**FOR THE YEAR ENDED 30TH JUNE 2013**

**LOCAL GOVERNMENT ACT 1995**  
**LOCAL GOVERNMENT (FINANCIAL MANAGEMENT) REGULATIONS 1996**

**STATEMENT BY CHIEF EXECUTIVE OFFICER**

The attached financial report of the Shire of Roebourne being the annual financial report and other information for the financial year ended 30th June 2013 are in my opinion properly drawn up to present fairly the financial position of the Shire of Roebourne at 30th June 2013 and the results of the operations for the financial year then ended in accordance with the Australian Accounting Standards and comply with the provisions of the Local Government Act 1995 and the regulations under that Act.

Signed on the 27<sup>th</sup> day of September 2013

---

**Chris Adams**  
**Chief Executive Officer**

**SHIRE OF ROEBOURNE  
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT  
FOR THE YEAR ENDED 30TH JUNE 2013**

**1. SIGNIFICANT ACCOUNTING POLICIES**

The significant accounting policies which have been adopted in the preparation of this financial report are presented below and have been consistently applied unless stated otherwise.

**(a) Basis of Preparation**

The financial report is a general purpose financial statement which has been prepared in accordance with Australian Accounting Standards (as they apply to local governments and not-for-profit entities), Australian Accounting Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board, the local Government Act 1995 and accompanying regulations.

Except for cash flow and rate setting information, the report has also been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of the selected non-current assets, financial assets and liabilities.

**Critical Accounting Estimates**

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

**(b) The Local Government Reporting Entity**

All Funds through which the Council controls resources to carry on its functions have been included in the financial statements forming part of this financial report.

In the process of reporting on the local government as a single unit, all transactions and balances between those funds (for example, loans and transfers between Funds) have been eliminated.

All monies held in the Trust Fund are excluded from the financial statements, but a separate statement of those monies appears at Note 19 to these financial statements.

**(c) Goods and Services Tax**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables in the statement of financial position are stated inclusive of applicable GST. The net amount of GST recoverable from, or payable to the ATO, is included with receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to the ATO, are presented as operating cash flows.

**(d) Cash and Cash Equivalents**

Cash and cash equivalents include cash on hand, cash at bank, deposits available on demand with banks, other short term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value and bank overdrafts.

Bank overdrafts are shown as short term borrowings in current liabilities on the statement of financial position.

**SHIRE OF ROEBOURNE  
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT  
FOR THE YEAR ENDED 30TH JUNE 2013**

**1. SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**(e) Trade and Other Receivables**

Collectibility of trade and other receivables is reviewed on an ongoing basis. Debts that are known to be uncollectible are written off when identified. An allowance for doubtful debts is raised when there is objective evidence that they will not be collectible.

Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

**(f) Inventories**

***General***

Inventories are measured at the lower of cost and net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

***Land Held for Resale***

Land purchased for development and/or resale is valued at the lower of cost and net realisable value. Cost includes the cost of acquisition, development, borrowing costs and holding costs until Finance costs and holding charges incurred after development is completed are expensed.

Gains and losses are recognised in the statement of comprehensive income at the time of signing an unconditional contract of sale if significant risks and rewards, and effective control over the land, are passed on to the buyer at this point.

Land held for resale is classified as current except where it is held as non-current based on Council's intention to release for sale.

**(g) Fixed Assets**

Each class of fixed assets is carried at cost or fair value as indicated less, where applicable, any accumulated depreciation or impairment losses.

***Mandatory Requirement to Revalue Non-Current Assets***

Effective from 1 July 2012, the Local Government (Financial Management) Regulations were amended and the measurement of non-current assets at fair value became mandatory.

The amendments allow for a phasing in of fair value in relation to **fixed** assets over three years as follows:

- (a) for the financial year ending on 30 June 2013, the fair value of all of the assets of the local government that are plant and equipment; and
- (b) for the financial year ending on 30 June 2014, the fair value of all of the assets of the local government -
  - (i) that are plant and equipment; and
  - (ii) that are -
    - (I) land and buildings; or
    - (II) infrastructure;and
- (c) for a financial year ending on or after 30 June 2015, the fair value of all of the assets of the local government.

**SHIRE OF ROEBOURNE**  
**NOTES TO AND FORMING PART OF THE FINANCIAL REPORT**  
**FOR THE YEAR ENDED 30TH JUNE 2013**

**1. SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**(g) Fixed Assets (Continued)**

Thereafter, in accordance with the regulations, each asset class must be revalued at least every 3 years.

Council has commenced the process of adopting Fair Value in accordance with the Regulations.

Relevant disclosures, in accordance with the requirements of Australian Accounting Standards, have been made in the financial report as necessary.

***Land Under Control***

In accordance with local Government (Financial Management) Regulation 16 (a), the Council is required to include as an asset (by 30 June 2013), Crown Land operated by the local government as a golf course, showground, racecourse or other sporting or recreational facility of State or regional significance.

Upon initial recognition, these assets were recorded at cost in accordance with AASB 116. They were then classified as Land and revalued along with other land in accordance with other policies detailed in this Note.

Whilst they were initially recorded at cost, fair value at the date of acquisition was deemed cost as per AASB 116.

Consequently, these assets were initially recognised at cost but are scheduled to be revalued along with other items of Land and Buildings at 30 June 2014.

***Initial Recognition***

All assets are initially recognised at cost. Cost is determined as the fair value of the assets given as consideration plus costs incidental to the acquisition. For assets acquired at no cost or for nominal consideration, cost is determined as fair value at the date of acquisition. The cost of non-current assets constructed by the Council includes the cost of all materials used in construction, direct labour on the project and an appropriate proportion of variable and fixed overheads.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable future economic benefits associated with the item will flow to the Council and the cost of the item can be measured reliably. All other repairs and maintenance are recognised as expenses in the statement of comprehensive income in the period in which they are incurred.

***Revaluation***

Revalued assets are carried at their fair value being the price that would be received to sell the asset, in an orderly transaction between market participants at the measurement date.

For land and buildings, fair value will be determined based on the nature of the asset class. For land and non-specialised buildings, fair value is determined on the basis of observable open market values of similar assets, adjusted for conditions and comparability at their highest and best use (Level 2 inputs in the fair value hierarchy).

