, social, religious etc), and the Councillor is not a holder of office of profit or a guarantor, and has not leased land to or from the club, i.e., if the Councillor is an ordinary member of the Association, the Councillor has a common and not a financial interest in any matter to that Association.
3. If an interest is shared in common with a significant number of electors or ratepayers, then the obligation to disclose that interest does not arise. Each case needs to be considered.
4. If in doubt declare.
5. As stated in (b) above, if written notice disclosing the interest has not been given to the Chief Executive Officer before the meeting, then it **MUST** be given when the matter arises in the Agenda, and immediately before the matter is discussed.
6. Ordinarily the disclosing Councillor must leave the meeting room before discussion commences. The **only** exceptions are:
 - 6.1 Where the Councillor discloses the **extent** of the interest, and Council carries a motion under s.5.68(1)(b)(ii) or the *Local Government Act*; or
 - 6.2 Where the Minister allows the Councillor to participate under s5.69 (3) of the *Local Government Act*, with or without conditions.

INTERESTS AFFECTING IMPARTIALITY

DEFINITION: *An interest that would give rise to a reasonable belief that the impartiality of the person having the interest would be adversely affected, but does not include an interest as referred to in Section 5.60 of the 'Act'.*

A member who has an **Interest Affecting Impartiality** in any matter to be discussed at a Council or Committee Meeting, which will be attended by the member, must disclose the nature of the interest;

- (a) in a written notice given to the Chief Executive Officer before the Meeting; or
- (b) at the Meeting, immediately before the matter is discussed.

IMPACT OF AN IMPARTIALITY CLOSURE

There are very different outcomes resulting from disclosing an interest affecting impartiality compared to that of a financial interest. With the declaration of a financial interest, an elected member leaves the room and does not vote.

With the declaration of this new type of interest, the elected member stays in the room, participates in the debate and votes. In effect then, following disclosure of an interest affecting impartiality, the member's involvement in the Meeting continues as if no interest existed.

The Reserve Bank cash rate (overnight money market interest rate) remained steady during January at 1.50%. The Municipal funds held with Westpac Bank are currently earning 0.93% interest on balances between \$1m and \$5m in the everyday account, and 0.60% on the Maxi-Direct Muni Account.

During January Council had \$5m of maturing Reserve investments. These funds were reinvested for 12 months at 2.72%.

During January Council had \$3m in maturing Municipal investments. These funds were drawn down to Councils At Call account as they were required for cashflow purposes.

The liquidity graph for 2017/18 demonstrates a decrease in liquidity from December primarily due to payment of accounts payable.

As part of Council’s investment strategy, reserve funds were used to purchase a commercial property ‘The Quarter’ in June 2017. The following table provides a summary of all income and expenditure for The Quarter for the current financial year.

LEVEL OF SIGNIFICANCE

Financial integrity is essential to the operational viability of the Council but also as the custodian of community assets and service provision. An ability to monitor and report on financial operations, activities and capital projects is imperative to ensure that financial risk is managed at acceptable levels of comfort.

The ability for the City of Karratha to remain financially sustainable is a significant strategy for a region that is continually under pressure from the resources industry, private enterprise and State Government obligations for the ongoing development of infrastructure and services.

COUNCILLOR/OFFICER CONSULTATION

Executives and Management have been involved in monthly reviews of their operational and departmental budgets and notifying the Financial Services team of trends and variances arising from their operational areas.

COMMUNITY CONSULTATION

No community consultation is required.

STATUTORY IMPLICATIONS

In accordance with the *Local Government Act 1995* and *Local Government (Financial Management) Regulations 1996*, a Statement of Financial Activity is required to be presented to Council as a minimum requirement.

Section 6.4 of the *Local Government Act 1995* provides for the preparation of financial reports.

In accordance with Regulation 34 (5) of the *Local Government (Financial Management) Regulations 1996*, a report must be compiled on variances greater than the materiality threshold adopted by Council of \$50,000 or 10% whichever is the greater. As this report is composed at a program level, variance commentary considers the most significant items that comprise the variance.

POLICY IMPLICATIONS

The Council’s financial reporting is prepared in accordance with Accounting Policy CF1. This is reviewed periodically to ensure compliance with legislative and statutory obligations.

FINANCIAL IMPLICATIONS

The report represents the financial position of the Council at the end of January 2018 with a current year to date budget surplus position of \$14,234,752 (comprising \$13,211,032 unrestricted surplus and \$1,023,720 restricted surplus) and a current surplus position of \$29,239,522 (comprising \$28,215,802 unrestricted surplus and \$1,023,720 restricted surplus). The restricted balance comprises PUPP service charges levied in 2014/15 and expected to be pending payment as at 30 June 2018 (either by instalment options or outstanding).

STRATEGIC IMPLICATIONS

This item is relevant to the Council’s approved Strategic Community Plan 2016-2026 and Corporate Business Plan 2016-2021. In particular, the Operational Plan 2017-2018 provided for this activity:

- Our Programs/Services: 4.c.1.1 Management Accounting Services.
- Our Projects/Actions: 4.c.1.1.1 Conduct monthly and annual financial reviews and reporting.

RISK MANAGEMENT CONSIDERATIONS

10.3 CODE OF CONDUCT REVIEW

File No: PE.153
Responsible Executive Officer: Director Corporate Services
Reporting Author: Manager Governance & Organisational Strategy
Date of Report: 2 March 2018
Applicant/Proponent: Nil
Disclosure of Interest: Nil
Attachment(s): Draft Revised Code of Conduct

PURPOSE

For Council to consider proposed amendments to the Code of Conduct for Councillors and Staff.

BACKGROUND

The City is required by legislation to have in place a Code of Conduct that must be complied with by Members of Council, staff and members of the public representing the City.

The Code was last amended in February 2016 and shortly thereafter legislation was introduced as part of the *City of Perth Act 2016* that made changes to the *Local Government Act 1995* (the Act) and subsidiary legislation that introduced a requirement for ongoing declaration of travel contributions and gifts. Two years later, more proposed amendments are being considered by State Parliament to the Act that apply to the behaviours, conduct and disclosures of Councillors and staff. Whilst these changes are still being debated, they do not form part of the proposed amendments to the City’s Code of Conduct.

Given that the new rules capture all gifts, whether work related or not, the City’s approach to prohibiting acceptance of gifts with a value in excess of \$300 is no longer workable as personal gifts unrelated to work have to be declared or refused. Given the complexity of the new reporting regime, having different (lower) thresholds for reporting is adding to confusion. It is therefore proposed to amend the Code to bring it in line with current legislative requirements.

The table below highlights the proposed amendments to the City’s Code of Conduct.

Section	Summary of proposed changes
Section 8	Replace ‘ <i>Gift Declaration Form</i> ’ with ‘ <i>Gift or Travel Contribution Declaration Form</i> ’ and references to travel contributions added where appropriate
8.3 Travel Contributions	New section inserted advising that contributions to travel over the value of \$200 must be disclosed in line with legislation.
Old 8.4 Notifiable Hospitality Gifts	Section replaced
New 8.4 Gifts and Benefits	Replaced \$10 minimum reporting value for gifts to \$50 to bring in line with legislation. A lower limit was applied but proved impractical with legislative amendments from 2016.

