Welcome to the Shire of Roebourne

The Shire of Roebourne is the Pilbara's fastest growing local government area.

In the 10 year period ending 2008 population boomed 31.9 per cent.

The Shire of Roebourne is home to six of WA's Top 10 major resource projects, with investment exceeding \$70 billion. More than \$150 million in planned projects are on the drawing board for the Shire of Roebourne in the coming years.

Situated on the spectacular Pilbara coast, nearly 19,500 people reside in the Shire of Roebourne – the powerhouse of the Pilbara.

The Shire of Roebourne is also a "home away from home" for a further 10,000 fly-in-fly-out workers.

Established in 1961, the Shire of Roebourne consists of five major towns including Karratha, Dampier, Roebourne, Wickham, Point Samson and the historic settlement of Cossack.

Karratha, the Shire's thriving regional centre, boasts modern, first-class facilities, city-style shopping and a laid back coastal lifestyle, while 42 kilometres north-east of Karratha is Roebourne, a community with a strong and proud aboriginal culture.

About 15km west of Karratha is the world's biggest outdoor art gallery – the Burrup Peninsula. The rugged Burrup Peninsula is home to an estimated one million petroglyphs (Aboriginal rock carvings), some of which are more than 30,000 years old.

Nestled between two magnificent natural gems, the Shire of Roebourne is the western gateway to the Millstream-Chichester National Park and the spectacular Dampier Archipelago is just off the coast.

The Dampier Archipelago is made up of 42 islands, within a 45 kilometres radius of the coastal towns of Dampier and Point Samson, most with postcard perfect beaches and clear blue waters.

The land of year-round summers, the Shire of Roebourne is the ideal location to discover the great outdoors and unlock your hidden passion for driving, fishing, hiking or camping.

Message from the Shire President

In the past 12 months the Shire of Roebourne has taken significant steps towards changing the landscape of our community, signifying the transformation from mining town to major regional city.

In 2010/11, we committed \$64-million to developing major projects that will deliver immediate improvements to public amenity and lifestyle options in the Shire of Roebourne. A sense of community pride is already growing within the Shire as we move one step closer to achieving our vision for a modern, vibrant City of the North.

With support and funding from the Federal and State Governments, as well as industry and the private sector, we are improving infrastructure and public amenities to create a robust community that supports long-term economic growth and diversification. This funding is bringing us projects such as the Pam Buchanan Family Centre in Baynton West that will provide much needed family and child-related services for our community. It has also facilitated the development of The Youth Shed, the redevelopment of Cattrall Park, the Frank Butler Community Centre in Bulgarra and Council's biggest ever community project, the Karratha Leisure Complex.

With these projects transforming our community, our future is bright and we are well on our way to becoming a place that people are proud to call home.

Developing a sustainable town is more than building community facilities, it's about creating a culturally vibrant and diverse population. In 2010/11, we saw record crowds attend annual community events such as FeNaCING, Cossack Art Award and the inaugural Karratha Community Celebration, highlighting the increase in community participation.

The Shire of Roebourne is more than a mining town and we have our eyes fixed firmly on economic diversification, and on our role in the global markets to ensure we secure our place in the nation's future into the next century.

We are committed to working in partnership with all levels of government, as well as our valued industry, business and community partners to continue the progress towards a city of 50,000.

Nicole Lockwood
President
Shire of Roebourne

Elected Representatives

Councillors at June 30 2011.

The Shire of Roebourne is represented by 11 elected members plus the Shire President. Each Councillor is elected for a four year term with half the terms expiring every two years.

The Shire President and Councillors dedicate significant time and effort to their responsibilities.

Our Vision and Mission

VISION - OUR ASPIRATIONS

A cohesive and vibrant community, celebrating diversity and working together to create a sense of place and a sustainable future.

MISSION - OUR PURPOSE

We will provide strong leadership to effectively deliver infrastructure, facilities and services that meets the needs and aspirations of our communities and of our local economy.

VALUES

The Shire of Roebourne aspires to act in accordance with the following values in all of its decisions and actions.

→ Leadership

We will provide clear direction and inspire people to achieve their full potential.

→ Teamwork

We will encourage co-operation and teamwork within and between our employees and our community stakeholder.

→ Integrity

To act in an honest, professional, accountable and transparent manner.

→ Innovation

We will encourage creativity, innovation and initiative to achieve Council's vision.

STRATEGIC GOALS

Communities

We will further develop and maintain the infrastructure and facilities to create aesthetically attractive and liveable towns which will develop into more diverse and balanced communities.

Delivering Services

We will provide efficient and effective Local Government service delivery that meets our communities' expectation.

Local Economy

Managing and maximising the benefits of growth in the region while diversifying our economic base.

Karratha: City of the North

The Roebourne Shire Council this year adopted its biggest ever budget, which will see \$133 million spent throughout the Shire in 2011/12. A majority of this budget will be allocated to completing a number of strategic community projects that will deliver immediate improvements to public amenity and lifestyle options for the community.

In June 2010 the Shire of Roebourne, in partnership with the WA Government and its land development enterprise LandCorp, launched the Karratha: City of the North Plan.

The multi-million dollar plan is a blueprint for development for Karratha to evolve into a major Australian city of more than 50,000 people.

It followed WA Premier Colin Barnett's Pilbara Cities announcement in November 2009, which supported development of Karratha as a City of the North and highlighted development required for long-term growth.

The three-phase strategy incorporates implementation, city growth and the city centre master plan and provides the planning framework required to create robust communities that support long-term economic growth and diversification.

The Karratha: City of the North Plan will help address critical infrastructure constraints, land supply shortages and housing affordability while vastly improving public amenity and lifestyle options for local residents.

The contribution of the State Government's Royalties for Regions has been instrumental in making many of the strategic community well-being projects a reality.

TRANSFORMATION UNDERWAY

Karratha's transformation from mining town to major city is well underway with the following community well-being projects scheduled to be completed by the end of the 2011/12 financial year.

Bulgarra Sporting Precinct

Frank Butler Community Centre

Pam Buchanan Family Centre

Catrrall Park redevelopment

The Youth Shed

Karratha Airport Car Park Redevelopment

Dampier Highway Streetscaping

Message from the Chief Executive Officer

In recent times, our Shire has witnessed unprecedented growth fuelled by the resources sector. As an organisation we are very excited to be living and working in such a dynamic environment. We are poised to grab hold of the opportunities which come our way and address the challenges that come with such a rapidly changing landscape.

Council has made a public commitment to deliver on a number of major infrastructure projects. These well-being type projects will help position Karratha to become a regional City of the North and service well the outlying towns of Dampier, Wickham, Roebourne, Point Samson and Cossack. We are excited to say we have completed our visioning for Wickham and are working closely with Government to finalise our future plans for Roebourne, Point Samson, Cossack and Dampier. Each community will undergo change in the coming years but our level of service must not suffer as a result. Moving forward, we must strike an appropriate balance between delivering on our vision for change and continuing to deliver quality services, our core business, in all of our communities.

Significant structural reform has already taken place and the need for additional resources has been identified as a top priority. A business improvement program commenced in July 2011 to improve our internal processes and customer service to achieve improved operations and ultimately improved service to the residents.

This year we're among the first group of Councils to commence the implementation of the State Government's integrated strategic planning framework (ISPF), a framework and guidelines designed to encourage local government's to develop minimum ten (10) - year strategic plans that focus on community needs (Strategic Community Plan); an organisational plan (Corporate Business Plan) to address resourcing needs; and supporting funding (Budget) to ensure achievement of future aspirations, direction, feasibility and sustainability of projects and initiatives for the community into the future.

We will be looking for further input from our community in 2011/12 to assist us in establishing the direction for the Shire. It is vitally important that we have an open and accountable conversation with the community about issues, options and costs – not least to protect the interests of current ratepayers and residents, but also to make sure we build a future that is sustainable and secure for generations to come.

This is an exciting phase for the Shire and I look forward to the next stage of development to deliver an outcome for the community that meets the high expectations we have set ourselves.

Collene Longmore
CHIEF EXECUTIVE OFFICER

Our highlights

812, 000 +

Over 812,000 passengers flew into or out of the Karratha Airport, a 23% increase from 2009/10.

\$227,000

More than \$227,000 in grants was awarded to local community, cultural and sporting groups in 2010/11.

\$100 million +

More than \$100-million has been committed to strategic community well-being projects under the Karratha: City of the North Plan, many of which are now taking shape.

\$18 million +

Rate revenue totalled more than \$18 million in 2010/11

\$977 million

The Pilbara is set to receive more than \$977 million in State Government funding, through Royalties for Regions, over the next three years.

At A Glance

Year In Review

→ July 2010

Cossack Art Award

Acclaimed Fremantle artist Ron Nyisztor's "Machine Sunset" earned the title of Best Overall Artwork in the Cossack Art Awards, Australia's richest regional art award. The historic town of Cossack came alive with colour for the 2010 awards, attracting over 270 entries with 97 from Pilbara artists.