With regards to specialised buildings, fair value is determined having regard for current replacement cost and both observable and unobservable costs. These include construction costs based on recent contract prices, current condition (observable Level 2 inputs in the fair value hierarchy), residual values and remaining useful life assessments (unobservable Level 3 inputs in the fair value hierarchy).

**SHIRE OF ROEBOURNE  
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT  
FOR THE YEAR ENDED 30TH JUNE 2013**

**1. SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**(g) Fixed Assets (Continued)**

For infrastructure and other asset classes, fair value is determined to be the current replacement cost of an asset (Level 2 inputs in the fair value hierarchy) less, where applicable, accumulated depreciation calculated on the basis of such cost to reflect the already consumed or expired future economic benefits of the asset (Level 3 inputs in the fair value hierarchy).

Increases in the carrying amount arising on revaluation of assets are credited to a revaluation surplus in equity. Decreases that offset previous increases in the same asset are recognised against revaluation surplus directly in equity. All other decreases are recognised as profit or loss.

Any accumulated depreciation at the date of revaluation of land & building is eliminated against the gross carrying amount of the asset and the net amount is restated to the revalued amount of the asset.

Those assets carried at a revalued amount, being their fair value at the date of revaluation less any subsequent accumulated depreciation and accumulated impairment losses, are to be revalued with sufficient regularity to ensure the carrying amount does not differ materially from that determined using fair value at reporting date.

In addition, the amendments to the Financial Management Regulations mandating the use of Fair Value, imposes a further minimum of 3 years revaluation requirement. As a minimum, all assets carried at a revalued amount, will be revalued at least every 3 years.

***Transitional Arrangement***

During the time it takes to transition the carrying value of non-current assets from the cost approach to the fair value approach, the Council may still be utilising both methods across differing asset classes.

Those assets carried at cost will be carried in accordance with the policy detailed in the ***Initial Recognition*** section as detailed above.

Those assets carried at fair value will be carried in accordance with the ***Revaluation*** methodology section as detailed above.

***Early Adoption of AASB 13 - Fair Value Measurement***

Whilst the new accounting standard in relation to fair value, *AASB 13 - Fair Value Measurement* does not become applicable until the end of the year ended 30 June 2014 (in relation to Council), given the legislative need to commence using Fair Value methodology for this reporting period, the Council chose to early adopt AASB 13 (as allowed for in the standard).

As a consequence, the principles embodied in *AASB 13 - Fair Value Measurement* have been applied to this reporting period (year ended 30 June 2013).

Due to the nature and timing of the adoption (driven by legislation), the adoption of this standard has had no effect on previous reporting periods.

***Land under Roads***

In Western Australia, all land under roads is Crown Land, the responsibility for managing which, is vested in the local government.

Effective as at 1 July 2008, Council elected not to recognise any value for land under roads acquired on or before 30 June 2008. This accords with the treatment available in Australian Accounting Standard AASB1051 - Land Under Roads and the fact Local Government (Financial Management) Regulation 16(a)(i) prohibits local governments from recognising such land as an asset.

**SHIRE OF ROEBOURNE  
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT  
FOR THE YEAR ENDED 30TH JUNE 2013**

**1. SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**(g) Fixed Assets (Continued)**

In respect of land under roads acquired on or after 1 July 2008, as detailed above, Local Government (Financial Management) Regulation 16(a)(i) prohibits local governments from recognising such land as an asset.

Whilst such treatment is inconsistent with the requirements of AASB 1051, Local Government (Financial Management) Regulation 4(2) provides, in the event of such an inconsistency, the Local Government (Financial Management) Regulations prevail.

Consequently, any land under roads acquired on or after 1 July 2008 is not included as an asset of the Council.

***Depreciation of Non-Current Assets***

All non-current assets having a limited useful life (excluding freehold land) are separately and systematically depreciated over their useful lives in a manner which reflects the consumption of the future economic benefits embodied in those assets.

Assets are depreciated from the date of acquisition or, in respect of internally constructed assets, from the time the asset is completed and held ready for use.

Depreciation is recognised on a straight-line basis, using rates which are reviewed each reporting period. Major depreciation rates are:

Artwork/sculptures	2.00%
Buildings	1.80%
Furniture and (Internal) Equipment	
- Computers and peripherals	32.00%
- Other Electronic Equipment	18.00%
- Furniture	9.00%
Plant	
- construction plant (includes prime movers and trailers)	9.00%
- construction vehicles (eg trucks)	15.00%
- light commercial vehicles	15.00%
- passenger vehicles	12.00%
Equipment	
- light plant and (external) equipment	
heavy usage	42.00%
light usage	21.00%
Infrastructure	
- roads	3.60%
- paths and cycleways	4.80%
- aerodromes	3.60%
- parks and gardens	1.00%
- hardcourt facilities	
bitumen surface	3.60%
concrete base	2.40%
- bridges and culverts	4.80%
- drainage	1.80%
- miscellaneous structures	4.80%
- boat ramps/jetties	6.67%

The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

**SHIRE OF ROEBOURNE  
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT  
FOR THE YEAR ENDED 30TH JUNE 2013**

**1. SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**(g) Fixed Assets (Continued)**

***Depreciation of Non-Current Assets (Continued)***

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in the statement of comprehensive income. When revalued assets are sold, amounts included in the revaluation surplus relating to that asset are transferred to retained surplus.

***Capitalisation Threshold***

For reasons of practicality, the following thresholds have been applied, below which any expenditure on assets is not capitalised:

- Land - All purchases are capitalised at cost.
- Artwork/Sculptures - All purchases are capitalised at cost.
- Buildings - Expenses totalling less than \$1,000 on any building in any one year are not capitalised.
- Furniture and (Internal) Equipment - Expenses totalling less than \$500 on any one item in any one year are not capitalised.
- Plant and (External) Equipment and Tools - Expenses totalling less than \$1,000 on any one item one year are not capitalised.
- Infrastructure Assets - Roads - Expenses totalling less than \$2,000 on any one item in any year are not capitalised.
- Infrastructure Assets - Footpaths and Cycleways - Expenses totalling less than \$2,000 on any one item in any year are not capitalised.
- Infrastructure Assets - Aerodrome - Expenses totalling less than \$2,000 on any one item in any year are not capitalised.
- Infrastructure Assets - Parks and Reserves - Expenses totalling less than \$2,000 on any one item in any year are not capitalised.
- Infrastructure Assets - Hardcourt Facilities - Expenses totalling less than \$2,000 on any one item in any year are not capitalised.
- Infrastructure Assets - Bridges and Culverts - Expenses totalling less than \$2,000 on any one item in any year are not capitalised.
- Infrastructure Assets - Drainage - Expenses totalling less than \$2,000 on any one item in any year are not capitalised.
- Infrastructure Assets - Miscellaneous Structures - Expenses totalling less than \$2,000 on any one item in any year are not capitalised.
- Infrastructure Assets - Boat Ramps/Jetties - Expenses totalling less than \$2,000 on any one item in any year are not capitalised.

