Subject: ICR185793 - RV.10 - Rate Increase

To Whom it May Concern,

We are long term residents of Karratha and have been rate payers for 21 years.

Every year our rates have risen the reason given was always the value of our properties had risen!! What's the reason this time?? We have been in our current property for 13 years and we believe it would not be valued at much more than what we bought it for all those years ago going on what houses in the area are selling for. It is out of control and is not fair on us, the people who WANT to live here and LIKE living in this so called CITY!!!

HOPING FOR CHANGE

Regards