NAIDOC celebrations

With more than 6,000 Aboriginal people living in the Pilbara, the annual NAIDOC week celebrations gave the community an opportunity to learn more about the region's rich Aboriginal culture and history. The week-long celebration included twilight tunes, film festivals and health family days. NAIDOC week came to a spectacular finish with a Festival Day held in Roebourne with family activities all day followed by performances from renowned comedian Mary G, former Australian Idol Casey Donovan and Fitzroy Xpress.

→ August 2010

KEC celebrates 30th birthday

On the 14th August 2010 the Karratha Entertainment Centre (KEC) celebrated its 30th birthday in style. With everything from face painting to a bouncy castle, the whole community joined in celebrating the town's beloved recreation centre that has been instrumental in the development of sport and recreation in the Shire of Roebourne.

→ September 2010

Desert REAF launched

The inaugural Desert REAF (Red Earth Arts Festival) was launched at the Walkington Theatre in late September. A celebration of arts, culture and entertainment in the Pilbara Desert REAF included performances by Aussie rock band Regurgitator, a Bollywood community showcase, arts and professional development workshops and a special KidsFest.

Shire wins FESA award

The Shire of Roebourne celebrated a win at the FESA Volunteer Recognition Program Awards. The award recognised the Shire's dedicated approach and ongoing support of emergency service volunteers in the Pilbara.

→ October 2010

Regional Cabinet in Karratha

WA Premier Colin Barnett and his Cabinet Ministers travelled to Karratha in late October for the final regional cabinet sitting of 2010. Major announcements included the Mulataga and Karratha Town Centre development plans and the Ngarluma Aboriginal Sustainable Housing project in Roebourne.

Karratha Community Celebration

More than 2,500 locals turned out for Karratha's biggest ever street party – the Karratha Community Celebration – on Sunday, October 24. The event was designed to shine the spotlight on Karratha's plans for a revitalised town centre. The Shire welcomed the WA Premier Colin Barnett and his Cabinet Ministers to this valuable community event.

Prosperity panel

Shire of Roebourne president Nicole Lockwood attended the first Productivity and Prosperity Panel, an initiative of Minister for Population Tony Burke.

→ November 2010

Community Heritage Grant

The Shire of Roebourne's Local History Office staved off fierce competition from more than 190 applicants to secure a Community Heritage Grant worth more than \$14,000. The funding will help preserve local history collections for future generations.

→ December 2010

Floods spark generosity in community

December 2010 saw a number of damaging floods through Queensland and New South Wales, as well as in our own backyard in Carnarvon. These tragedies sparked a generosity within the Shire of Roebourne community when the Shire President launched a flood appeal in January. The appeal raised over \$40,000 for flood-affected communities.

→ January 2011

Work begins at Pam Buchanan Family Centre

Work started on the Shire of Roebourne's \$10 million Pam Buchanan Family Centre (formerly the Baynton West Family Centre) following a site handover with project contractor Pindan. The new facility will become an innovative 'one-stop-shop' for family and child-related services.

→ February 2011

Playground shade project launched

In February the Roebourne Shire Council announced a \$1.4-million project to construct permanent shade structures over ten playgrounds in Karratha, Roebourne and Point Samson. This project was identified by Council as critical to playground safety as the Shire of Roebourne recorded more than 200 days each year above 30-degrees.

Business breakfast series launch

Small businesses got a taste for upcoming economic development initiatives at the first in a series of breakfast briefings hosted by the Shire of Roebourne. This free event gave businesses an overview of the significant projects that the Shire planned to progress in 2011, and how they would benefit from the development.

New cricket facility opens

The Shire of Roebourne's new Karratha Indoor Cricket Facility opened in February, providing a new home for the popular sport. Located adjacent to the Karratha Country Club, the new facility boasts a synthetic cricket pitch, associated safety netting, special sports lighting and an ablution block. The \$300,000 project was funded by the Shire of Roebourne.

Tornado recovery effort

A tornado, reaching speeds of up to 240km per hour, tore through Karratha in February 2011 causing wide-spread damage to 32 premises. The Shire of Roebourne, in consultation with FESA, developed a Recovery Coordination Committee that successfully assisted residents and business owners with the clean-up.

→ March 2011

New primary school for Baynton West

In March 2011 it was announced that a new \$23-million primary school would be built in Baynton West to ease pressure on other nearby schools and attract new families to the region. This announcement signified the WA Government's support of the Shire's own investment in strategic community well-being projects.

→ April 2011

Design revealed for Karratha Leisure Complex

In April 2011, Council adopted its biggest ever community project, the \$65-million Karratha Leisure Complex. The master plan design boasts top-class facilities including a resort-style aquatic precinct complete with children's splash playground and three swimming pools, multi-purpose sports venues including playing fields and clubhouse as well as various indoor and outdoor courts and squash courts. The announcement signaled a significant step forward in Karratha's transformation from mining town to major Australian city.

→ May 2011

Youth & family centre named

Roebourne Shire Council endorsed eleven-year-old Chelsea Barth's entry 'The Youth Shed' as the new name for the Karratha Youth and Family Centre. Once complete The Youth Shed will 'have it all' for youth and children with everything from an youth centre and skate park to indoor play space and even a coffee shop for parents.

→ June 2011

New BMX track opens in Bulgarra

The new free-form BMX park was completed in June 2011 as part of the Bulgarra Sporting Precinct project. The BMX park, located beside the Bulgarra netball courts, has been a popular addition for the youth of Karratha.

Airport car park redevelopment complete

The \$6.9-million car park redevelopment at Karratha Airport was completed in June 2011. The expansion project was undertaken to cater to increasing passenger numbers and demand for parking bays. The car park now offers more than 1,000 parking bays, with dedicated short term and long term parking areas all within five minutes walking distance from the terminal.

Strategic Goal 1

Communities

We will further develop and maintain the infrastructure and facilities to create aesthetically attractive and liveable towns which will develop into more diverse and balanced communities.

We will achieve this by:

1. Creating aesthetically attractive and vibrant towns.
2. Facilitating inclusive and engaged communities.
3. Building capacity, capability and partnerships across the community.
4. Encouraging the building of stable and diverse communities.
5. Providing a range of appropriate facilities that reflect the demography of the communities.
6. Working with industry, LandCorp and the State Government to minimise the reliance on transient workers employment for the operational phases of our major resource projects.

STRATEGIC PROJECTS

Strategic Projects was established as a separate directorate in July 2010 and has since developed into a team of nine staff managing ten major projects. Due to the growing number of community and well-being projects and difficulty recruiting project managers, the Strategic Projects team has embarked upon a significant training program in 2010/11 to up-skill existing support staff.

Major projects managed by Strategic Projects in 2010/11 include;

- Pam Buchanan Family Centre
- Frank Butler Community Centre
- Cattrall Park Redevelopment
- The Youth Shed
- Bulgarra Sporting Precinct
- Karratha Leisure Complex
- Shire Housing
- Administration Office Expansion

These projects will deliver immediate improvements to public amenity and lifestyle options and will take the Shire of Roebourne one step closer to achieving its vision for a modern, vibrant City of the North. All projects, with the exception of the Karratha Leisure Complex, are expected to be completed by June 2012.

COMMUNITY SURVEY

The Shire of Roebourne annual community survey, conducted in March 2011, aimed to engage the community and ascertain their perception of the Shire's performance.

The results indicated that the Shire's performance has improved since 2009. As in previous years, the biggest concerns highlighted by residents are health and the cost of living, two areas that the

Shire of Roebourne does not have direct responsibility for. Also high on the list was the availability of leisure and entertainment facilities, community safety and community events and activities.

General satisfaction for the City of North vision is high and in keeping with the finding from the Karratha 2020 Vision survey that residents would like to see Karratha grow with expanded services and facilities.

The results were reviewed by the Roebourne Shire Council and will be used to measure performance and guide decision-making into the future.

AWARDS

In May 2011, Shire of Roebourne employee, Brittany Moxham, won the WA Citizen of the Year awards recognising her achievements in youth arts. Previously a Community Development Officer, Brittany has now been appointed as The Youth Shed Supervisor which will see her passion for arts and performance passed onto the youth of Karratha.

CLEANSWEEP TASKFORCE

Since its inception in 2009, the Shire of Roebourne's CleanSweep Taskforce has implemented a number of initiatives to eliminate antisocial behaviour in the community. In 2010/11, four community litter clean ups were held across the Shire of Roebourne along with a month-long graffiti blitz. Graffiti removal kits are now available free to the community from the Shire of Roebourne.

The community has embraced the CleanSweep Taskforce, with the working group now including a number of Government departments and community groups. A new partnership with the Department of Corrections has also been forged to assist with litter pick-up and graffiti removal.