For assets which, at the time of acquisition, there is a reasonable expectation that they may last for more than one accounting period, but their cost is below the declared thresholds for capitalisation, they are recorded in quantitative terms to ensure a record of ownership and location exists.

**SHIRE OF ROEBOURNE  
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT  
FOR THE YEAR ENDED 30TH JUNE 2013**

**1. SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**(h) Financial Instruments**

***Initial Recognition and Measurement***

Financial assets and financial liabilities are recognised when the Council becomes a party to the contractual provisions to the instrument. For financial assets, this is equivalent to the date that the Council commits itself to either the purchase or sale of the asset (ie trade date accounting is adopted).

Financial instruments are initially measured at fair value plus transaction costs, except where the instrument is classified 'at fair value through profit or loss', in which case transaction costs are expensed to profit or loss immediately.

***Classification and Subsequent Measurement***

Financial instruments are subsequently measured at fair value, amortised cost using the effective interest rate method or at cost.

Fair value represents the amount for which an asset could be exchanged or a liability settled, between knowledgeable, willing parties. Where available, quoted prices in an active market are used to determine fair value. In other circumstances, valuation techniques are adopted.

Amortised cost is calculated as:

- (a) the amount in which the financial asset or financial liability is measured at initial recognition;
- (b) less principal repayments;
- (c) plus or minus the cumulative amortisation of the difference, if any, between the amount initially recognised and the maturity amount calculated using the effective interest rate method; and
- (d) less any reduction for impairment.

The effective interest rate method is used to allocate interest income or interest expense over the relevant period and is equivalent to the rate that discounts estimated future cash payments or receipts (including fees, transaction costs and other premiums or discounts) through the expected life (or when this cannot be reliably predicted, the contractual term) of the financial instrument to the net carrying amount of the financial asset or financial liability. Revisions to expected future net cash flows will necessitate an adjustment to the carrying value with a consequential recognition of an income or expense in profit or loss.

***(i) Financial assets at fair value through profit and loss***

Financial assets at fair value through profit or loss are financial assets held for trading. A financial asset is classified in this category if acquired principally for the purpose of selling in the short term. Derivatives are classified as held for trading unless they are designated as hedges. Assets in this category are classified as current. They are subsequently measured at fair value with changes to carrying amount being included in profit or loss.

***(ii) Loans and receivables***

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are subsequently measured at amortised cost. Gains or losses are recognised in profit or loss.

Loans and receivables are included in current assets where they are expected to mature within 12 months after the end of the reporting period.

**SHIRE OF ROEBOURNE  
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT  
FOR THE YEAR ENDED 30TH JUNE 2013**

**1. SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**(h) Financial Instruments (Continued)**

***Classification and Subsequent Measurement (Continued)***

***(iii) Held-to-maturity investments***

Held-to-maturity investments are non-derivative financial assets with fixed maturities and fixed or determinable payments and fixed maturities that the Council's management has the positive intention and ability to hold to maturity. They are subsequently measured at amortised cost. Gains or losses are recognised in profit or loss.

Held-to-maturity investments are included in current assets where they are expected to mature within 12 months after the end of the reporting period. All other investments are classified as non-current.

***(iv) Available-for-sale financial assets***

Available-for-sale financial assets, are non-derivative financial assets that are either not suitable to be classified into other categories of financial assets due to their nature, or they are designated as such by management. They comprise investments in the equity of other entities where there is neither a fixed maturity nor fixed or determinable.

They are subsequently measured at fair value with changes in such fair value (ie gains or losses) recognised in other comprehensive income (except for impairment losses). When the financial asset is derecognised, the cumulative gain or loss pertaining to the asset previously recognised in other comprehensive income, is reclassified into profit or loss.

Available-for-sale financial assets are included in non-current assets, except for those which are expected to mature within 12 months after the end of the reporting period (classified as current assets).

***(v) Financial liabilities***

Non-derivative financial liabilities (excluding financial guarantees) are subsequently measured at amortised cost.

***Impairment***

At the end of each reporting period, the Council assesses whether there is objective evidence that a financial instrument has been impaired.

A financial asset is deemed to be impaired if, and only if, there is objective evidence of impairment as a result of one or more events having occurred, which will have an impact on the estimated future cash flows of the financial asset(s).

In the case of available-for-sale financial instruments, a significant or prolonged decline in the market value of the instrument is considered a loss event. Impairment losses are recognised in profit or loss immediately. Also, any cumulative decline in fair value previously recognised in other comprehensive income is reclassified into profit or loss at this point.

***Derecognition***

Financial assets are derecognised where the contractual rights to receipt of cash flows expire or the asset is transferred to another party whereby the Council no longer has any significant continued involvement in the risks and benefits associated with the asset.

Financial liabilities are derecognised where the related obligations are discharged, cancelled or expire. The difference between the carrying amount of the financial liability extinguished or transferred to another party and the fair value of the consideration paid, including the transfer of non-cash assets or liabilities assumed, is recognised in profit or loss.

**SHIRE OF ROEBOURNE  
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT  
FOR THE YEAR ENDED 30TH JUNE 2013**

**1. SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**(i) Estimation of Fair Value**

The fair value of financial assets and financial liabilities must be estimated for recognition and measurement or for disclosure purposes.

The fair value of financial instruments traded in active markets is based on quoted market prices at the reporting date.

The fair value of financial instruments that are not traded in an active market is determined using valuation techniques. The Council uses a variety of methods and makes assumptions that are based on market conditions existing at each reporting date. These include the use of recent arm's length transactions, reference to other instruments that are substantially the same, discounted cash flow analysis, and option pricing models making maximum use of market inputs and relying as little as possible on entity-specific inputs.

