Subject: ICR186033 - RV.10 -

To Whom it may concern

I live at 4 Lewington Way Bulgarra I believe that the occupants of housing have already been through enough when the underground power was put in, also the loss of jobs.

Adding a hike on Shire Rates i believe is not in the best interest of people that live in Karratha especialy when the down turn on house pricing this will just drive people out of town..

Kind Regards

Pat Hinchcliffe