SUMMARY OF STRATEGIC PROJECTS

PROJECT	DESCRIPTION	FUNDING PARTNERS	PROJECT COST
Shire Administration Building	To provide high quality transportable office accommodation for Shire officers, meeting amenities, staff amenities and reception area	Royalties for Regions Pilbara Cities initiative Shire of Roebourne	\$1.62million

Karratha Airport Car Park	<p>A project to upgrade car parking facilities at Karratha Airport</p>	<p>Shire of Roebourne</p>	\$7million

COMMUNITY EVENTS

The Shire of Roebourne hosts numerous events each year to celebrate our diverse local community. In September 2010, the inaugural Red Earth Arts Festival captured the imaginations of the whole community, celebrating arts and culture in the Shire of Roebourne. The festival closing ceremony, the Karratha Community Celebration, attracted over 2,500 people for the town's biggest ever street party.

Other community events held in 2010/11 include:

- Senior's Week
- Twilight Tunes
- Australia Day
- NAIDOC Festival
- Harmony Week
- Cossack Art Awards
- Red Earth Arts Festival
- Karratha Community Celebration
- Annual garden competitions

LOCAL HISTORY

The Shire of Roebourne boasts a comprehensive working local history collection containing maps, plans, documents, photographs, newspapers, ephemera and oral history recordings. In 2010/11, the Shire of Roebourne was successful on a number of funding applications, including the National Library Community Heritage Grant, Dalgety House and Union Bank Conservation Plan and the Cossack Archaeological Survey grant. These grants will further assist with the preservation of the local history collection to be enjoyed by locals and tourists alike for decades to come.

PERMANENT SHADE FOR PLAYGROUNDS

The Shire of Roebourne, with support from the Australian Government through its Regional and Local Community Infrastructure Program, undertook a \$1.4-million project to construct 11 permanent playground shade structures throughout the Shire. It was identified that adequate shade was critical to playground safety, particularly in the harsh Pilbara climate. With these new structures now in place children will be able to play safely throughout the year.

KARRATHA AQUATIC CENTRE

The pearl of our town, the Karratha Aquatic Centre (KAC), underwent a much-needed revamp in 2010. The upgrade included infrastructure upgrades as well as new barbecues, landscaping, paving and vibrant new play equipment in the toddler pool. The community celebrated the reopening of the KAC in October with a free family fun day.

ROEBOURNE AQUATIC CENTRE

The Roebourne Aquatic Centre (RAC) has continued to provide the residents of Roebourne with excellent facilities, services and programs in 2010/11.

Master planning for the proposed redevelopment of the RAC has commenced. The RAC is an integral community asset, providing children with after school activities, lessons and recreational space. The proposed redevelopment will upgrade the facility to a state-of-the-art community recreation centre, providing a fun and safe environment for children and families.

KARRATHA ENTERTAINMENT CENTRE

After celebrating its 30th birthday in August, the Karratha Entertainment Centre (KEC) continues to provide a variety of sport and recreation programs for all ages. Once the glory of the town, the KEC remains instrumental in the ongoing development of sport and recreation in the Shire with member and patron numbers continuing to increase.

LIBRARIES

The Shire of Roebourne maintains library services in the towns of Karratha, Wickham, Roebourne and Dampier. Due to severe weather damage, the Karratha library has been closed since January 2011. The Shire of Roebourne is supporting the Department of Training and Workforce Development and Pilbara TAFE to secure funding to undertake works which will see the library reopen by the end of the year.

COSSACK ART AWARDS

The annual Cossack Art Awards is Australia's richest, regional art award program. The 2010 collection consisted of over 270 entries from around the country, including 97 from Pilbara artists. The annual three week exhibition brings the historic town of Cossack to life, filling it with vibrant colour and culture.

THE WALKINGTON THEATRE

The heart of the Shire of Roebourne's arts and culture scene, the Walkington Theatre, continues to bring acclaimed productions and entertainment to the community. Suffering severe flood damage in January 2011, the Walkington Theatre has since been closed to the public. The Shire of Roebourne is supporting the Department of Training and Workforce Development as they determine the best outcome for the beloved community centre. Whilst the theatre is closed, the Woodside Moonrise outdoor cinema continues to offer the latest movie releases for the community to enjoy under the stars.

Strategic Goal 2

Delivering Services

We will provide efficient and effective Local Government service delivery that meets our communities' expectations.

We will achieve this by:

1. Implementing an asset register to identify opportunities to upgrade existing infrastructure.
2. Increasing the profile of the organisation to attract high-quality candidates and ensuring Human Resource policies reflect best practice.
3. Promoting the Shire as an employer of choice, with trainee and indigenous employment opportunities available.
4. Meeting the set service standards.
5. Building a high-performance work culture.
6. Focusing on continuous improvement and best practice.
7. Enhancing environmental attitudes organisation wide.

OUR WORKFORCE

Workforce Data

	Employees At June 30
Full-time	162
Part-time	27
Casual	87
TOTAL	276

REMUNERATION

In accordance with the provisions of clause 19B of the Local Government (Administration) Regulation 1996, set out below in bands of \$10,000 are the number of employees of the Shire of Roebourne entitled to an annual salary of \$100,000 or more:

OCCUPATIONAL HEALTH AND SAFETY

The Shire of Roebourne is committed to the safety, health and wellbeing of its employees and continual improvement in occupational health and safety performance.

The Occupational Health and Safety Committee continued to meet regularly to promote and facilitate cooperation between staff and management in the development and implementation of OHS policy, procedures, guidelines and programs

HEALTH ON THE MOVE

The Shire of Roebourne actively promotes health and wellness for its employees by offering access to a range of workshops and seminars, health and fitness assessments as well as access to Shire recreation facilities, including aquatic centres and the gymnasium.

The Shire of Roebourne participated in the Health on the Move Skin Cancer Screening Program in October 2010. There were 83 participants in the program. The program promoted prevention and detection of skin cancer and provided advice to each individual about their skin care practice.

WORKPLACE RELATIONS

A Staff Engagement Survey was conducted in June 2011 that achieved a 79% response rate from staff. The high level of participation ensured that the findings accurately reflected key concerns of employees across all directorates. More than 73% of staff relate that the Shire of Roebourne is a great place to work.

Key areas identified for improvement are communication across the organisation and between departments, employee reward and recognition programs, performance management, and training and development.

WORK EXPERIENCE PLACEMENTS

The Shire of Roebourne recognises the contribution that work experience provides to young people in our community and is committed to providing this community service to schools and students. A number of students were placed across the organisation in 2010/11 in a range of work functions.

CUSTOMER SERVICE

The Customer Service team is committed to maintaining proactive and responsive service delivery to the community. Customer Service managed over 5,000 incoming telephone calls per month throughout 2010/11. An external call centre was introduced to manage after hour requirements.

INFORMATION SERVICES

2010/11 has been a busy year for the Information Services team with many strategic improvement projects being undertaken. The department continued to work to increase speed, reliability and capability and reduce organisational impact in the event of disaster.

Efficiency was improved with the implementation of new server storage, along with VMware VSphere Cloud technology allowing migration of existing servers from their ageing hardware to a new private cloud.

A core network upgrade was undertaken to increase speed and reliability. The existing equipment was relocated to the depot and airport to replace ageing infrastructure and increase capability.

A secondary data centre was set up for disaster recovery, for instance in the case of a tropical cyclone, which will allow continuity in the event of significant hardware failure.

RECORDS MANAGEMENT

The Shire of Roebourne is committed to accurate and compliant record keeping in accordance with the State Records Act 2000. Accordingly it operates under a record keeping plan approved by the State Records Commission.

The Shire offers its staff records systems training, focusing on utilising the Shire's record keeping system to manage records.

RATES

Raising rates is a primary source of revenue for the Shire of Roebourne to meet its budgetary requirements. The rate levy is based on the individual Gross Rental Valuation (GRV) supplied by Landgate Valuation Services for each property and is deemed to be fair and equitable for all rate payers in the community.

Rate revenue for the 2010/11 financial year totalled \$18,619,986 inclusive of interim rate notices processed during the financial year.

Council has continued to provide rates concessions to affected properties located within the Cossack Town Site in recognition of lack of community infrastructure. Concessions have also been provided to pastoral leases.

Rate Category	Cents in \$	Number of Properties
Residential	0.027490	5105
Commercial/ Tourism/Town Centre/Airport	0.054981	233
Industry/Mixed Business	0.047872	282
Transient Workforce	0.090124	10
Strategic Industry	0.054981	2

Minimum Rates		Number of Properties
Residential	\$1,070	1468
Commercial/ Tourism/Town Centre/Airport	\$1,070	163
Industry/Mixed Business	\$1,070	2130

Rates and Charges Levied 2010/11	
General	\$14,152,738
Minimum Rate	\$1,964,520
Unimproved	\$2,213,421
Interim	\$637,661
Prospecting Licenses	\$2,400
Back	\$11,208
Concessions	\$-187,480
Excess Rates (Rates paid in advance)	\$-174,482
TOTAL	\$18,619,986

GROSS RENTAL VALUES

Residential Gross Rental Value (GRV) increased by 106.96%, commercial increased by 104.94% and industrial increased by 103.77%. GRV's have not significantly changed from 2009/10 as there has been no revaluation since 2009.