Section	Summary of proposed changes
Old 8.5 Other Notifiable Gifts	Section replaced.
New 8.5 Gifts between \$50 and \$300	New section added with guidelines related to the practice to be adopted.
8.5.1	Amend the timeframe for declaration from 3 working days to 10 days, in line with legislative requirements, including the completion of the Declaration form and observance of objection period. Remove the requirement to notify CEO directly. This will only happen where it is deemed necessary upon review by Governance / Executive.
8.5.2	Multiple gifts received within 6 months from the same person/entity must not exceed \$300 in total.
Old 8.6 Prohibited Gifts	Deleted title of this sub-section by removing ' <i>Prohibited Gifts</i> ' to minimise confusion around use of that term.
New 8.6 Gifts valued at \$300 and above	Old title deleted and replaced with Gifts valued at \$300 and above. Amend section in line with legislation in order that gifts valued at \$300 and above can be accepted as long as they are declared, there is no local government discretion involved, and no objection is raised.
8.7 Acceptance and Refusal of Gifts or Benefits	Amend section to include references to travel contributions.
8.7.1	CEO has the right to order the return of a gift (excluding hospitality gifts) within 7 days.
8.7.2	Where a gift has been consumed, the CEO can order the recipient to reimburse the donor the full value of the gift.
8.7.3	Amended to include Travel Contributions
8.7.4	Gifts less than \$50 can be accepted and Councillors, committee members and employees are encouraged to submit a declaration form.
8.7.5	Nothing stopping gifts being received by the City – but will need to be disclosed in register if it is to be retained.
8.7.6	CEO can waive requirements of Section 8 of the Code so long as it is compliant with requirements of the Act and Regulations.
8.8 Roles and Responsibilities	Amend section to include references to travel contributions.
Old 8.9 Monitoring	Section Deleted
New 8.9 Disclosure of Election Campaign Contributions/Gifts	Replaces old 8.10
New 8.10 City Run Competitions	Replaces old 8.11
8.10.1	Wholly run City competitions do not permit Councillors, employees or their partners to enter where it is a game of chance.
8.10.2	8.10.1 Excludes events where there is an application of skill or ability.

Any future legislative change scheduled for later in 2018 may result in the need for further review of the City’s Code of Conduct.

PURPOSE

To receive the minutes of the Audit & Organisational Risk Committee (AORC) meeting held on 6 March 2018 and to consider the AORC Terms of Reference and 2017 Compliance Audit Return (CAR).

BACKGROUND

The following matters were discussed at the meeting:

- Election of the Presiding Officer;
- AORC Terms of Reference;
- AORC meeting dates for 2018;
- Compliance Audit Return for 2017;
- Internal Audit Program;
- Risk Management Update;
- Proposed amendments to the Audit and Financial Management Regulation;
- Office of the Auditor General – Procurement Audit Update;
- Internal Audits – Implementation Updates; and
- Business Improvement – Progress Report.

Terms of Reference

As this was the first meeting since Council reviewed the membership of the Committee, the Terms of Reference were reviewed and the following changes proposed:

Sectional Heading	Comments
2. Scope	Amend to include references to r.16 of the Audit regulations and Part 7 of the Act which the committee adheres to but is specifically referred to in proposed changes to the regulations.
3.2.5 Internal Controls and Internal Audit	As the Governance team now provide an internal audit function it is proposed that this clause be removed.
3.3.3 Financial Reporting	Delete “large legal claims on the City and” as the financial reporting focuses on significant accounting policy changes and risks associated with sound systems to prevent major fraud and theft.

Sectional Heading	Comments
3.4 External Audit	Inclusion of a general caveat, pending outcome of the consequential amendments to the Audit regulations, that the Office of the Auditor General will be dictating how external audits will be carried out and Council may not be required to appoint auditors.
6.1 Voting Members	Membership shall comprise a minimum of 3 City Council Members appointed by the Council following each local government ordinary election. Each member shall have full voting rights.
7. Meetings	Frequency of meetings currently indicates a minimum of once every quarter however in recent years there is little information to discuss at the May or August meetings as items are subject to pending reports coming from external parties. It is proposed to delete “quarterly” and replace with ‘at least three times per year’ with flexibility to have more meetings if required.

Compliance Audit Return

Each local government is statutorily required to carry out an annual CAR for the preceding year for submission to the Local Government, Sport and Cultural Industries prior to 31 March. As part of the audit, two instances were identified as being potentially ‘non-compliant’ as follows:

Category	Legislative Reference	Question	Comments
Disclosure of Interest	s5.67	If a member disclosed an interest, did he/she ensure that they did not remain present to participate in any discussion or decision-making procedure relating to the matter in which the interest was disclosed (not including participation approvals granted under s5.68)?	Ministerial approval was given under s5.69 for three Councillors to participate in the matter at the December 2017 Council Meeting.
Disclosure of Interest	s5.75(1) Admin Reg. 22 Form 2	Was a primary return lodged by all newly designated employees within three months of their start day.	One employee did not submit a Primary Return after acting role was extended beyond three months. (Reported to CCC 19 July 2017 and no further action required by CCC).

The comments provided above indicate that non-compliance in those instances were reasonable under the circumstances and officers maintain that good systems and strong governance is in place to manage risk. Of the 94 questions, the CAR indicates a compliance rate of 97.8%.

LEVEL OF SIGNIFICANCE

In accordance with Council Policy CG-8 Significant Decision Making Policy, this matter is considered to be of moderate significance in terms of Council’s compliance status and ability to perform its role.

COUNCILLOR/OFFICER CONSULTATION

Consultation has occurred on the above matters with the members of the AORC, the Chief Executive Officer, the Director Corporate Services, Manager Governance & Organisational Strategy and Governance Compliance Officer.

11 COMMUNITY SERVICES

11.1 EARLY LEARNING CENTRE LEASES AND TENURE

File No:	CA.53
Responsible Executive Officer:	Director Community Services
Reporting Author:	A/Partnerships and Community Projects Coordinator
Date of Report:	26 February 2018
Applicant/Proponent:	Nil
Disclosure of Interest:	Nil
Attachment(s)	Nil

PURPOSE

For Council to consider the process to lease the Wickham, Bulgarra and Millars Well Early Learning Centres.

BACKGROUND

One Tree Inc. currently occupies three premises owned by the City, for the purposes of providing early learning centre (ELC) childcare services being:

Facility	Location
Bulgarra ELC	Lots 1455 and 681 Bayview Road, Bulgarra, WA, 6714
Millars Well ELC	Lot 3893 Teesdale Place, Millars Well, WA, 6714
Wickham ELC	Lot 175 Carse Street, Wickham, WA, 6720

All three facilities have a lease term of 5 + 5 years and all are due to expire on 31 January 2019.

With the construction of the Wickham Community Hub due for completion in December 2018, Council has previously resolved to call for tenders for the Wickham ELC.

For the Bulgarra and Millars Well ELC's, Council has the option to engage in direct negotiations with the current service provider, or undertake a public tender process for all three facilities.

It is noted that continuity of service and staff familiarity is important to both parents and children using these services. Regardless of how smooth a change in operator was to occur there would be some disruption to service and a degree of unfamiliarity for parents and children before the new operator settled in. Additionally, there is some reputational risk associated with a change in operator for both the City (enabling a change) and the operators (existing and new) associated with a change in provider.