Quoted market prices or dealer quotes for similar instruments are used for long-term debt instruments held. Other techniques, such as estimated discounted cash flows, are used to determine fair value for the remaining financial instruments.

The nominal value less estimated credit adjustments of trade receivables and payables are assumed to approximate their fair values. The fair value of financial liabilities for disclosure purposes is estimated by discounting the future contractual cash flows at the current market interest rate that is available to the Council for similar financial instruments.

**(j) Impairment**

In accordance with Australian Accounting Standards the Council's **assets**, other than inventories, are assessed at each reporting date to determine whether there is any indication they may be impaired.

Where such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, to the asset's carrying amount.

Any excess of the asset's carrying amount over its recoverable amount is recognised immediately in profit or loss, unless the asset is carried at a revalued amount in accordance with another standard (eg AASB 116). Any impairment loss of a revalued asset is treated as a revaluation decrease in accordance with that other standard.

For non-cash generating assets such as roads, drains, public buildings and the like, value in use is represented by the depreciated replacement cost of the asset.

**(k) Trade and Other Payables**

Trade and other payables represent liabilities for goods and services provided to the Council prior to the end of the financial year that are unpaid and arise when the Council becomes obliged to make future payments in respect of the purchase of these goods and services. The amounts are unsecured and are usually paid within 30 days of recognition.

**SHIRE OF ROEBOURNE**  
**NOTES TO AND FORMING PART OF THE FINANCIAL REPORT**  
**FOR THE YEAR ENDED 30TH JUNE 2013**

**1. SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**(l) Employee Benefits**

The provisions for employee benefits relates to amounts expected to be paid for long service leave, annual leave, wages and salaries and are calculated as follows:

**(i) Wages, Salaries, Annual Leave and Long Service Leave (Short-term Benefits)**

The provision for employees' benefits to wages, salaries, annual leave and long service leave expected to be settled within 12 months represents the amount the Council has a present obligation to pay resulting from employees services provided to reporting date. The provision has been calculated at nominal amounts based on remuneration rates the Council expects to pay and includes related on-costs.

**(ii) Long Service Leave (Long-term Benefits)**

The liability for long service leave is recognised in the provision for employee benefits and measured as the present value of expected future payments to be made in respect of services provided by employees up to the reporting date using the projected unit credit method. Consideration is given to expected future wage and salary levels, experience of employee departures and periods of service. Expected future payments are discounted using market yields at the reporting date on national government bonds with terms to maturity and currency that match as closely as possible, the estimated future cash outflows. Where the Council does not have the unconditional right to defer settlement beyond 12 months, the liability is recognised as a current liability.

Employee benefits are accrued on the basis of numbers of years employed (continuously) in Local Government as follows:

0-1	years	10%	of normal accrual
1-2	years	15%	of normal accrual
2-3	years	25%	of normal accrual
3-4	years	40%	of normal accrual
4-5	years	60%	of normal accrual
5-6	years	80%	of normal accrual
6-7	years	90%	of normal accrual
7-10	years	100%	of normal accrual

The Shire of Roebourne's Enterprise Agreement 2012 permits employees to apply to take pro-rata Long Service Leave (6.5 weeks) on completion of each 5 years of continuous service with the Shire. Where an employee has reached a period of service with the Shire longer than 5 years but less than 7, employee benefits are accrued on the basis of numbers of years employed (continuously) with the Shire of Roebourne as follows:

0-1	years	20%	of normal accrual
1-2	years	30%	of normal accrual
2-3	years	50%	of normal accrual
3-4	years	70%	of normal accrual
4-5	years	90%	of normal accrual

**(m) Borrowing Costs**

Borrowing costs are recognised as an expense when incurred except where they are directly attributable to the acquisition, construction or production of a qualifying asset. Where this is the case, they are capitalised as part of the cost of the particular asset.

**(n) Provisions**

Provisions are recognised when:

- a) the Council has a present legal or constructive obligation as a result of past events;
- b) for which it is probable that an outflow of economic benefits will result to settle the obligation; and
- c) that outflow can be reliably measured.

Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

Provisions are not recognised for future operating losses.

**SHIRE OF ROEBOURNE  
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT  
FOR THE YEAR ENDED 30TH JUNE 2013**

**1. SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**(o) Leases**

Leases of fixed assets, where substantially all the risks and benefits incidental to the ownership of the asset, but not legal ownership, are transferred to the Council, are classified as finance leases. Finance leases are capitalised recording an asset and a liability equal to the present.

Finance leases are capitalised recording an asset and a liability at the lower amounts equal to the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Leased assets are depreciated on a straight line basis over the shorter of their estimated useful lives or the lease term.

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

Lease incentives under operating leases are recognised as a liability and amortised on a straight line basis over the life of the lease term.

**(p) Joint Venture**

The Council's interest in a joint venture has been recognised in the financial statements by including its share of any assets, liabilities, revenues and expenses of the joint venture within the appropriate line items of the financial statement. Information about the joint venture is set out in Note 16.

**(q) Rates, Grants, Donations and Other Contributions**

Rates, grants, donations and other contributions are recognised as revenues when the local government obtains control over the assets comprising the contributions. Control over assets acquired from rates is obtained at the commencement of the rating period or, where earlier, upon receipt of the rates.

Where contributions recognised as revenues during the reporting period were obtained on the condition that they be expended in a particular manner or used over a particular period, and those conditions were undischarged as at the reporting date, the nature of and amounts pertaining to those undischarged conditions are disclosed in Note 2(c). That note also discloses the amount of contributions recognised as revenues in a previous reporting period which were obtained in respect of the local government's operation for the current reporting period.

**(r) Superannuation**

The Council contributes to a number of superannuation funds on behalf of employees. All funds to which the Council contributes are defined contribution plans.

**(s) Current and Non-Current Classification**

In the determination of whether an asset or liability is current or non-current, consideration is given to the time when each asset or liability is expected to be settled. The asset or liability is classified as current if it is expected to be settled within the next 12 months, being the Council's operational cycle. In the case of liabilities where the Council does not have the unconditional right to defer settlement beyond 12 months, such as vested long service leave, the liability is classified as current even if not expected to be settled within the next 12 months. Inventories held for trading are classified as current even if not expected to be realised in the next 12 months except for land held for resale where it is held as non-current based on Council's intentions to release for sale.