DEBT MANAGEMENT

The balance of principal outstanding on loans as at 30 June 2011 is \$17,869,039 represented as shown in the following table:

Debenture Repayments	Principal 01 Jul 10	Principal 01 Jul 11
Hampton Harbour Boat and Sailing Club*	\$3,220	\$ -
Chamber of Commerce*	\$64,003	\$61,622

Karratha Airport Upgrade	\$9,198,890	\$8,359,029
Plant Purchases	\$ -	\$1,497,700

(*) Self-supporting loan financed by payments from third parties

Principal and interest repayments are funded by both general purpose revenue and reserve funds.

ENVIRONMENTAL HEALTH

The Shire of Roebourne's Environmental Health Service continued to be proactive in conducting assessments of food premises, public buildings and lodging houses in 2010/11. This has included several joint inspections of licensed premises after hours in conjunction with Police Officers from the Karratha Alcohol and Drug Office.

Inspections (2010/11)

Food Premises	250
Lodging House	33
Public Building	40

The Environmental Health Service participated in Local Health Authorities Analytical Committee state-wide surveys focusing on mince and sausage meat, nuts and baked goods. Later in the year the Shire also participated in the Department

of Health's survey of egg-based sauces and salmonella. No food poisoning bacteria were located in the results for Karratha premises, however bacterial counts were higher than expected.

With additional smoking restrictions introduced in September 2010, the Shire's Environmental Health Service worked with licensed premises to communicate the changes to legislation.

The heavy rainfall which commenced in late December placed additional pressure on the Shire of Roebourne's mosquito control program. Each of the townships has been fogged with adulticide chemical several times to reduce the numbers of adult mosquitos. The sentinel chicken flock located at the Cowle Road Depot first tested positive to both Murray Valley Encephalitis and Kunjin Virus in April, with the whole flock eventually testing positive in early May. There has also been an increase in the number of Ross River and Barmah Forest Virus infections of residents within the Shire.

EMERGENCY MANAGEMENT

In 2010/11, Emergency Management worked with Ranger Services to conduct a pre-cyclone clean up to ensure all residential and commercial areas were tidy in the lead up to cyclone season. A cyclone audit was also conducted on residential properties in Karratha in partnership with Ranger Services.

A Recovery Coordination Committee was formed in February 2011 following a tornado that exceeded 240kmh and damaged 32 premises in Karratha. The committee successfully managed the clean-up of the wide-spread damage caused by tornado.

Emergency Management continued to develop emergency management and evacuation plans for Shire of Roebourne facilities. A total of 38 Local Emergency Management Committee meetings were held through 2010/11 with companies operating in the Shire of Roebourne.

FESA VOLUNTEER RECOGNITION PROGRAM AWARDS

The Shire of Roebourne celebrated a win at the FESA Volunteer Recognition Program Awards, held in Perth in July 2010. The Shire of Roebourne won the Gold award for the Pilbara region for its ongoing support of the volunteer fire rescue services, volunteer bush fighter brigade, state emergency services, volunteer marine rescue services and St John Ambulance centres.

The Shire takes a dedicated approach to emergency services, which is evident within the organisation with several staff who offer their services as volunteer fire fighters, state emergency services volunteers and volunteer ambulance officers.

RANGER SERVICES

The aim of Ranger Services is to enhance the safety and security of our community through education, liaison, awareness and if required, enforcement.

Ranger Services conducted a number of internal workshops in 2010 to identify and define departmental core functions and future strategic and operational goals. The outcome of this work has informed the development of the 2011/12 Ranger Services Department Plan and Customer Service Charter.

During 2010/11 the Ranger Services department re-established strong working relationships with S.A.F.E. (Saving Animals From Euthanasia), Karratha Vet, WA Police and FESA (Fire and Emergency Services Authority).

In 2010/11 a total of 1,298 action requests were responded to as outlined in the below table:

Action Requests by Ranger Services 2010/11

Parking	76
Animal	655
Camping	264
Litter	106
Off Road Vehicles	56
Abandoned Vehicles	131

Strategic Goal 3

Local Economy

Managing and maximising the benefits of growth in the region while diversifying our economic base.

We will achieve this by:

1. Encouraging best practice community consultation for major resource projects.
2. Facilitating an increase in affordable housing in the Shire.
3. Growing tourism.
4. Creating opportunities for growth and diversification for local business.
5. Facilitating the release of land to cater for growing development opportunities.
6. Encouraging downstream processing (value adding).
7. Developing a financially sustainable revenue stream.

ECONOMIC PROSPECTUS

The Shire of Roebourne developed a comprehensive economic prospectus that provides background information for potential investors, funding agencies, entrepreneurs, small-to-medium business owners, families and others wanting to share and contribute to the Shire's future growth. The publication is available for public access on the new economic development section of the Shire of Roebourne's website.

POPULATION FORECAST

The Shire of Roebourne commissioned the development of the Shire of Roebourne Population Forecasts website which is designed to inform Council and staff, community groups, investors, business, government agencies, students and the general public. Forecasts are available for each year from 2006 to 2031. The website provides quality, up-to-date demographic data that is utilised by many businesses when planning their future development within the Shire of Roebourne.

SMALL BUSINESS BREAKFAST BRIEFINGS

Commencing in February 2011, a series of free small business breakfast briefings were hosted by the Shire of Roebourne in an effort to outline significant projects the Shire planned to progress and how their business could benefit. The three events held so far in 2011 have been oversubscribed, with positive feedback received from attendees.

PUBLIC AFFAIRS

In January 2011, the Shire of Roebourne appointed a Senior Communications Advisor to continue the engagement of key stakeholders and the local community, to promote awareness of the Shire of Roebourne, its operations and strategic projects, and provide high quality, relevant and up-to-date about information about the organisation.

Growing organisational demand for high-quality communications in support of the Shire's Strategic Projects and Business Directorate necessitated the appointment of a communications consultant to manage communications.

During 2010/11, the Public Affairs team generated 379 media hits as a direct result of 189 media releases written and distributed. During this period the Shire of Roebourne was mentioned a total of 974 times in print, broadcast and online media, including in paid advertising.

TOURISM

The Shire of Roebourne continued its support of the Karratha and Roebourne Visitor Centres, with a financial contribution of \$290,000 and \$188,000 respectively to the centres' operations. In addition, \$20,000 was allocated to Australia's North West for tourism product development and marketing activities.

KARRATHA AIRPORT

A number of major projects were completed at Karratha Airport during 2010/11 to cater to increasing passenger numbers at Western Australia's busiest regional airport. The check-in redevelopment project doubled the number of check-in counter to 12. Meanwhile, the baggage make-up area was redesigned to withstand cyclonic conditions and meet future baggage needs.

A major car park redevelopment was undertaken to introduce more than 700 additional parking bays with one short-term and two long-term areas.

In 2010/11, Karratha Airport passenger numbers totalled 812,230.

ASSET MANAGEMENT

The Shire of Roebourne participates in the Western Australian Local Government Association Asset Management Improvement Program and is undertaking ongoing improvements in the way it manages its assets. In 2010/11, a staff housing asset management strategy was developed and implemented.

STRATEGIC PLANNING

The Strategic Planning department was formally created in November 2010 to separate the functions of statutory and regulatory planning and strategic planning. The department is responsible for the ongoing review of local planning policies, the assessment of amendments to the Shire of Roebourne Town Planning Schemes to allow for the projected growth of the city centre and the implementation of the Karratha: City of the North Plan.

Strategic Planning continued work on a number of major projects in 2010/11:

- Shire of Roebourne Development Contribution Strategy
- Roebourne Rejuvenation Project
- Anketell Port
- Karratha City Centre Infrastructure Works Project
- Shire of Roebourne Coastal Management Strategy
- Planning Policies Review
- Scheme Amendment 18
- Scheme Amendment 21

BUILDING SERVICES

The Building Services department developed and implemented a number of efficient practices and procedures for processing building applications. All applications are processed within statutory time frames, with the department aiming towards a turnaround time of ten working days. Major highlights for 2010/11 include the approval of 20 display homes, a 100 unit park home village, the Baynton West child care centre, a nine storey mixed use building and a community youth centre in Roebourne.

WORKS AND SERVICES

Works and Services set out to achieve, deliver and maintain the engineering and public open space infrastructure that citizens require to enable a suitable lifestyle within our developing community. In 2010/11, Works and Services staff set to achieve the delivery of improved infrastructure facilities and to maintain existing infrastructure to a high level.