However, given the current level of demand for these services in the City, evidenced by the existing centres carrying waiting lists and a new 72 place centre recently being approved, it is proposed to proceed with a public tender to ensure Council continues to lease the facilities at fees comparable to current market rates, and ensure fair opportunity for all childcare operators.

The following selection criteria and weightings were endorsed by Council for the Wickham ELC tender, and it is proposed that these weightings are applied to a new tender package.

Criteria	Weighting
Relevant Experience	20%
Capacity to Deliver	15%
Methodology	25%
Price	40%

It is anticipated that the terms of the new leases will remain similar to the existing leases for other ELC's. Broadly, the following scope will be applied to the tender, and the final lease conditions will be provided to Council for consideration prior to executing:

- 5 + 5-year term;
- Payment of all outgoings related to that facility including waste, electricity, water and pest control;
- Provide the following services for the term of the lease;
 - Bulgarra ELC: 70 places
 - Millars Well ELC: 100 places
 - Wickham ELC: 50 places
- Provide a mix of occasional and long day care services

Tender Respondents will be requested to submit a price per facility so as each facility can be evaluated separately.

LEVEL OF SIGNIFICANCE

In accordance with Council Policy CG-8 Significant Decision Making Policy, this matter is considered to be of low significance in terms of Council's ability to perform its role, and parties affected issues.

COUNCILLOR/OFFICER CONSULTATION

Consultation has taken place between the Partnerships and Engagement, Planning Services and Governance departments in regards to the existing leases and land tenure.

COMMUNITY CONSULTATION

The City has a requirement under Section 3.58 of the *Local Government Act 1995* to publicly advertise their intent to dispose (lease) a property to a preferred tenderer.

The existing tenant is aware of the public tender process.

Further community consultation is to occur following the tender if required.

STATUTORY IMPLICATIONS

Section 3.58 of the *Local Government Act 1995* applies.

POLICY IMPLICATIONS

The following Council policies apply:

- CF-13 Asset Management
- CF-17 Disposal of Assets
- CS-07 Insurance Requirement of Users of City Owned Premises
- CG-11 Regional Price Preference

FINANCIAL IMPLICATIONS

During the tender process respondents will be required to propose a lease fee for each facility. Based on the current fees, the leases have the potential to generate a combined revenue of over \$100,000 per annum and this has been factored into the draft 2018/2019 annual budget. As this is a public tender process, this income figure may be higher or lower.

STRATEGIC IMPLICATIONS

This item is relevant to the Council’s approved Strategic Community Plan 2016-2026 and Corporate Business Plan 2016-2021. In particular, the Operational Plan 2017-2018 provided for this activity:

Programs/Services:	4.e.1.4	Lease Administration
Projects/Actions:	4.e.1.4.1	Audit and review completeness of lease documentation.

RISK MANAGEMENT CONSIDERATIONS

The level of risk to the City is considered to be as follows:

Category	Risk level	Comments
Health	N/A	Nil
Financial	Low	Should no suitable proponents be secured the potential loss of income for the City is approximately \$100,000 per year.
Service Interruption	Low/Medium	Should the existing operator respond to the tender and be successful in being contracted to deliver the service, there will be no service interruption. Should an alternate provider be contracted there will some disruption to services as the operators undertake the transition.
Environment	N/A	Nil
Reputation	Moderate	Council’s reputational risk is balanced between ensuring continuity and familiarity of service by private treaty negotiation and calling public tenders to provide opportunities for all potential providers. Given the level of demand in the market place a private treaty negotiation could well be challenged thereby requiring a public tender process.
Compliance	High	Council will be required to seek Ministerial approval prior to executing lease for the Bulgarra facility.

IMPACT ON CAPACITY

There is no impact on capacity or resourcing to carry out the Officers recommendation.

RELEVANT PRECEDENTS

Council has previously leased Bulgarra, Millars Well and the existing Wickham early learning centres through a public tender process.

VOTING REQUIREMENTS

Simple Majority.

OPTIONS:

Option 1

As per Officer’s recommendation.

Option 2

That Council by SIMPLE Majority pursuant to Section 3.58 of the *Local Government Act 1995* RESOLVES to NEGOTIATE directly with the existing service provider via a private treaty arrangement to renew the leases for the Bulgarra and Millars Well Early Learning Centres;

CONCLUSION

11.2 RED EARTH ARTS PRECINCT FEES AND CHARGES

PURPOSE

For Council to consider the proposed table of fees and charges, and ticketing strategy to be adopted by the Red Earth Arts Precinct (REAP) operations.

BACKGROUND

Planning for the Karratha Arts and Cultural Centre addressed not only facility design, capital cost and funding options but also operational implications. The original business case and management plan prepared for REAP in 2015 proposed an operating deficit for the first year of operation (proposed 17/18) in the range of \$1.38m to \$1.86m - on top of existing library, moonrise cinema and events and civic functions operations. The management plan forecast a net income attributed to centre activities of approximately \$580K.

Based on more recent work the full year operating cost for REAP (18/19 year) is currently forecast at \$2.2m. Staff have been working to contain additional cost for the operation of REAP to a maximum of \$1.7M. Therefore, there is a need for net revenue generation in the order of \$500K to achieve a \$1.7m deficit.

Accordingly, a schedule of fees and charges is necessary to generate revenue from the activities and patronage of the precinct to contain operating costs.

Principal revenue streams to achieve the require income level are (at a very high level):

1. Ticket sales for events run by REAP team ~ \$300K
2. Venue hire by others ~ \$100K
3. Secondary spend ~ \$ 50K
4. Sponsor support / grants ~ \$ 50K

The Red Earth Arts Precinct has been undergoing significant planning to this point and an investigation into and appropriate schedule of fees and charges has been carried out with reference to:

- (a) The requirement to reasonably recover costs
- (b) The requirement to provide accessibility to the venue
- (c) The requirement to activate the venue to a high degree
- (d) The requirement to ensure that the community view the fees and charges as fair and equitable.

LEVEL OF SIGNIFICANCE

In accordance with Council Policy CG-8 Significant Decision Making Policy, this matter is considered to be of low significance in terms of economic issues.

COUNCILLOR/OFFICER CONSULTATION

There are two areas to be considered, hire fees and charges, and the ticketing strategy.

Hire Fees and Charges

This deals with the costs for external parties hiring the REAP. Venue hire costs have been investigated and benchmarked across similar venues within Australia. There are several models of hire calculation including:

- straight hire fee;
- hire fee plus a percentage of box office gross; and
- box office splits.

The simplest and most transparent method is a straight hire fee and that is the method recommended for implementation at REAP.

Within the straight hire fee model it is proposed that there be both commercial hire and community hire rates, with the community hire rate being accorded a discount from the full hire rate. A discount of 30% off the full hire rate is proposed noting that the venue will have a considerable overhead associated with energy consumption and the requirement for qualified and trained staff to be in attendance at all times. The Council offers a variety of community organisation discounts at other venues and 30% is within the range currently applied.

Community hire rates will be available to not for profit community organisations based within the City of Karratha, or external not for profit agencies that are verified as a registered charity and provide benefit to the residents of the City of Karratha.

The following venue hire rates are proposed.