[AASB 1, 3, 4, 5, 7, 101, 102, 108, 112, 118, 120, 121, 127, 128, 131, 132, 136, 137, 139, 1023 & 1038 and Interpretations 2, 5, 10, 12, 19 & 127]			
(iv) AASB 10 - Consolidated Financial Statements, AASB 11 - Joint Arrangements, AASB 12 - Disclosure of Interests in Other Entities, AASB 127 - Separate Financial Statements, AASB 128 - Investments in Associates and Joint Ventures, AASB 2011 - 7 Amendments to Australian Accounting Standards arising from the Consolidation and Joint Arrangement Standards	August 2011	01 January 2013	Nil - None of these, except for AASB 128, are expected to have significant application to the operations of the Council. With respect to AASB 128, where the Council has an interest in a Joint Venture, the requirements of AASB 128 supercede those of the current Joint Venture Standard AASB 131. The new standard more clearly defines the accounting treatment and disclosure in relation to it. Due to the nature of the Joint Venture, it is not expected to have a significant impact on the Council.
[AASB 1, 2, 3, 5, 7, 9, 2009-11, 101, 107, 112, 118, 121, 124, 132, 133, 136, 138, 139, 1023 & 1038 and Interpretations 5, 9, 16 & 17]

**1. SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**(w) New Accounting Standards and Interpretations for Application in Future Periods (Continued)**

<b>Title and Topic</b>	<b>Issued</b>	<b>Applicable (*)</b>	<b>Impact</b>
(v) AASB 2011 - 9 Amendments to Australian Accounting Standards – Presentation of Items of Other Comprehensive Income [AASB 1, 5, 7, 101, 112, 120, 121, 132, 133, 134, 1039 & 1049]	September 2011	01 July 2013	The main change embodied in this standard is the requirement to group items presented in other comprehensive income on the basis of whether they are potentially reclassifiable to profit or loss subsequently.  It affects presentation only and is not expected to significantly impact the Council.
(vi) AASB 119 - Employee Benefits, AASB 2011 - 10 Amendments to Australian Accounting Standards arising from AASB 119 [AASB 1, 8, 101, 124, 134, 1049 & 2012-8 and Interpretation 14]	September 2011	01 January 2013	The changes in relation to defined benefit plans contained in this standard are not expected to significantly impact the Council nor are the changes to AASBs in relation to termination benefits.
(vii) AASB 2012-2 Amendments to Australian Accounting Standards – Disclosures – Offsetting Financial Assets and Financial Liabilities [AASB 7 & 32]	June 2012	01 January 2013	Principally amends AASB 7: Financial Instruments: Disclosures to require entities to include information that will enable users of their financial statements to evaluate the effect or potential effect of netting arrangements, including rights of set-off associated with the entity's recognised financial assets and recognised financial liabilities, on the entity's financial position.  This Standard is not expected to significantly impact on the Council's financial statements.

**NOTES TO AND FORMING PART OF THE FINANCIAL REPORT**  
**FOR THE YEAR ENDED 30TH JUNE 2013**

**1. SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**(w) New Accounting Standards and Interpretations for Application in Future Periods (Continued)**

Title and Topic	Issued	Applicable (*)	Impact
(viii) AASB 2012-3: Amendments to Australian Accounting Standards – Offsetting Financial Assets and Financial Liabilities [AASB 132]	June 2012	01 January 2014	This Standard adds application guidance to AASB 132: <i>Financial Instruments: Presentation</i> to address potential inconsistencies identified in applying some of the offsetting criteria of AASB 132, including clarifying the meaning of “currently has a legally enforceable right of set-off” and that some gross settlement systems may be considered equivalent to net settlement.
(ix) AASB 2012-5: Amendments to Australian Accounting Standards arising from Annual Improvements 2009-2011 Cycle [AASB 1, 101, 116, 132, 134 and Interpretation 2]	June 2012	01 January 2013	This Standard is not expected to significantly impact on the Council's financial statements.  Outlines changes to the various standards and interpretations as listed. These topics are not currently relevant to Council, nor are they expected to be in the future. As a consequence, this Standard is not expected to significantly impact on the Council's financial statements.
(x) AASB 2012-10: Amendments to Australian Accounting Standards – Transition Guidance and Other Amendments. [AASB 1, 5, 7, 8, 10, 11, 12, 13, 101, 102, 108, 112, 118, 119, 127, 128, 132, 133, 134, 137, 1023, 1038, 1039, 1049 & 2011-7 and Interpretation 12]	December 2012	01 January 2013	Mainly consequential changes relating to transition guidance. It is not expected to have a significant impact on Council.

**SHIRE OF ROEBOURNE**  
**NOTES TO AND FORMING PART OF THE FINANCIAL REPORT**  
**FOR THE YEAR ENDED 30TH JUNE 2013**

**1. SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**(x) Adoption of New and Revised Accounting Standards**

During the current year, the Council adopted all of the new and revised Australian Accounting Standards and Interpretations which became mandatory and which were applicable to its operations.

These new and revised standards were:

AASB 2010 – 8  
AASB 2011 – 3  
AASB 2011 - 13

The standards adopted had a minimal effect on the accounting and reporting practices of the Council as they were either largely editorial in nature, were revisions to help ensure consistency with presentation, recognition and measurement criteria of IFRSs or related to topics not relevant to operations.

The Council also chose to early adopt AASB 13 – *Fair Value Measurement* as allowed for in the standard. For further details with respect to this early adoption, refer to Note 1(g).

**(y) Securing a Clean Energy Future - the Australian Government's Climate Change Plan**

On 10 July 2011, the Commonwealth Government announced the "Securing a Clean Energy Future - the Australian Government's Climate Change Plan". Whilst the announcement provides further details of the framework for a carbon pricing mechanism, uncertainties continue to exist on the impact of any carbon pricing mechanisms on the Council as legislation must be voted on and passed by both houses of Parliament. In addition, as the Council will not fall within the "Top 500 Australian Polluters", the impact of the Carbon Scheme will be through indirect effects of increased prices on many production inputs and general business expenses as suppliers subject to the carbon pricing mechanism are likely to pass on their carbon price burden to their customers in the form of increased prices. Council expects that this will not have significant impact upon the operation costs within the business, and therefore will not have an impact upon the valuation of assets and/or going concern of the business.

**(z) Comparative figures**

Where required comparative balances have been amended to conform with Accounting Standards and / or the Local Government Act 1995.