The 2010/11 wet season produced more than 700mm of rainfall, highlighting the vulnerability of some road surface conditions and increasing vegetation growth in drain lines and public spaces. Although some delays were experienced, minimal public complaints were received.

Major projects completed by Works and Services in 2010/11 include:

- The completion of the Point Samson information bay
- Gravel resheeting and asphalt sealing of various roads
- Footpath construction and kerbing replacement in Roebourne
- Realignment of Cinders Road
- Maintenance to all parks, ovals and gardens
- Playground shade structure installation
- Assisting cyclone and tornado-affected community members
- The installation and commissioning of the Bulgarra and Gap Ridge treated wastewater chlorination modules
- Bowling Club electrical upgrade

STATUTORY PLANNING

During 2010/11, the Statutory Planning department worked to improve the time taken to process development applications. By the fourth quarter 100% of applications were processed within the statutory timeframe. 100% of telephone enquiries were responded to within one working day.

WASTE SERVICES

Waste Services continued to deliver high quality service to the community. Now sitting within the Shire's Strategic Projects and Business Directorate, Waste Services was identified as one of the most important services provided in the Shire in a recent community survey.

Major projects completed by Waste Services in 2010/11 include:

- Design and installation of additional effluent evaporation pond
- Asphalt recycling drop off area at 7 Mile Waste Facility
- Fencing installation to secure effluent area for public safety and windborne litter control
- Modifications to public tipping face to provide safer area for general public.
- Installation of new weigh bridge system to improve regulatory and financial reporting
- 23-tonne payload dump truck to assist in internal logistics and compliance to facility regulations of daily tip face soil cover
- Purchase and installation of five new shipping containers for site storage and security

Statutory Reporting

FREEDOM OF INFORMATION (FOI)

In accordance with Section 96 and 97 of the Freedom of Information Act 1992, the Shire is required to publish an Information Statement which details the process of applying for information under the Act, as well as information that the Shire provides outside the Act.

During 2010/11, eight FOI applications were received, five were successfully processed, two are currently pending review, one has been dismissed/withdrawn and one is being appealed.

The following are some of the documents available for public inspection at the Shire of Roebourne free of charge:

- Council agenda and minutes
- Annual budgets
- Annual financial statements
- Annual reports
- Electoral rolls

Many of the above documents are also available on the Shire of Roebourne website www.roebourne.wa.gov.au

NATIONAL COMPETITION POLICY

The Competition Principles Agreement is a contractual agreement between the Federal Government and all State and Territory Governments. The CPA aims to ensure that all public enterprises operate in a transparent manner in the best interests of the public.

The Shire of Roebourne continues to meet its obligations to the competition policy and monitors the introduction of council policies and local laws which may be subject of anti-competitive practices. Annual reviews are undertaken.

DISABILITY ACCESS AND INCLUSION REPORT 2010/11

The Shire of Roebourne continues to promote access and inclusion for all community members.

The Shire's Disability Access and Inclusion Plan ensures that people with disabilities have equal access to all Council services, facilities and information. Both formal and informal meetings have taken place with the Disability Services Commission, individuals and other organisations across the Shire to assist with future planning and design requirements for infrastructure, improve universal access to events and progress and complete strategies and tasks outlined in the Shire's Disability Access and Inclusion Plan.

EQUAL OPPORTUNITY

The Shire of Roebourne is committed to equal opportunity principles and will continue to develop and implement equal opportunity strategies to ensure that all Shire of Roebourne's structures, policies, practices and decisions are based on the assessment of individual ability and achievement.

The Shire of Roebourne rejects inappropriate distinctions on the grounds of race (colour, ethnicity, national origin, nationality or descent), sex, pregnancy, marital status, age, sexual orientation, family responsibility, family status, political conviction, religious belief, disability or medical condition (not affecting work performance).

REGISTER OF COMPLAINTS

During the period 1 July 2010, through to 30 June 2011, no breaches or complaints were registered under Part 5, Division 9 of the Local Government Act 1995.

Report on the Financial Report

We have audited the accompanying financial report of the Shire of Roebourne, which comprises the statement of financial position as at 30 June 2011, and the statement of comprehensive income, statements of changes in equity, and statements of cash flows for the year ended 30 June 2011, a summary of significant accounting policies and other explanatory notes, and the Chief Executive Officer's statement.

Councils' responsibility for the financial report

The Council of the Shire of Roebourne is responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Local Government Act 1995 Part 6. This responsibility includes establishing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Council, as well as evaluating the overall presentation of the financial report.

Grant Thornton Audit Pty Ltd ACN 130 913 594, a subsidiary or related entity of Grant Thornton Australia Limited ABN 41 127 556 389.

Grant Thornton Australia Limited is a member firm within Grant Thornton International Ltd. Grant Thornton International Ltd and the member firms are not a worldwide partnership. Grant Thornton Australia Limited, together with its subsidiaries and related entities, delivers its services independently in Australia.
Liability limited by a scheme approved under Professional Standards Legislation.

We performed the procedures to assess whether in all material respects the financial report presents fairly, in accordance with the Local Government Act 1995 Part 6 and Australian Accounting Standards (including the Australian Accounting Interpretations), a view which is consistent with our understanding of the Shire of Roebourne's financial position and of their performance.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we followed applicable independence requirements of Australian professional ethical pronouncements.

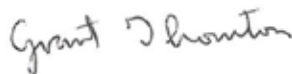

Auditor's opinion on the financial report

In our opinion, the financial report of the Shire of Roebourne:

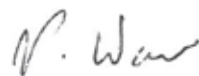

- (i) gives a true and fair view of the Shire of Roebourne's financial position as at 30 June 2011 and of its performance for the financial year ended 30 June 2011, and
- (ii) complies with Australian Accounting Standards (including the Australian Accounting Interpretations),
- (iii) are prepared in accordance with the requirements of the Local Government Act 1995 Part 6 (as amended) and Regulations under that Act.

Statutory Compliance

I did not, during the course of my audit, become aware of any instance where the Council did not comply with the requirements of the Local Government Act 1995 and Local Government (Financial Management) Regulations 1996 as they relate to financial statements.

**SHIRE OF ROEBOURNE
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30TH JUNE 2011**

1. SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies which have been adopted in the preparation of this financial report are:

(a) Basis of Preparation

The financial report is a general purpose financial statement which has been prepared in accordance with Australian Accounting Standards (as they apply to local governments and not-for-profit entities), Australian Accounting Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board, the local Government Act 1995 and accompanying regulations.

The report has also been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of the selected non-current assets, financial assets and liabilities.

Critical Accounting Estimates

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

(b) The Local Government Reporting Entity

All Funds through which the Council controls resources to carry on its functions have been included in the financial statements forming part of this financial report.

In the process of reporting on the local government as a single unit, all transactions and balances between those funds (for example, loans and transfers between Funds) have been eliminated

All monies held in the Trust Fund are excluded from the financial statements, but a separate statement of those monies appears at Note 19 to these financial statements.

(c) Goods and Services Tax

In accordance with recommended practice, revenues, expenses and assets capitalised are stated net of any GST recoverable. Receivables and payables in the statement of financial position are stated inclusive of applicable GST.

(d) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, cash at bank, deposits held at call with banks, other short term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value and bank overdrafts.

Bank overdrafts are shown as short term borrowings in current liabilities on the statement of financial position.

(e) Trade and Other Receivables

Collectibility of trade and other receivables is reviewed on an ongoing basis. Debts that are known to be uncollectible are written off when identified. An allowance for doubtful debts is raised when there is objective evidence that they will not be collectible.

**SHIRE OF ROEBOURNE
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30TH JUNE 2011**

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(f) Inventories

General

Inventories are measured at the lower of cost and net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Land Held for Resale

Land purchased for development and/or resale is valued at the lower of cost and net realisable value. Cost includes the cost of acquisition, development, borrowing costs and holding costs until Finance costs and holding charges incurred after development is completed are expensed.

Revenue arising from the sale of property is recognised in the statement of comprehensive income as at the time of signing an unconditional contract of sale.

Land held for resale is classified as current except where it is held as non-current based on Council's intention to release for sale.

(g) Fixed Assets

Each class of fixed assets is carried at cost or fair value as indicated less, where applicable, any accumulated depreciation or impairment losses.

Initial Recognition

All assets are initially recognised at cost. Cost is determined as the fair value of the assets given as consideration plus costs incidental to the acquisition. For assets acquired at no cost or for nominal consideration, cost is determined as fair value at the date of acquisition. The cost of non-current assets constructed by the Council includes the cost of all materials used in construction, direct labour on the project and an appropriate proportion of variable and fixed overhead

Revaluation

Certain asset classes may be revalued on a regular basis such that the carrying values are not materially different from fair value. For infrastructure and other asset classes where no active market exists, fair value is determined to be the current replacement cost of an asset less, where applicable, accumulated depreciation calculated on the basis of such cost to reflect the already consumed or expired future economic benefits of the asset.