Theatre	
Performance event	\$1,500 per day + staff
Second performance on same day	\$1,200 per day + staff
Multi-day bookings - day rate negotiable <ul style="list-style-type: none"> • All other use at \$190/hr + mandatory staff <ul style="list-style-type: none"> ○ Minimum booking for any reason is 4 hours – bump-in, bump-out, rehearsal ○ Venue hire fee includes standard rig ○ Mandatory staffing component includes Front of House Manager and Technical Supervisor @ \$50/hr per person with overtime charges on staffing applicable after 8 hours • Dance school use of the flat floor with the seating away and house lights only - \$70/hr • Theatre bookings will require \$500 deposit. 50% non-refundable for cancellation within 4 weeks of event 	

Comparison across venues of similar capacity has been drawn from the “APACA Venue charges and salaries report 2015”. Averaging the costs from 15 venues of under 500 seats across the country reveals the average charge for a full day hire is \$1829 at commercial rates and \$1178 at community rates. The proposed REAP charge of \$1500 at commercial rates and \$1050 at community rates is positioned within the range indicated by comparable venues.

Amphitheatre	\$500/day \$700/day \$1,000/day	<500pax >500<1200pax >1200<2000pax
<ul style="list-style-type: none"> • Full day hire only <ul style="list-style-type: none"> ○ Differential pricing for varying pax ○ Venue hire will require additional toilets to be sourced by the client for all licensed events and for no-licensed events with a pax >500 ○ Access to venue toilets, green room and dressing rooms can be negotiated as required and subject to availability ○ Excess cleaning of the venue will be charged at cost plus 20% ○ Cleaning of the amphitheatre is the responsibility of the hirer, as is restoration of any damage ○ Amphitheatre bookings will require \$250 deposit. 50% nonrefundable for cancellation within 4 weeks of event 		
Rehearsal Rooms A + B	\$32/hr for each space	
<ul style="list-style-type: none"> • Minimum 2 hour booking • Venue only available for hire out of hours when the Front of House Manager is rostered on or if the hirer will pay for the Front of House Manager. 		
The Shelf	\$125/hr	
<ul style="list-style-type: none"> • Minimum 2 hour booking 		
Catering Kitchen	\$100/hr	
<ul style="list-style-type: none"> • Minimum 4 hour booking 		
Foyers 1 and 2	\$75/hr	
<ul style="list-style-type: none"> • Minimum 2 hour booking 		
Green Room	\$20/hr	
<ul style="list-style-type: none"> • Minimum 2 hour booking 		
Staff costs	\$50/hr	
<ul style="list-style-type: none"> • All bookings will be assigned staffing as required • Mandatory Front of House Manager and Technical staff to be charged at subsidized rate of \$50 per hour in line with industry standards. • All out of hours bookings will require a Front of House Manager as a minimum 		

Bond

It is proposed that a bond of up to \$10,000 will be charged for events with the applicable rate determined by the Manager Arts and Culture at the time of booking. The bond rate will be determined based on assessed risk of the event.

Ticketing Strategy

A community consultation process has been conducted across the City and a ticketing component is included in the report (see attached). The report shows how the participants were sourced and where they fit demographically and culturally in society. The participants were shown a random mix of shows drawn directly from current shows on sale in Perth. The aim was to gauge their capacity and willingness to pay capital city pricing.

Children’s Show	
<i>We’re going on a Bear Hunt</i> – Subiaco Arts Centre	
Adults and Children	\$ 39.90
Family	\$ 139.60
Comedy	
<i>Paul Fenech</i> – Astor Theatre	
All tickets	\$ 59.60

Drama	
<i>Let the Right One In</i> – State Theatre Centre	
Adults	\$ 66.00
Students	\$ 34.00
Plus ticketing charge of \$7.20	
Opera	
<i>The Cunning Little Vixen</i> – His Majesty’s Theatre	
‘C’ reserve	\$ 34.00
Premium	\$ 140.00
Plus ticketing charge of \$6.95	

Overwhelmingly the response to these prices was that most people would not attend very often, if at all, using these price structures.

In line with the community response it is proposed that ticket pricing for live shows would range from as low as \$12.00 per head for events like school groups at children’s shows to as much as \$100.00 per ticket for large scale adult shows - for the performance only. Any add-on services such as catering would attract an additional fee with the relevant cost shown clearly in the ticketing structure. The actual ticket price will be determined by the Manager Arts and Culture during contract negotiations.

The following ticket price schedule is proposed.

Event type	Adult >17		Child <17		Family 2 A, 2C <17		Concession / Members		School groups	
	Lo	Hi	Lo	Hi	Lo	Hi	Lo	Hi	Lo	Hi
Children’s and family shows	20	25	10	15	50	65	15	20	10	12
Small simple shows eg comedy and drama	45	65	35	45	150	180	40	50	30	35
Large complex shows eg Opera/Ballet	70	100	40	55	180	220	60	80	34	40
Amphitheatre Music series	25	30	15	20	60	80	20	25	10	12
Cinema – indoor and the Shelf	16	16	10	10	45	45	13	13	8	8

It is intended that a ‘Friends of the Theatre’ group will be established and following payment of an annual registration fee, members would qualify for discounted ticket prices. An annual fee of \$50 is proposed which would allow each member to buy 2 tickets to any event. Friends would enjoy a discount on tickets prices of approximately 10%-15% (not available for children’s shows) and other benefits would include a direct email newsletter and invitations to other events such as artist talks.

The price structure outlined above was well received when presented during the community engagement process. The participants were also shown a sample of the performances that were under consideration or had been booked and were asked how often they were likely to attend given the proposed prices. The study showed that the price range was a large inducement to people to attend either monthly or two monthly. They were more willing to take a risk on a show where they may not know anything about the performance when the price was considered affordable.

Pre-show dining

It is anticipated that the various restaurants in the city will be keen to attract theatre patrons pre or post show. If this is supported, each restaurant’s offer will be advertised on the REAP website with links or contacts for the restaurants shown. To assist this opportunity, it is

proposed that the restaurants would be issued with a calendar of events showing dates and start and finish times, so that they have advance notice and can plan their offering. How restaurateurs offer deals or discounts will be completely their decision, with the REAP will simply posting those offers on the REAP website. In other centres there is a guarantee to have the customer served and out the door in time to attend the performance. For an example of this in action visit <https://www.bsstc.com.au/plan-your-visit/dining>

It is proposed to establish an art house film club that will screen once a month at \$10 a ticket for members and \$12 a ticket for non-members. These tickets would be pre-sold in blocks of a minimum of 6 tickets.

Incentives could be offered on a range of cinema events built around mass purchasing of tickets. Discounts of 10% per ticket for 10 tickets, and 20% per ticket for 20 tickets are proposed. Further price variations could be offered to include food and beverage packages as determined by the Manager Arts and Culture to enhance the patron experience. These packages would be clearly articulated in the ticketing structure.

The community consultation process raised a number of issues about screening times that the Arts and Culture team will endeavour to address in programming the REAP cinema spaces, particularly with the ability to show more sessions at a greater range of times.

COMMUNITY CONSULTATION

Community consultation occurred through the commissioning of a Qualitative Study, referenced in the section above and attached for your information.

STATUTORY IMPLICATIONS

Section 6.16 of the *Local Government Act 1995* refers to the imposition of fees and charges and any limitations. Section 6.17 of the Act refers to the setting of the appropriate level of a fee/charge. Section 6.19 of the Act refers to the public notice requirements.

