**Subject:** Clean-up Woodbrook Lore grounds

Hi Morne,

Thanks for meeting with me on Friday 25<sup>th</sup> May to discuss a proposal to clean up the waste dump at the Woodbrook Lore grounds, we travelled out to the Lore grounds on Saturday 26<sup>th</sup> May to view a number of area that required clean up actions.

As a result of our visit it was suggested that I submit to the City of Karratha's Council meeting the following for their consideration: **We would like the Council to consider waving the tip fees to assist with the waste removal from the Woodbrook Lore ground.**

I have had early discussions with Rio Tinto which appear positive, I'll need from you a scoping document with regards to the work to enable me to seek support from interested parties.

Happy to discuss further if required.

Kind regards,

Peter Jeffries