Increases in the carrying amount arising on revaluation of assets are credited to a revaluation surplus in equity. Decreases that offset previous increases in the same asset are charged against fair value reserves directly in equity; all other decreases are charged to the statement of comprehensive income.

Any accumulated depreciation at the date of revaluation is eliminated against the gross carrying amount of the asset and the net amount is restated to the revalued amount of the asset.

Those assets carried at a revalued amount, being their fair value at the date of revaluation less any subsequent accumulated depreciation and accumulated impairment losses, are to be revalued with sufficient regularity to ensure the carrying amount does not differ materially from that determined using fair value at reporting date.

**SHIRE OF ROEBOURNE
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30TH JUNE 2011**

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(g) Fixed Assets (Continued)

Land under Roads

In Western Australia, all land under roads is Crown Land, the responsibility for managing which, is vested in the local government.

Effective as at 1 July 2008, Council elected not to recognise any value for land under roads acquired on or before 30 June 2008. This accords with the treatment available in Australian Accounting Standard AASB1051 - Land Under Roads and the fact Local Government (Financial Management) Regulation 16(a)(i) prohibits local governments from recognising such land as an asset.

In respect of land under roads acquired on or after 1 July 2008, as detailed above, Local Government (Financial Management) Regulation 16(a)(i) prohibits local governments from recognising such land as an asset.

Whilst such treatment is inconsistent with the requirements of AASB 1051, Local Government (Financial Management) Regulation 4(2) provides, in the event of such an inconsistency, the Local Government (Financial Management) Regulations prevail.

Consequently, any land under roads acquired on or after 1 July 2008 is not included as an asset of the Council.

Depreciation of Non-Current Assets

All non-current assets having a limited useful life are separately and systematically depreciated over their useful lives in a manner which reflects the consumption of the future economic benefits embodied in those assets.

Assets are depreciated from the date of acquisition or, in respect of internally constructed assets, from the time the asset is completed and held ready for use.

Depreciation is recognised on a straight-line basis, using rates which are reviewed each reporting period. Major depreciation rates are:

Artwork/sculptures	2.00%
Buildings	1.80%
Furniture and (Internal) Equipment	
- Computers and peripherals	32.00%
- Other Electronic Equipment	18.00%
- Furniture	9.00%
Plant	
- construction plant (includes prime movers and trailers)	9.00%
- construction vehicles (eg trucks)	15.00%
- light commercial vehicles	15.00%
- passenger vehicles	12.00%
Equipment	
- light plant and (external) equipment	
heavy usage	42.00%
light usage	21.00%
Infrastructure	
- roads	3.60%
- paths and cycleways	4.80%
- aerodromes	3.60%
- parks and gardens	1.00%
- hardcourt facilities - bitumen surface	3.60%
- concrete base	2.40%
- bridges and culverts	4.80%
- drainage	1.80%
- miscellaneous structures	4.80%
- boat ramps/jetties	6.67%

The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

SHIRE OF ROEBOURNE
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30TH JUNE 2011

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(g) Fixed Assets (Continued)

Depreciation of Non-Current Assets (Continued)

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with with the carrying amount. These gains and losses are included in the statement of comprehensive income. When revalued assets are sold, amounts included in the revaluation surplus relating to that asset are transferred to retained earnings.

Capitalisation Threshold

For reasons of practicality, the following thresholds have been applied, below which any expenditure on assets is not capitalised:

- Land - All purchases are capitalised at cost.
- Artwork/Sculptures - All purchases are capitalised at cost.
- Buildings - Expenses totalling less than \$1,000 on any building in any one year are not capitalised.
- Furniture and (Internal) Equipment - Expenses totalling less than \$1,000 on any one item in any one year are not capitalised.
- Plant and (External) Equipment and Tools - Expenses totalling less than \$1,000 on any one item one year are not capitalised.
- Infrastructure Assets - Roads - Expenses totalling less than \$2,000 on any one item in any year are not capitalised.
- Infrastructure Assets - Footpaths and Cycleways - Expenses totalling less than \$2,000 on any one item in any year are not capitalised.
- Infrastructure Assets - Aerodrome - Expenses totalling less than \$2,000 on any one item in any year are not capitalised.
- Infrastructure Assets - Parks and Reserves - Expenses totalling less than \$2,000 on any one item in any year are not capitalised.
- Infrastructure Assets - Hardcourt Facilities - Expenses totalling less than \$2,000 on any one item in any year are not capitalised.
- Infrastructure Assets - Bridges and Culverts - Expenses totalling less than \$2,000 on any one item in any year are not capitalised.
- Infrastructure Assets - Drainage - Expenses totalling less than \$2,000 on any one item in any year are not capitalised.
- Infrastructure Assets - Miscellaneous Structures - Expenses totalling less than \$2,000 on any one item in any year are not capitalised.
- Infrastructure Assets - Boat Ramps/Jetties - Expenses totalling less than \$2,000 on any one item in any year are not capitalised.

For assets which, at the time of acquisition, there is a reasonable expectation that they may last

for more than one accounting period, but their cost is below the declared thresholds for capitalisation, they are recorded in quantitative terms to ensure a record of ownership and location exists.

SHIRE OF ROEBOURNE
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30TH JUNE 2011

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(h) Financial Instruments

Initial Recognition and Measurement

Financial assets and financial liabilities are recognised when the Council becomes a party to the contractual provisions to the instrument. For financial assets, this is equivalent to the date that the Council commits itself to either the purchase or sale of the asset (ie trade date accounting is adopted).

Financial instruments are initially measured at fair value plus transaction costs, except where the instrument is classified 'at fair value through profit or loss', in which case transaction costs are expensed to profit or loss immediately.

Classification and Subsequent Measurement

Financial instruments are subsequently measured at fair value, amortised cost using the effective interest rate method or at cost.

Fair value represents the amount for which an asset could be exchanged or a liability settled, between knowledgeable, willing parties. Where available, quoted prices in an active market are used to determine fair value. In other circumstances, valuation techniques are adopted.

(h) Financial Instruments (Continued)

Classification and Subsequent Measurement (Continued)

Amortised cost is calculated as:

- (a) the amount in which the financial asset or financial liability is measured at initial recognition;
- (b) less principal repayments;
- (c) plus or minus the cumulative amortisation of the difference, if any, between the amount initially
- (b) less any reduction for impairment.

The effective interest rate method is used to allocate interest income or interest expense over the relevant period and is equivalent to the rate that exactly discounts estimated future cash payments or receipts (including fees, transaction costs and other premiums or discounts) through the expected life (or when this cannot be reliably predicted, the contractual term) of the financial instrument to the net carrying amount of the financial asset or financial liability. Revisions to expected future net cash flows will necessitate an adjustment to the carrying value with a consequential recognition of an income or expense in profit or loss.

(i) Financial assets at fair value through profit and loss

Financial assets at fair value through profit or loss are financial assets held for trading. A financial asset is classified in this category if acquired principally for the purpose of selling in the short term. Derivatives are classified as held for trading unless they are designated as hedges. Assets in this category are classified as current assets.

(ii) Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are subsequently measured at amortised cost.

Loans and receivables are included in current assets, except for those which are not expected to mature within 12 months after the end of the reporting period (classified as non-current assets).

(iii) Held-to-maturity investments

Held-to-maturity investments are non-derivative financial assets with fixed maturities and fixed or determinable payments and fixed maturities that the Council's management has the positive intention and ability to hold to maturity.

Held-to-maturity financial assets are included in non-current assets, except for those which are expected to mature within 12 months after the end of the reporting period (classified as current assets).

**SHIRE OF ROEBOURNE
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30TH JUNE 2011**

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(h) Financial Instruments (Continued)

Classification and Subsequent Measurement (Continued)

(iv) Available-for-sale financial assets

Available-for-sale financial assets, are non-derivative financial assets that are either not suitable to be classified into other categories of financial assets due to their nature, or they are designated as such by management. They comprise investments in the equity of other entities where there is neither a fixed maturity nor fixed or determinable.

Available-for-sale financial assets are included in non-current assets, except for those which are expected to mature within 12 months after the end of the reporting period (classified as current assets).

(v) Financial liabilities

Non-derivative financial liabilities (excluding financial guarantees) are subsequently measured at amortised cost.

Impairment

At the end of each reporting period, the Council assesses whether there is objective evidence that a financial instrument has been impaired. In the case of available-for-sale financial instruments, a prolonged decline in the value of the instrument is considered to determine whether impairment has arisen. Impairment losses are recognised in the statement of comprehensive income.

(i) Estimation of Fair Value

The fair value of financial assets and financial liabilities must be estimated for recognition and measurement or for disclosure purposes.