POLICY IMPLICATIONS

There are no policy implications.

FINANCIAL IMPLICATIONS

Council has endorsed the operational costs for the facility through the management plan. This projects the level of income for the facility and the fees and charges proposed are in line with this.

STRATEGIC IMPLICATIONS

This item is relevant to the Council’s approved Strategic Community Plan 2016-2026 and Corporate Business Plan 2016-2021. In particular, the Operational Plan 2017-2018 provided for this activity:

Programs/Services:	1.a.1	A full range of city –standard facilities and community infrastructure are provided
	1.c.2	Public services are accessible and affordable.
	1.f.1	Social interaction is fostered across the community
	4.c.2	Long term planning is employed to ensure financial sustainability
	4.c.3	A suite of sustainable revenue sources funding Council activities
	4.e.1	Services to our community are socially responsible and financially sound

	4.e.2	Service levels are determined by evidence based analysis of community needs
	4.e.3	Reviews of service levels and standards are regularly undertaken
Projects/Actions:	1.d.2.1	Programs and services that improve community wellbeing are developed and promoted
	1.e.1	Diversity in the region is highlighted and celebrated

RISK MANAGEMENT CONSIDERATIONS

The level of risk to the City is considered to be as follows:

Category	Risk level	Comments
Health	Low	Nil
Financial	Moderate	Moderate
Service Interruption	Moderate	Should the delivery of service be interrupted as a result of Council not endorsing the proposed fees and charges, Officers expect negative feedback to be received as well as a potential drop in patronage should this happen once operations have commenced.
Environment	Low	Nil
Reputation	Moderate	Should Council choose not to endorse any fees or charges for the Red Earth Arts Precinct, there will be an interruption of service and expectation which is expected to result in negative reputational outcomes. Additionally, if prices are too high – it is expected that we will receive negative feedback from the community.
Compliance	High	In order to operate and manage the Red Earth Arts Precinct, an endorsed set of fees and charges are required.

IMPACT ON CAPACITY

There is no impact on capacity or resourcing to carry out the Officers recommendations.

RELEVANT PRECEDENTS

Council annually review and endorse fees and charges. The aforementioned table outlines fees and charges based on other City of Karratha facilities already endorsed by Council.

VOTING REQUIREMENTS

Absolute AND Simple Majority.

OPTIONS:

Option 1

As per Officer’s recommendation.

Option 2

That Council by SIMPLE Majority pursuant to Section 6.16 of the *Local Government Act 1995* RESOLVES to DEFER consideration of the proposed fees and charges pending further review.

CONCLUSION

In order to operate and manage the Red Earth Arts Precinct in accordance with the previously approved business plan the venue will be required to generate income to reduce the overall cost to council. The proposed fees and charges are in line with industry benchmarks and are responsive to the consultation program recently conducted with the local community. Officers propose the application of simple fees and charges strategy for the hire of spaces as well as the application of a ticketing strategy. This schedule of fees and charges will be reviewed annually as part of the budget process.

12 DEVELOPMENT SERVICES

12.1 HARDING RIVER CARAVAN PARK - STORAGE OF TRANSPORTABLE ACCOMMODATION BUILDINGS

File No:	DA18020
Responsible Executive Officer:	Director Development Services
Reporting Author:	Senior Strategic Planner
Date of Report:	2 March 2018
Applicant/Proponent:	RFF Pty Ltd on behalf of Roebourne WA Holdings Pty Ltd.
Disclosure of Interest:	Nil
Attachment(s)	1. Locality Plan and relationship of Lot 552 to caravan park 2. Photographs of Transportable Buildings onsite.

PURPOSE

For Council to consider a retrospective application for Development Approval for the storage of transportable accommodation buildings on the northern portion of the Harding River Caravan Park.

BACKGROUND

The Harding River Caravan Park is situated on Lot 469 Mundumia Way, Roebourne. Lot 552 (subject of this application) is located behind the caravan park (Attachment 1). Both lots are under the same ownership and are zoned 'Tourism'. Lot 552 has been approved in the past for Caravan Park use but does not appear to have ever been formally developed for such use.

Approval to TWA over Lot 552

On 19 September 2011 Development Approval was granted for the redevelopment of the Harding River Caravan Park over Lot 469 (P2560) and the establishment of 296 Transient Workforce Accommodation beds over Lot 552.

Condition No.2 of the approval limited the timeframe for the Workforce Accommodation component to ten-years (ie. September 2021). Condition No.11 of Development Approval P2560 states that approval shall expire if the development is not substantially commenced within two years from the date of approval.

Two extensions have been granted to the period within which the development is to substantially commence, the most recent being a two-year extension granted by Council at its August 2015 Ordinary Council Meeting. This set the date for development works to have substantially commenced at 19 September 2017.

Directions Notice

Transportable accommodation structures (dongas) were relocated from Bay Village to the subject site in September 2017. On 24 October 2017, the City served a Direction Notice on the owner. The Direction Notice sets out the following:

1. Approved development has not substantially commenced within the required period;
2. Condition No.4 (approval to waste water treatment plan) and Condition No.5 (City approval to various Management Plans and supporting information) have not been satisfied prior to works commencing;
3. Unauthorised works must cease and the transportable buildings must be removed;
4. 60 days from the date of issue to comply with the Direction Notice (23 December 2017).

In a covering letter, the owner was given the option of applying for Development Approval for any of the components that were approved under Development Approval P2560 (ie. the caravan park upgrades) or any other land use/development (ie. storage of the dongas).

Dispute regarding ‘Substantially Commenced’

On 4 December 2017, the applicant wrote to the City stating that in their view works had substantially commenced within the required period and that on that basis, the Development Approval is still valid.

On 15 December 2017, officers responded to the applicant advising that the unauthorised storage of transportable buildings was not covered by the Development Approval and that separate application would be required.

On 20 December 2017, the applicant asked for the City to confirm agreement with their position on substantial commencement. However, on 21 December 2017 officers wrote to the applicant advising that the ‘Transient Workforce Accommodation’ component (Stage 2) had not substantially commenced in accordance with the Development Approval.’

Development Application seeking Retrospective Approval DA18020

On 31 January 2018 the applicant lodged an application for Retrospective Development Approval for Storage of Transportable Structures for 24 months from the date of determination. This period of time has been requested by the applicant to enable the buildings to be removed, or to be installed in accordance with the Development Approval. As is stated above, the approval to use Lot 552 for TWA has now expired. Any proposal to proceed to develop Lot 552 as a TWA would require a new application.

Lot 552 is currently zoned ‘Tourism’. Storage is not permitted in the ‘Tourism’ zone. If the proposed use is considered Storage, then it must be refused. Notwithstanding, it is possible for Council to approve ‘Storage of Transportable Structures’ on Lot 552 (ie. storage of chalets as part of plans to redevelop the caravan park) as a ‘Use not Listed’. If Council chooses to approve the temporary storage of transportable structures on Lot 552, then Council would need to resolve by Absolute Majority that the proposed use is consistent with the objectives of the ‘Tourism’ zone and the extent of approval should be limited to the extent of storage that is already occurring.

It is recommended that Council refuse this application. If Council refuses the application, then officers would reactivate the requirements of the Directions Notice in terms of getting the dongas removed from the site.