**SHIRE OF ROEBOURNE  
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT  
FOR THE YEAR ENDED 30TH JUNE 2013**

**2. REVENUE AND EXPENSES (Continued)**

**(b) Statement of Objective**

The Shire of Roebourne is dedicated to providing high quality services to the community through the various service orientated programs which it has established.

**GOVERNANCE**

Functions relating to the Councillors and the running of Council.

Expenditure includes the running of elections, payments of expenses to Councillors and non statutory donations.

**GENERAL PURPOSE FUNDING**

Rating and Government Grant functions.

Includes the financial assistance grant received from the Local Government Grants Commission and all rate income.

**LAW, ORDER AND PUBLIC SAFETY**

Supervision of various by-laws, fire and emergency services, and animal control.

Includes expenditure for the Ranger Services, State Emergency Service and also cyclone preparation expenses.

**HEALTH**

Food control, immunisation services, mosquito control and maintenance of child health centres.

Expenditure includes the maintenance of the child health clinic buildings, various health promotions and pest control expenses mainly relating to mosquito control.

**EDUCATION AND WELFARE**

Maintain preschool facilities and day care centres.

It includes expenditure in maintaining the day care centre buildings and also donations to schools for awards etc.

**HOUSING**

Maintain staff housing.

**COMMUNITY AMENITIES**

Rubbish collection services, operation of tip, administration of town planning schemes and operation of cemeteries.

Also included are the cost associated with the maintaining and cleaning of public toilets.

**RECREATION AND CULTURE**

Maintenance of halls, swimming pool, recreation centres, various reserves and operation of libraries.

Expenditure includes the cost of the Karratha Entertainment Centre and other pavilions, oval and parks maintenance, Karratha Swimming Pool, coastal rehabilitation, and the four libraries. Expenses relating to the historical town of Cossack, the Walkington Theatre and SBS television and JJJ radio re-broadcasting are also included in this function.

**TRANSPORT**

Construction and maintenance of roads, drainage, footpaths, parking facilities, traffic signs and the aerodromes.

It includes expenditure for the construction and maintenance of the roads, footpaths and also the expenditure relating to parking control and the operation of the Karratha Airport.

**ECONOMIC SERVICES**

Tourism and administration of building controls.

Expenditure includes Councils contributions to the Karratha and Roebourne Tourist Bureau's and the Pilbara Tourism Association, and the costs associated with building control.

**OTHER PROPERTY AND SERVICES**

Private works and other unclassified works.

It also includes expenditure relating to plant operations and the Technical Services Division however these cost are then reallocated to the other functions.

The costs associated with financing are allocated direct to the relevant functions.

The costs associated with administration are allocated to the relevant functions as set out in Appendix 2.

	1(l)	<u>516,783</u>	<u>361,050</u>

On the 29th August 2012, Fair Work Australia approved the Shire of Roebourne Enterprise Agreement 2012. This new Enterprise Agreement significantly affected the calculation of provisions in relation to Long Service Leave due to it permitting employees to apply to take pro-rata Long Service Leave on completion of each 5 years of continuous service with the Shire. This has resulted in a significant increase in the calculated provision and is more fully disclosed in note 1(l).

Annual leave liabilities have been classified as current as there is no unconditional right to defer settlement for at least 12 months after the reporting period. Assessments indicate that actual settlement of the liabilities will occur as follows:

	2013 \$	2012 \$
Within 12 months of the end of the reporting period	2,115,720	1,801,761
More than 12 months after the reporting period	<u>0</u>	<u>0</u>
	<u>2,115,720</u>	<u>1,801,761</u>

**SHIRE OF ROEBOURNE  
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT  
FOR THE YEAR ENDED 30TH JUNE 2013**

**11. RESERVES - CASH BACKED (continued)**

**Aerodrome Reserve**

The purpose of this reserve is to fund the development, operation and maintenance of the Karratha airport inclusive of repayments of borrowings and the funding of employee entitlements.

**Airconditioning Reserve**

The purpose of this reserve is to fund upgrades to major Airconditioning plant.

**Dampier Drainage Reserve**

This reserve is maintained as part of an agreement between Council and Hamersley Iron, the purpose of the reserve is to ensure funds are available for the maintenance of drainage in Dampier.

Hamersley Iron contribute \$10,000 each year and any surplus funds are placed in the reserve.

**Walkington Theatre Reserve**

The purpose of this reserve is to fund the operation and capital works of the Walkington Theatre.

**Plant Replacement Reserve**

The purpose of this reserve is to fund the capital purchase of plant and equipment .

**Workers Compensation Reserve**

The purpose of this reserve is to provide Council with sufficient funds to cover its potential liability in regard to the performance based workers compensation scheme of Local Government Insurance Services of which the Shire of Roebourne is a member. Funds within the Reserve that become surplus to requirements will be transferred to Council's Employee Entitlements Reserve via way of Council's Annual Budget.

**Waste Management Reserve**

The purpose of this reserve is to fund the development, operation and maintenance of the Council's Waste Management facilities inclusive of repayments of borrowings and the funding of employee entitlements.

**Infrastructure Reserve**

The purpose of this reserve is to allow for the use of these reserve funds for the enhancement, replacement refurbishment and purchase of Infrastructure assets or project works of the Shire of Roebourne inclusive of any associated repayment of borrowings on infrastructure. Project works funded from this reserve may not necessarily belong to the Shire of Roebourne but must be carried out for the ultimate benefit of the Shire of Roebourne.

**Housing Reserve**

The purpose of this reserve is to fund the maintenance, refurbishment, replacement and construction of staff housing inclusive of the purchase of land and repayment of borrowings.

**Parks, Ovals & Recreation Facilities Reserve**

The purpose of this reserve is to fund the development/replacement of Parks, Ovals and Recreation Facilities.

**Information Technology Reserve**

This Reserve was created in June 2004 for the specific purpose of replacing major items relating to Council's Information Technology. Major organisational software upgrades will be sourced from this fund as well.

**Aged Persons Units Reserve**

The purpose of this reserve is to assist in the transfer of Seniors from the current senior's village on Welcome Road to the new village provisioned by the State Government.

**SHIRE OF ROEBOURNE  
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT  
FOR THE YEAR ENDED 30TH JUNE 2013**

**11. RESERVES - CASH BACKED (continued)**

**Junior Sport Reserve**

The purpose of this Reserve is to fund the development of junior sport within the Shire of Roebourne including infrastructure.

