**Subject:** ICR185680 - RV.10 - Extremely upset/disappointed at proposed rate increases

To whom it may concern,

Our names are Steven and Joanne Tatham and we have two properties – 5 Yule cres Dampier and 44 Legendre Rd Nickol and we are extremely disappointed at council's decision to increase our rates. This is despite our rental income suffering at least a 75% drop and our houses have been substantially devalued to well under purchase price, and there were purchased at least 10yrs ago. This is despite council having a substantial increase in rate base with all the new housing and industrial properties developed over the last few years. We look forward to council to readjusting our rates bills as you seem intent on kicking all properties owners when they are already severely suffering from very high out goings.

Regards,

Steve and Joanne Tatham