LEVEL OF SIGNIFICANCE

In accordance with Council Policy CG-8 Significant Decision Making Policy, this matter is considered to be of moderate significance in terms of Council’s ability to perform its role.

COUNCILLOR/OFFICER CONSULTATION

Consultation has taken place between Planning Services Infrastructure Services, and Building Services. The most significant technical issue raised relates to compliance with the National Construction Code for the securing of transportable structures during cyclone season.

COMMUNITY CONSULTATION

Community consultation was undertaken for a period of 14 days in the following manner:

1. A public notice advertised in the local newspaper;
2. A public notification placed on the City’s website;
3. Information available at Council offices; and
4. Public notices were posted on the advertisement boards within the old Roebourne Shire Offices/Centrelink and Leramugadu Cafe.

At the conclusion of public advertising no submissions were received. There have been Facebook posts regarding this matter and community and local media interest.

A site inspection has been conducted and photos were taken from the caravan park and Roebourne to get a better understanding of the impact of the dongas on views from surround areas (Attachment 2). This is not considered to be a major concern.

STATUTORY IMPLICATIONS

An applicant can seek State Administrative Tribunal review of a direction within 28-days of receipt. No application for SAT review has been received in relation to the City’s direction notice for the subject works.

The Directions Notice remains active and can require the removal of unauthorised development should the subject application be refused.

POLICY IMPLICATIONS

The Council’s adopted planning policies on Workforce Accommodation do not support speculative TWA proposals.

FINANCIAL IMPLICATIONS

There are no financial implications.

STRATEGIC IMPLICATIONS

This item is relevant to the Council’s approved Strategic Community Plan 2016-2026 and Corporate Business Plan 2016-2021. In particular, the Operational Plan 2017-2018 provided for this activity:

Programs/Services: 1.d.2.3 Planning Compliance

RISK MANAGEMENT CONSIDERATIONS

The level of risk to the City is considered to be as follows:

Category	Risk level	Comments
Health	N/A	Nil
Financial	Low	If the applicant wishes to challenge the City position on substantially commenced, then they would need to make new application and seek SAT review of an unfavourable decision.
Service Interruption	N/A	Nil
Environment	N/A	Nil
Reputation	N/A	Nil
Compliance	N/A	Nil

IMPACT ON CAPACITY

There is no impact on capacity or resourcing to carry out the Officer's recommendation.

RELEVANT PRECEDENTS

Nil.

VOTING REQUIREMENTS

In accordance with Town Planning Scheme No.8 provision 3.2.6(b), an Absolute Majority is required to determine that the proposed use, being 'Storage of Transportable Buildings', is consistent with the objectives and purposes of the Tourism zone.

A Simple Majority is required to refuse the application.

OPTIONS:Option 1

As per Officer's recommendation.

Option 2

That Council by ABSOLUTE Majority pursuant to Schedule 2 Part 9 Section 68 of the *Planning and Development (Local Planning Schemes) Regulations 2015* RESOLVES to APPROVE the application for the Storage of Transportable Buildings at Lot 552 Mundumia Way, Roebourne for a period of no longer than 24 months from the date of this determination.

CONCLUSION

The applicant has sought retrospective approval for the storage of transportable buildings on Lot 552 Mundumia Way, Roebourne (behind the Harding River Caravan Park) for a period of 24 months from the date of determination.

As per the Directions Notice and subsequent clarification in writing, the City has advised the applicant that works for the Workforce Accommodation component of the Development Approval did not substantially commence within the period of time defined by Development Approval. Consequently, Development Approval P2560 is considered to have expired.

As detailed within the report the storage of transportable buildings on site is not supported as it is not considered an appropriate use in the Tourism zone. If Council supports this position, then officers will reactivate the requirements of the Directions Notice that require the dongas to be removed from site.

OFFICER'S RECOMMENDATION

That Council by SIMPLE Majority pursuant to Section 2 Part 9 Section 68 of the *Planning and Development (Local Planning Schemes) Regulations 2015* RESOLVES to REFUSE the Retrospective Development Application DA18020 for 'Storage of Transportable Structures' at Lot 552 Mundumia way, Roebourne for the reason that it is not considered an appropriate use in the Tourism zone.

12.2 WARAMBIE ESTATE

File No:	A88380
Responsible Executive Officer:	Director Development Services
Reporting Author:	Manager Planning Services
Date of Report:	2 March 2018
Applicant/Proponent:	Nil
Disclosure of Interest:	Nil
Attachment(s)	Plans showing Warambie Estate tenure, layout and impact of future extension of Sharpe Avenue

PURPOSE

For Council to consider its position on the future of Warambie Estate.

BACKGROUND

Land Tenure

Lot 557 Crane Circle, Pegs Creek is a 5.16ha parcel of land owned in freehold title by the WA Land Authority (LandCorp). On 10 February 2011, LandCorp entered a lease with NLV Lifestyle Developments Pty Ltd for the operation and management of Warambie Estate. The term of the lease is ten (10) years, plus two (2) options of five (5) years each. The initial term expires on 9 February 2021. Under the terms of the lease, LandCorp decides whether the lease is extended beyond the initial term.

Service Workers' Accommodation

On 22 June 2010, development approval was granted for 100 Park Homes and ancillary fencing, car parking and public open space on the Warambie Estate site. The Karratha City Centre Master Plan states that these 100 residential units are *“to ease the housing pressures for low income workers, who find it difficult to compete with highly paid mining workers for accommodation”* and that *“while the project will assist in addressing pressure points in accommodation, the service workers' accommodation is not considered an appropriate long term use for the Town Centre but will provide a substantial land bank to accommodate a diversified City Centre.”*

Warambie Estate has played a critical role to provide affordable accommodation for service workers at a time when rents in the City were extremely high. However, rents have now normalised and therefore Warambie Estate has served its intended purpose.

Seniors Accommodation

Council resolved at its October 2011 Ordinary Council Meeting to relocate residents of the Karratha Seniors Village to Warambie Estate to make way for the new Sharpe Avenue extension between Welcome Road and Dampier Road. Council approved eleven additional Park Homes at its April 2012 Ordinary Council Meeting for this purpose.

There is an ongoing need to provide Seniors accommodation in the district. Warambie Estate could be used for Seniors accommodation in the short term, however it has never been intended for Warambie Estate to remain for the longer term. It is considered more appropriate that purpose built Seniors Accommodation be considered in a more suitable location.

Karratha City Centre Planning

Future plans for the Karratha City Centre include the extension of Sharpe Avenue from where it currently ends at Crane Circle through to Bayview Road (Attachment 1). The corridor for this planned future road extension essentially divides Warambie Estate into two distinct portions.

While there are no plans for this extension in the immediate future, once it does become planned works, it is likely to require removal of at least three units from the eastern portion of Warambie Estate and it will sever the development. If it is considered that Warambie Estate should be rationalised at the end of the initial lease period in February 2021, then it would make sense to discontinue the eastern portion of the development. This would leave the western portion available for short term uses such as Seniors Accommodation (until a suitable facility has been established) and make the eastern portion available for City Centre development opportunities.

Warambie Estate is zoned City Centre: Precinct 4 – Accommodation. Park Home Park is a use that is not permitted in Precinct 4. This means that Warambie Estate only has non-conforming use rights, which means that the use cannot change in any way and that if it ceases to operate for more than 6 months, then it must discontinue. This is probably an appropriate way to treat Warambie Estate given the intention for it to serve only a short term purpose.