**Public Open Space Reserve**

The purpose of this reserve is to fund future developments of public open spaces funded by proceeds from the undertaking of Land transactions and Community Contributions received for the purpose of Public Open Space.

**History & Cultural Publications Reserve**

The purpose of this reserve is to fund future history and cultural publications. The income is generated from the sale of these publications.

**Mosquito Control Reserve**

The purpose of this reserve is to fund mosquito control programmes inclusive of the purchase of replacement equipment as required.

**Medical Services Assistance Package Reserve**

The purpose of this reserve is to fund future assistance to Medical Services in accordance with Council's participation in the Medical Services Incentive Scheme. This is inclusive of retention payments to General Practitioner's in accordance with the Medical Services Incentive Scheme.

**Royalties for Regions**

The purpose of this reserve is to hold unexpended grant revenues, and associated interest, from the State Government's Royalties for Regions programme.

**Underground Power Reserve**

The purpose of this reserve is to secure the unspent portions of borrowings pertaining to the Shire of Roebourne's 25% share of costs in relation to the Pilbara Underground Power Project.

**Employee Entitlements Reserve**

The purpose of this reserve is to fund employee leave entitlements when on extended leave, including long service leave as well as periods of annual Leave for periods of greater than four weeks duration thereby retaining salary and wages budgets for the funding of replacement staffing during extended periods of leave.

**Community Development Reserve**

The purpose of this reserve is to hold Annual Community Association Development Scheme unspent payments each year and to fund approved projects initiated by Community Associations via the Annual Community Association Development Scheme.

**Carry Forward Budget Reserve**

This reserve is for the purpose of preserving project funds carried over.

**Restricted Funds Reserve**

The reserve is for the purpose of holding unexpended or prepaid Grants (other than Royalties for Regions) and Capital Contributions provided for specific purposes.

**Heavy Haulage Roads Reserve**

The reserve is for the purpose of funding the maintenance of Heavy Haulage Roads

**SHIRE OF ROEBOURNE**  
**NOTES TO AND FORMING PART OF THE FINANCIAL REPORT**  
**FOR THE YEAR ENDED 30TH JUNE 2013**

NOTES TO AND FORMING PART OF THE FINANCIAL REPORT  
FOR THE YEAR ENDED 30TH JUNE 2013**

**16. JOINT VENTURE**

Council has previously entered into a joint venture agreement with the State Housing Commission to construct 6 Aged Persons Units. Council received rent charged and were responsible for the maintenance and management of the units. An amount equivalent to 1% of the current replacement cost of the properties was set aside from the annual rental income, per annum, for the long term maintenance needs of the joint venture.

Council Resolved at OCM held 21st May 2012 to terminate the Joint Venture Agreement via Resolution #152078  
The asset was disposed in November 2012 and forms part of Note 20

	<b>2013</b>	<b>2012</b>

**SHIRE OF ROEBOURNE  
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT  
FOR THE YEAR ENDED 30TH JUNE 2013**

**31. MAJOR LAND TRANSACTIONS**

**Residential Subdivision**

**(a) Details**

Council endorsed the Business Plan for Major Land Transactions titled:

"Purchase, Develop and dispose of Land - Part of Lot 4933, Karratha Reserve 32335 and Lot 837 Clarkson Way, Karratha and Part of Lot 4655 Karratha Reserve 40041" and authorised proceedings with the purchase, development and sale of said land at the Ordinary Council Meeting of 16 June 2009, resolution number 14389.

The plan provided for the development of 21 freehold lots with 10 to be utilised for staff housing, 2 lots for GPs under the Medical Services Package and the remaining 9 lots to be disposed of in accordance with s3.58(2) of the Local Government Act 1995.

Development of the lots was completed in 2009/10.

The Council had 9 lots available for sale in accordance with the 2009/10 business plan. Two of the lots are subject to Native Land Title and will not be transferred to the Council if clearance cannot be secured. Four lots were sold in the 2009/10 year. The remaining three lots were sold in 2010/11, as described below. No further Land transactions occurred in 2012/13.

**(b) Current year transactions**

There were no transactions in relation to this matter in 2012/13.

There are no liabilities in relation to this land transaction as at 30 June 2013.

**Land Development**

**(a) Details**

Council has proposed to commence in 2013/14 the development phase of a Major Land Transaction associated with the Lazy Lands initiative for future residential infill development within the Karratha townsite.

Five (5) Lots are under consideration being:

<b>Site</b>	<b>Legal and general land description</b>	<b>Reserve Status</b>	<b>Lot Area</b>
1	Lot 602 on Deposited Plan 70632 and wholly contained within Certificate of Crown Land Volume LR3161, Folio 550	Parklands and Drainage	913m2
2	Lot 602 Pelusey Way, Nickol Lot 611 on Deposited Plan 70632 contained wholly within Certificate of Crown Land Volume LR3161, Folio 551	Parklands and Drainage	2,389m2
3	Lot 611 Mayo Court, Nickol Lot 612 on Deposited Plan 70632 and wholly contained within Certificate of Crown Land Volume LR3161	Parklands and Drainage	767m2
5	Lot 612 Boyd Close, Nickol Lot 683 on Deposited Plan 71342 and wholly contained within Certificate of Crown Land Volume LR3161, Folio 575	Parkland, Recreation, Drainage and Public Infrastructure	1.4ha
6	683 Gregory Way, Bulgarra Lot 651 on Deposited Plan 71341 and wholly contained within Certificate of Crown Land Volume LR3161	Parkland, Recreation, Drainage and Public Infrastructure	1.11ha
	Lot 651 Hancock Way, Bulgarra

**FOR THE YEAR ENDED 30TH JUNE 2013**

**33. FINANCIAL RISK MANAGEMENT**

Council's activities expose it to a variety of financial risks including price risk, credit risk, liquidity risk and interest rate risk. The Council's overall risk management focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the financial performance of the Council.

Council does not engage in transactions expressed in foreign currencies and is therefore not subject to foreign currency risk.

Financial risk management is carried out by the finance area under policies approved by the Council.