The fair value of financial instruments traded in active markets is based on quoted market prices at the reporting date.

The fair value of financial instruments that are not traded in an active market is determined using valuation techniques. The Council uses a variety of methods and makes assumptions that are based on market conditions existing at each reporting date. These include the use of recent arm's length transactions, reference to other instruments that are substantially the same, discounted cash flow analysis, and option pricing models making maximum use of market inputs and relying as little as possible on entity-specific inputs.

Quoted market prices or dealer quotes for similar instruments are used for long-term debt instruments held. Other techniques, such as estimated discounted cash flows, are used to determine fair value for the remaining financial instruments.

The nominal value less estimated credit adjustments of trade receivables and payables are assumed to approximate their fair values. The fair value of financial liabilities for disclosure purposes is estimated by discounting the future contractual cash flows at the current market interest rate that is available to the Council for similar financial instruments.

**SHIRE OF ROEBOURNE
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30TH JUNE 2011**

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(j) Impairment

In accordance with Australian Accounting Standards the Council's assets, other than inventories, are assessed at each reporting date to determine whether there is any indication they may be impaired.

Where such an indication exists, an estimate of the recoverable amount of the asset is made in accordance with AASB 136 *'Impairment of Assets'* and appropriate adjustments made.

An impairment loss is recognised whenever the carrying amount of an asset or its cash-generating unit exceeds its recoverable amount. Impairment losses are recognised in the statement of comprehensive income.

For non-cash generating assets such as roads, drains, public buildings and the like, value in use is represented by the depreciated replacement cost of the asset.

(k) Trade and Other Payables

Trade and other payables represent liabilities for goods and services provided to the Council prior to the end of the financial year that are unpaid and arise when the Council becomes obliged to make future payments in respect of the purchase of these goods and services. The amounts are unsecured and are usually paid within 30 days of recognition.

(l) Employee Benefits

The provisions for employee benefits relates to amounts expected to be paid for long service leave, annual leave, wages and salaries and are calculated as follows:

(i) Wages, Salaries, Annual Leave and Long Service Leave (Short-term Benefits)

The provision for employees' benefits to wages, salaries, annual leave and long service leave expected to be settled within 12 months represents the amount the Council has a present obligation to pay resulting from employees services provided to reporting date. The provision has been calculated at nominal amounts based on remuneration rates the Council expects to pay and includes related on-costs.

(ii) Long Service Leave (Long-term Benefits)

The liability for long service leave is recognised in the provision for employee benefits and measured as the present value of expected future payments to be made in respect of services provided by employees up to the reporting date using the projected unit credit method. Consideration is given to expected future wage and salary levels, experience of employee departures and periods of service. Expected future payments are discounted using market yields at the reporting date on national government bonds with terms to maturity and currency that match as closely as possible, the estimated future cash outflows. Where the Council does not have the unconditional right to defer settlement beyond 12 months, the liability is recognised as a current liability.

Employee benefits are accrued on the basis of numbers of years employed (continuously) in Local Government as follows:

0-1	years	10% of normal accrual
1-2	years	15% of normal accrual
2-3	years	25% of normal accrual
3-4	years	40% of normal accrual
4-5	years	60% of normal accrual
5-6	years	80% of normal accrual
6-7	years	90% of normal accrual
7-10	years	100% of normal accrual

(m) Borrowing Costs

Borrowing costs are recognised as an expense when incurred except where they are directly attributable to the acquisition, construction or production of a qualifying asset. Where this is the case, they are capitalised as part of the cost of the particular asset.

SHIRE OF ROEBOURNE
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30TH JUNE 2011

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(n) Provisions

Provisions are recognised when:

- a) the Council has a present legal or constructive obligation as a result of past events;
- b) for which it is probable that an outflow of economic benefits will result to settle the obligation; and
- c) that outflow can be reliably measured.

Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

Provisions are not recognised for future operating losses.

(o) Leases

Leases of fixed assets, where substantially all the risks and benefits incidental to the ownership of the asset, but not legal ownership, are transferred to the Council, are classified as finance leases. Finance leases are capitalised recording an asset and a liability equal to the present

Finance leases are capitalised recording an asset and a liability at the lower amounts equal to the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Leased assets are depreciated on a straight line basis over the shorter of their estimated useful lives or the lease term.

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

Lease incentives under operating leases are recognised as a liability and amortised on a straight line basis over the life of the lease term.

(p) Joint Venture

The Council's interest in a joint venture has been recognised in the financial statements by including its share of any assets, liabilities, revenues and expenses of the joint venture within the appropriate line items of the financial statement. Information about the joint venture is set out in Note 16.

(q) Rates, Grants, Donations and Other Contributions

Rates, grants, donations and other contributions are recognised as revenues when the local government obtains control over the assets comprising the contributions. Control over assets acquired from rates is obtained at the commencement of the rating period or, where earlier, upon receipt of the rates.

Where contributions recognised as revenues during the reporting period were obtained on the condition that they be expended in a particular manner or used over a particular period, and those conditions were undischarged as at the reporting date, the nature of and amounts pertaining to those undischarged conditions are disclosed in Note 2(c). That note also discloses the amount of contributions recognised as revenues in a previous reporting period which were obtained in respect of the local government's operation for the current reporting period.

NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30TH JUNE 2011**

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(r) Superannuation

The Council contributes to a number of superannuation funds on behalf of employees.

(s) Current and Non-Current Classification

In the determination of whether an asset or liability is current or non-current, consideration is given to the time when each asset or liability is expected to be settled. The asset or liability is classified as current if it is expected to be settled within the next 12 months, being the Council's operational cycle. In the case of liabilities where the Council does not have the unconditional right to defer settlement beyond 12 months, such as vested long service leave, the liability is classified as current even if not expected to be settled within the next 12 months. Inventories held for trading are classified as current even if not expected to be realised in the next 12 months except for land held for resale where it is held as non-current based on Council's intentions to release for sale.

(t) Rounding Off Figures

All figures shown in this annual financial report, other than a rate in the dollar, are rounded to the nearest dollar.

(u) Comparative Figures

Where required, comparative figures have been adjusted to conform with changes in presentation for the current financial year.

(v) Budget Comparative Figures

Unless otherwise stated, the budget comparative figures shown in this annual financial report relate to the original budget estimate for the relevant item of disclosure.

(w) New Accounting Standards and Interpretations for Application in Future Periods

Australian Accounting Standards and Interpretations that have recently been issued or amended but are not yet effective have not been adopted by the Council for the annual reporting period ending 30 June 2011.

Council's assessment of these new standards and interpretations is set out below:

Title and Topic	Issued	Applicable (*)	Impact
(i) AASB 9 – Financial Instruments	December 2009	01 January 2013	Nil – The objective of this Standard is to improve and simplify the approach for classification and measurement of financial assets compared with the requirements of AASB 139. Given the nature of the financial assets of the Council, it is not anticipated the standard will have any material effect.
(ii) AASB 124 – Related Party Disclosures	December 2009	01 January 2011	Nil – It is not anticipated the Council will have any related parties as defined by the Standard.
(iii) AASB 1053 - Application of Tiers of Australian Accounting Standards	June 2010	01 July 2013	Nil - Due to its nature and statutory requirements the Council will be deemed a Tier 1 entity and will continue to prepare general purpose financial statements.
(iv) AASB 2009 -12 Amendments to Australian Accounting Standards [AASB 5, 8, 108, 110, 112, 119, 133, 137, 139, 1023 & 1031 and Interpretations 2, 4, 16, 1039 & 1052]	December 2009	01 January 2011	Nil – The revisions embodied in this standard relate to standards which do not apply to local government (ie AASB8) or are largely editorial in nature and will have minimal effect (if any) on the accounting practices of the Council.

NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30TH JUNE 2011**

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(w) New Accounting Standards and Interpretations for Application in Future Periods (Continued)

Title and Topic	Issued	Applicable (*)	Impact
(v) AASB 2009– 11 Amendments to Australian Accounting Standards arising from AASB 9 [AASB 1, 3, 4, 5, 7, 101, 102, 108, 112, 118, 121, 127, 128, 131, 132, 136, 139, 1023 & 1038 and Interpretations 10 & 12]	December 2009	01 January 2013	Nil – The revisions embodied in this standard give effect to the consequential changes arising from the issuance of AASB 9 which is not anticipated to have any material effect on the Council (refer (i) above).
(vi) AASB 2010 - 2 Amendments to Australian Accounting Standards arising from Reduced Disclosure Requirements [AASB 1, 2, 3, 5, 7, 8, 101, 102, 107, 108, 110, 111, 112, 116, 117, 119, 121, 123, 124, 127, 128, 131, 133, 134, 136, 137, 138, 140, 141, 1050, & 1052 and Interpretations 2, 4, 5, 15, 17, 127, 129 & 1052]	June 2010	01 July 2013	Nil - None of these amendments will have any effect on the financial report as the standard does not apply in the case of general purpose financial statements.
(vii) AASB 2010 - 4 Further Amendments to Australian Accounting Standards arising from the Annual Improvements Project [AASB 1, 7, 101, 134, and Interpretation 13]	June 2010	01 January 2011	Nil - The revisions are part of the AASB's annual improvement project to help ensure consistency with presentation, recognition and measurement criteria of IFRSs. It is not anticipated these will have any effect on the Council.