LEVEL OF SIGNIFICANCE

In accordance with Council Policy CG-8 Significant Decision Making Policy, this matter is considered to be of moderate significance in terms of social and economic issues, parties affected and Council's ability to perform its role.

COUNCILLOR/OFFICER CONSULTATION

This matter has previously been raised at a Councillor Briefing Session.

COMMUNITY CONSULTATION

At this stage, Council is only considering a position on the future of Warambie Estate, which will be conveyed to LandCorp. LandCorp as landowner will make decisions regarding the future for Warambie Estate.

Any proposal to either discontinue portion of the Warambie Estate or to construct the extension of Sharpe Avenue through to Bayview Road should be subject of its own community consultation process.

STATUTORY IMPLICATIONS

Warambie Estate only has non-conforming use rights under the Planning Scheme.

Under the terms of the lease, LandCorp decides whether the lease is extended beyond the initial term (2021), however it is considered to be inappropriate for LandCorp to extend a lease for a non-conforming land use.

POLICY IMPLICATIONS

The planning policies that currently apply to the City Centre, and Warambie Estate in particular, will be reviewed as part of preparing a new Local Planning Scheme. The aim is to commence the Scheme Review process shortly.

FINANCIAL IMPLICATIONS

Any reduction in the number of units at Warambie Estate will reduce the rates to be paid for that property. Decommissioning of units would be the responsibility of LandCorp and the lessee.

Option 3

That Council by SIMPLE Majority pursuant to Section 3.18 of the *Local Government Act 1995* RESOLVES to:

1. REQUEST LandCorp commence a process of planning to terminate the lease for Warambie Estate at the end of the initial lease term on 9 February 2021; and
2. REQUEST LandCorp to work with the City on a plan for extension of Sharpe Avenue from Crane Circle through to Bayview Road.

CONCLUSION

The purpose and intention of Warambie Estate was always to provide short term affordable accommodation for service workers while residential rents were extremely high, which it successfully achieved. Now that rents have reduced from those highs and normalised it is considered appropriate to transition Warambie Estate into the ultimate development planned for the Karratha City Centre.

There is a possibility to provide accommodation for Seniors in the short term as part of this transition until a suitable facility is developed. This does not require all 111 units to remain and it that short term Seniors Accommodation could be contained in the western portion of the Estate, making the eastern portion available for City Centre development.

The Planning for the future of the Karratha City Centre includes extending Sharpe Avenue through to Bayview Road and the development of mixed use commercial buildings. While there are no immediate plans for this to occur it is considered prudent to establish a position that facilitates this outcome to occur. The risk of not transitioning this land use in the near future is that the Karratha City Centre becomes constrained which may hinder future opportunities to deliver its full potential.

It is recommended that Council acknowledge the success of the Warambie Estate and establish a position that Warambie Estate should be transitioned to rationalise the lease for Warambie Estate at the end of the initial lease term in February 2021, and to work with the City on a plan for extension of Sharpe Avenue through to Bayview Road.

OFFICER'S RECOMMENDATION

That Council by SIMPLE Majority pursuant to Section 3.18 of the *Local Government Act 1995* RESOLVES to ADOPT the following position in relation to Warambie Estate:

- a) Warambie Estate has played a critical role to provide affordable accommodation for service workers at a time when rents in the City were extremely high. However, rents have now normalised and therefore Warambie Estate has served its intended purpose;
- b) The extent of Warambie Estate should be rationalised at the end of the initial lease term in February 2021 to facilitate the extension of Sharpe Avenue;
- c) The eastern portion of Warambie Estate should be made available for development consistent with the Karratha City Centre Planning Framework; and
- d) The western portion of Warambie Estate could be used for short term Seniors Accommodation until a suitable facility has been developed.

Reputation	Moderate	Decisions made by Council will impact on the relationship with the Point Samson Community, in particular, the PSCA. The project has further possible positive implications on the City's reputation as a tourist destination.
Compliance	Low	Tender specifications have been prepared in accordance with all regulatory and statutory requirements. Tenders for construction were called in accordance with Section 3.57 of the <i>Local Government Act 1995</i> . Recommended tenderer has addressed all tender compliance requirements.

The following selection criteria and associated weightings were adopted:

Criteria	Weighting
Price	50%
Relevant Experience	10%
Capacity to Deliver	30%
Methodology	10%

Tenders were advertised on 17 January 2018 and closed 8 February 2018.

Nine compliant tenders were received by the closing date from:

- DMC Cleaning Corporation Pty Ltd;
- Prompcorp Pty Ltd;
- Ngarluma & Yindjibarndi Foundation Ltd (NYFL);
- Karratha Cleaning Pty Ltd;
- Denniston Bassett Holdings Pty Ltd (Shelf);
- Brida Pty Ltd;
- Delron Cleaning Pty Ltd; and
- Blue Hat Group Pty Ltd T/A Damel Cleaning Services.

The Regional Price Preference Policy was applied to seven local tenderers.

The tenders were evaluated by a panel comprising of:

- A/Manager City Services;

- Airport Terminal & Compliance Coordinator.

RISK MANAGEMENT CONSIDERATIONS

Category	Risk level	Comments
Health	Low	Nil
Financial	Moderate	Proceeding with the award of the tender is in accordance with Councils current budget.
Service Interruption	Moderate	The need to secure a contractor is important noting the existing service contract expires in April 2018. Should a new contract not be secured alternate strategies could be put in place through short term contracts or backfilling facilities with Council staff.
Environment	Low	Nil
Reputation	Low	Nil
Compliance	Low	Tenders for Cleaning Services were called in accordance with Section 3.57 of the <i>Local Government Act 1995</i> . The recommended tenderer has addressed all tender compliance requirements.

IMPACT ON CAPACITY

Subsequent to the tendering and transitional period, there will only be a marginal impact on capacity or resourcing to carry out the Officer's recommendation.

RELEVANT PRECEDENTS

Council has previously endorsed calling tenders and awarding contracts for Cleaning Services at the KLP, KTA and DCH under RFT 04-15/16

VOTING REQUIREMENTS

Simple / Absolute Majority.

OPTIONSOption 1

As per Officer's recommendation.

Option 2

That Council by SIMPLE Majority pursuant to Section 3.57 of the *Local Government Act 1995* RESOLVES to NOT SUPPORT the Officer's recommendation and PROPOSE a substitute Tenderer(s) or NOT to award any tender

CONCLUSION

The Evaluation Panel believes that the recommended tenderers provide the required level of skill, experience and capacity to perform the contract requirements to expected level.

The skills, experience and opportunities for increased levels of service represented in the tender submission are aligned with the City's strategy of providing a reliable value for money Cleaning service.

It is noted that the tender process has not provided an advantageous outcome in the case of the Dampier Community Hub. On this basis Officers recommend that the Dampier

Community Hub cleaning contract is not awarded and a separate Request for Quotation process is progressed.

PURPOSE

To inform Council of economic development activities in the month of January 2018.

BACKGROUND

Council's Strategic Community Plan 2016 - 2026 aims to attract diverse and sustainable business and employment opportunities.