The Council held the following financial instruments at balance date:

	Carrying Value		Fair Value	
	2013	2012	2013	2012
	\$	\$	\$	\$
<b>Financial Assets</b>				
Cash and cash equivalents	43,648,411	76,803,079	43,648,411	76,803,079
Receivables	10,309,752	12,575,135	10,309,752	12,575,135
	<u>53,958,163</u>	<u>89,378,214</u>	<u>53,958,163</u>	<u>89,378,214</u>
<b>Financial Liabilities</b>				
Payables	9,550,845	8,945,220	9,550,845	8,945,220
Borrowings	56,334	14,826,170	57,717	13,668,662
	<u>9,607,179</u>	<u>23,771,390</u>	<u>9,608,562</u>	<u>22,613,882</u>

Fair value is determined as follows:

- Cash and Cash Equivalents, Receivables, Payables – estimated to the carrying value which approximates net market value.
- Borrowings – estimated future cash flows discounted by the current market interest rates applicable to assets and liabilities with similar risk profiles.

**SHIRE OF ROEBOURNE**  
**NOTES TO AND FORMING PART OF THE FINANCIAL REPORT**  
**FOR THE YEAR ENDED 30TH JUNE 2013**

**33. FINANCIAL RISK MANAGEMENT (Continued)**

**(a) Cash and Cash Equivalents**

Council's objective is to maximise its return on cash and investments whilst maintaining an adequate level of liquidity and preserving capital. The finance area manages the cash and investments portfolio with the assistance of independent advisers (where applicable). Council has an investment policy and the policy is subject to review by Council. An Investment Report is provided to Council on a monthly basis setting out the make-up and performance of the portfolio.

The major risk associated with investments is price risk – the risk that the capital value of investments may fluctuate due to changes in market prices, whether these changes are caused by factors specific to individual financial instruments of their issuers or factors affecting similar instruments traded in a market.

Cash and investments are also subject to interest rate risk – the risk that movements in interest rates could affect returns.

Another risk associated with cash and investments is credit risk – the risk that a contracting entity will not complete its obligations under a financial instrument resulting in a financial loss to Council.

Council manages these risks by diversifying its portfolio and only purchasing investments with high credit ratings or capital guarantees. Council also seeks advice from independent advisers (where applicable) before placing any cash and investments.

Impact of a 10% (\*) movement in interest rates on cash and investments:

	2013	2012
	\$	\$
- Equity	6,969,327	8,421,578
- Statement of Comprehensive Income	6,967,327	8,421,578

Impact of a 1% (\*) movement in interest rates on cash and investments:

- Equity	696,122	842,158
- Statement of Comprehensive Income	696,122	842,158

**Notes:**

(\*) Sensitivity percentages based on management's expectation of future possible market movements.

Recent market volatility has seen large market movements for certain types of investments.

**SHIRE OF ROEBOURNE  
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT  
FOR THE YEAR ENDED 30TH JUNE 2013**

**33. FINANCIAL RISK MANAGEMENT (Continued)**

**(b) Receivables**

Council's major receivables comprise rates and annual charges and user charges and fees. The major risk associated with these receivables is credit risk – the risk that the debts may not be repaid. Council manages this risk by monitoring outstanding debt and employing debt recovery policies. It also encourages ratepayers to pay rates by the due date through incentives.

Credit risk on rates and annual charges is minimised by the ability of Council to recover these debts as a secured charge over the land – that is, the land can be sold to recover the debt. Council is also able to charge interest on overdue rates and annual charges at higher than market rates, which further encourages payment.

The level of outstanding receivables is reported to Council monthly and benchmarks are set and monitored for acceptable collection performance.

Council makes suitable provision for doubtful receivables as required and carries out credit checks on most non-rate debtors.

There are no material receivables that have been subject to a re-negotiation of repayment terms.

The profile of the Council's credit risk at balance date was:

	<b>2013</b>	<b>2012</b>
<b>Percentage of Rates and Annual Charges</b>		
- Current	63.81%	66.77%
- Overdue	36.19%	33.23%
<b>Percentage of Other Receivables</b>		
- Current	97.58%	92.92%
- Overdue	2.42%	7.08%

**SHIRE OF ROEBOURNE**  
**NOTES TO AND FORMING PART OF THE FINANCIAL REPORT**  
**FOR THE YEAR ENDED 30TH JUNE 2013**

**33. FINANCIAL RISK MANAGEMENT (Continued)**  
**(c) Payables and Borrowings**

Payables and borrowings are both subject to liquidity risk – that is the risk that insufficient funds may be on hand to meet payment obligations as and when they fall due. Council manages this risk by monitoring its cash flow requirements and liquidity levels and maintaining an adequate cash buffer. Payment terms can be extended and overdraft facilities drawn upon if required.

The contractual undiscounted cash flows of Council's Payables and Borrowings are set out in the Liquidity Sensitivity Table below:

	<u>2013</u>				
	Due within 1 year \$	Due between 1 & 5 years \$	Due after 5 years \$	Total contractual cash flows \$	Carrying values \$
Payables	10,096,253	0	0	10,096,253	10,096,253
Borrowings - Long Term	6,858	27,433	51,438	85,729	53,402
	<u>10,103,111</u>	<u>27,433</u>	<u>51,438</u>	<u>10,181,982</u>	<u>10,149,655</u>
	<u>2012</u>				
Payables	8,945,220	0	0	8,945,220	8,945,220
Borrowings - Long Term	2,964,297	9,517,674	5,869,569	18,351,540	14,826,170
	<u>11,909,517</u>	<u>9,517,674</u>	<u>5,869,569</u>	<u>27,296,760</u>	<u>23,771,390</u>

**SHIRE OF ROEBOURNE**  
**NOTES TO AND FORMING PART OF THE FINANCIAL REPORT**  
**FOR THE YEAR ENDED 30TH JUNE 2013**

**33. FINANCIAL RISK MANAGEMENT (Continued)**

**(c) Payables and Borrowings (Continued)**

Borrowings are also subject to interest rate risk – the risk that movements in interest rates could adversely affect funding costs. Council manages this risk by borrowing long term and fixing the interest rate to the situation considered the most advantageous at the time of negotiation.

The following tables set out the carrying amount, by maturity, of the financial instruments exposed to interest rate risk:

	Year Ended 30 June 2013						Weighted Average Effective Interest Rate %
	<1 year \$	>1<2 years \$	>2<3 years \$	>3<4 years \$	>4<5 years \$	>5 years \$