CURRENT ACTIVITIES**Solar Farm Site Feasibility Study**

Council resolved in November 2017 to investigate the potential for large scale solar farms in the City. A recent RFQ process was undertaken and the City has appointed GHD Pty Ltd. The study is expected to be complete by the end of April and the results will subsequently be presented to Council.

Tourism Signage – Welcome to City of Karratha Signs

The City, Town of Port Hedland and PDC collaborated on a signage project to deliver border signs and tourist information signage on the Karratha / Hedland border. Cost savings were realised from the original budget and additional 'Welcome to the City of Karratha signs' have been acquired. These additional signs will be installed near Devils Creek / 40-Mile Beach Road and on the Tom-Price Karratha Road. City staff have been working with Main Roads to obtain necessary approvals to install the signs.

EcoHub

Council resolved to offer in principle support for the establishment of an 'EcoHub' – land for innovative and renewable enterprises south of the Karratha Airport. Street litter collected and delivered to the 7 Mile Waste Facility.

Yaburara & Coastal Mardudhunera Aboriginal Corporation (YACMAC) commenced providing litter collection staff July 2017.

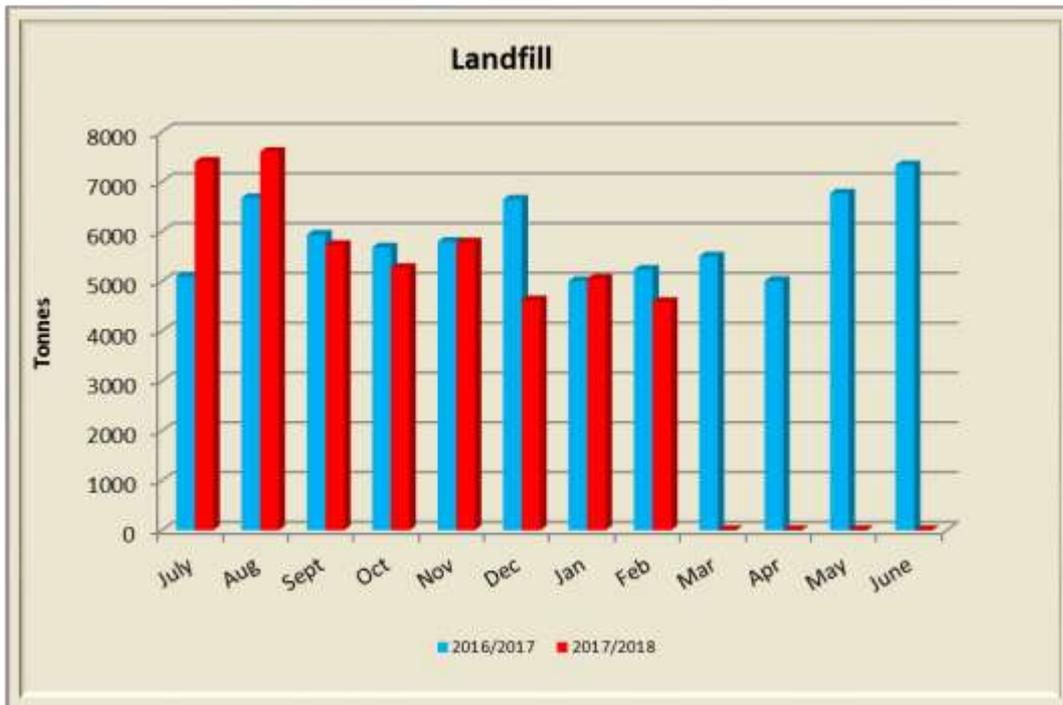

Number of litter bags collected by Ngarluma Yindjibarndi Foundation Ltd (NYFL) in Roebourne and delivered to the Wickham Transfer Station. Increase due to the Mount Welcome skip being removed early October 2017. Additional monitoring of this area by NYFL have resulted in the collection of more litter.

Liquid Waste delivered to the 7 Mile Waste Facility.

7 Mile DWER Licence amendment (22/05/2017) included a change to the liquid waste category acceptance criteria. The additional category (D300 and N205) has allowed the facility to accept different liquid waste streams. The significant increase in January was due to the delivery of stockpiled D300 from Yara, Burrup Road, Dampier.

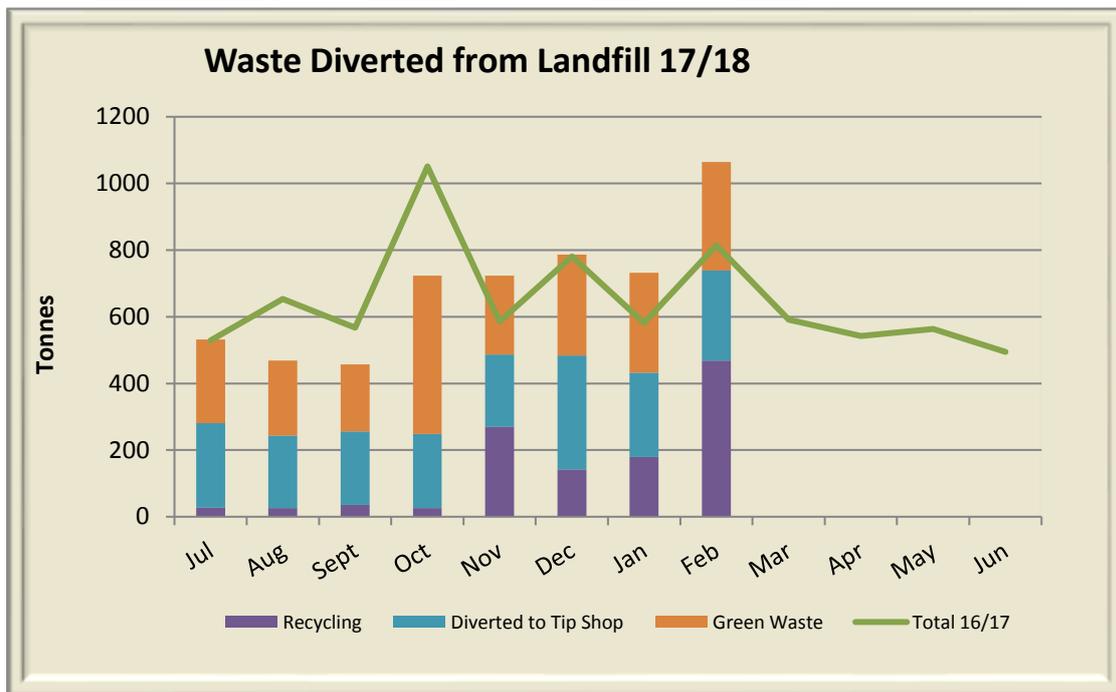

Total waste, excluding liquid and clean fill delivered to the 7 Mile Waste Facility.

The delivery of demolition waste from the dismantling of the Barrow Island’s camp ceased early September resulting in the decreased volumes. C&I from Rio Tinto sites (Cyclone Preparedness) saw the tonnages increase for the month of November.

7 Mile Tip Shop income plus value of airspace savings of waste diverted from Landfill to the shop.

7 Mile Waste Facility and Wickham Transfer Station waste diverted from landfill. Includes recycling of metal, glass, paper, plastics, non-compactible plastics, green waste and reusable items recovered for the 7 Mile Tip Shop.