AASB 2010 - 9 Amendments to Australian Accounting Standards - Severe Hyperinflation and Removal of Fixed Dates for First-time Adopters [AASB 1]	December 2010	01 July 2011	Nil - None of these amendments will have any effect on the financial report as none of the topics are relevant to the operations of the Council.
AASB 2009- 14 Amendments to Australian Interpretations - Prepayments of a Minimum Funding Requirement [AASB Interpretation 14]	December 2009	01 January 2011	
AASB 2010 - 10 Further Amendments to Australian Accounting Standards - Removal of Fixed Dates for First-time Adopters [AASB 2009 - 11 & 2010 - 7]	December 2010	01 January 2013	

Notes:

(*) Applicable to reporting periods commencing on or after the given date.

SHIRE OF ROEBOURNE
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30TH JUNE 2011

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(x) Adoption of New and Revised Accounting Standards

During the current year, the Council adopted all of the new and revised Australian Accounting Standards and Interpretations which became mandatory and which were applicable to its operations.

These new and revised standards were:

AASB 2009 - 5
AASB 2009 - 8
AASB 2009 - 10
AASB 2009 - 13
AASB 2010 - 1
AASB 2010 - 3

Interpretation 19

The standards adopted had a minimal effect on the accounting and reporting practices of the Council as they were either largely editorial in nature, were revisions to help ensure consistency with presentation, recognition and measurement criteria of IFRSs or related to topics not relevant to operations.

(y) Securing a Clean Energy Future - the Australian Government's Climate Change Plan

On 10 July 2011, the Commonwealth Government announced the "Securing a Clean Energy Future - the Australian Government's Climate Change Plan". Whilst the announcement provides further details of the framework for a carbon pricing mechanism, uncertainties continue to exist on the impact of any carbon pricing mechanisms on the Council as legislation must be voted on and passed by both houses of Parliament. In addition, as the Council will not fall within the "Top 500 Australian Polluters", the impact of the Carbon Scheme will be through indirect effects of increased prices on many production inputs and general business expenses as suppliers subject to the carbon pricing mechanism are likely to pass on their carbon price burden to their customers in the form of increased prices. Council expect that this will not have significant impact upon the operation costs within the business, and therefore will not have an impact upon the valuation of assets and/or going concern of the business.

(z) Comparative figures

Where required comparative balances have been amended to conform with Accounting Standards and / or the Local Government Act 1995.

2. REVENUE AND EXPENSES (Continued)

(b) Statement of Objective

The Shire of Roebourne is dedicated to providing high quality services to the community through the various service orientated programs which it has established.

GOVERNANCE

Functions relating to the Councillors and the running of Council.

Expenditure includes the running of elections, payments of expenses to Councillors and non statutory donations.

GENERAL PURPOSE FUNDING

Rating and Government Grant functions.

Includes the financial assistance grant received from the Local Government Grants Commission and all rate income.

LAW, ORDER AND PUBLIC SAFETY

Supervision of various by-laws, fire and emergency services, and animal control.

Includes expenditure for the Ranger Services, State Emergency Service and also cyclone preparation expenses.

HEALTH

Food control, immunisation services, mosquito control and maintenance of child health centres.

Expenditure includes the maintenance of the child health clinic buildings, various health promotions and pest control expenses mainly relating to mosquito control.

EDUCATION AND WELFARE

Maintain preschool facilities and day care centres.

It includes expenditure in maintaining the day care centre buildings and also donations to schools for awards etc.

HOUSING

Maintain staff housing.

COMMUNITY AMENITIES

Rubbish collection services, operation of tip, administration of town planning schemes and operation of cemeteries.

Also included are the cost associated with the maintaining and cleaning of public toilets.

RECREATION AND CULTURE

Maintenance of halls, swimming pool, recreation centres, various reserves and operation of libraries.

Expenditure includes the cost of the Karratha Entertainment Centre and other pavilions, oval and parks maintenance, Karratha Swimming Pool, coastal rehabilitation, and the four libraries. Expenses relating to the historical town of Cossack, the Walkington Theatre and SBS television and JJJ radio re-broadcasting are also included in this function.

TRANSPORT

Construction and maintenance of roads, drainage, footpaths, parking facilities, traffic signs and the aerodromes.

It includes expenditure for the construction and maintenance of the roads, footpaths and also the expenditure relating to parking control and the operation of the Karratha Airport.

ECONOMIC SERVICES

Tourism and administration of building controls.

Expenditure includes Councils contributions to the Karratha and Roebourne Tourist Bureau's and the Pilbara Tourism Association, and the costs associated with building control.

OTHER PROPERTY AND SERVICES

Private works and other unclassified works.

It also includes expenditure relating to plant operations and the Technical Services Division however these cost are then reallocated to the other functions.

The costs associated with financing are allocated direct to the relevant functions.

The costs associated with administration are allocated to the relevant functions as set out in Appendix 2.

SHIRE OF ROEBOURNE
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30TH JUNE 2011

11. RESERVES - CASH BACKED (con't)

Aerodrome Reserve

The purpose of this reserve is to fund future developments and maintenance of the airport. Any surplus funds generated by the airport are transferred to this reserve.

Airconditioning Reserve

The purpose of this reserve is to fund upgrades to major Airconditioning plant.

Dampier Drainage Reserve

This reserve is maintained as part of an agreement between Council and Hamersley Iron, the purpose of the reserve is to ensure funds are available for the maintenance of drainage in Dampier. Hamersley Iron contribute \$10,000 each year and any surplus funds are placed in the reserve.

Walkington Theatre Reserve

The purpose of this reserve is to fund future capital works at the Walkington Theatre.

Plant Replacement Reserve

The purpose of this reserve is to fund the capital purchase of plant and equipment . Council allocates a replacement charge on each job plant is used and these funds are transferred to the reserve.

Workers Compensation Reserve

The purpose of this reserve is to provide Council with sufficient funds to cover its potential liability in regard to the performance based workers compensation scheme to which it is a member. This reserve will continue to build up until Council is satisfied that sufficient liability is covered. It is likely that the benefits of this Reserve will be evident after year 5 of participating in the scheme.

Waste Management Reserve

The purpose of this reserve is to fund the replacement and rehabilitation of Waste Management Facilities.

Infrastructure Reserve

The purpose of this reserve is to fund the replacement of major infrastructure items which includes large buildings and facilities.

Housing Reserve

The purpose of this reserve is to fund the replacement of housing.

Parks, Ovals & Recreation Facilities Reserve

The purpose of this reserve is to fund the development/replacement of Parks, Ovals and Recreation Facilities.

Information Technology Reserve

This Reserve was created in June 2004 for the specific purpose of replacing major items relating to Councils Information Technology. Major organisational software upgrades will be sourced from this fund as well.

Aged Persons Units Reserve

This Reserve is in accordance with the joint adventure agreement with the Department of Housing and Works for future major maintenance/upgrading of the Aged Persons Units.

**SHIRE OF ROEBOURNE
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30TH JUNE 2011**

11. RESERVES - CASH BACKED (con't)

Junior Sport Reserve

The purpose of this Reserve is to fund the development of junior sport within the Shire of Roebourne including infrastructure.

Public Open Space Reserve

The purpose of this reserve is to fund future developments of public open spaces with contributions coming from developers of new subdivisions. The money is to be spent in the locality of the new subdivision.

History & Cultural Publications Reserve

The purpose of this reserve is to fund future history and cultural publications. The income is generated from the sale of these publications.

Mosquito Control Reserve

The purpose of this reserve is to fund any future major mosquito control programmes.

Medical Services Assistance Package Reserve

The purpose of this reserve is to fund future assistance to Medical Services.

Royalties for Regions

Unexpended grant revenues from the State Government's Royalties for Regions programme.

Underground Power Reserve

The purpose of this reserve is to secure the unspent portions of borrowings pertaining to the Shire of Roebourne's 25% share of costs in relation to the Pilbara Underground Power Project.

sundry creditors assoc with capital funded by reserve	2,804,608		

DEBT RATIO

Total Liabilities	31,254,885		
		----- =	0.120
Total Assets	260,306,575		

SHIRE OF ROEBOURNE
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30TH JUNE 2011

GROSS DEBT TO REVENUE RATIO

Gross Debt	17,869,042	
- loans - current	3,017,431	
- loans - non current	14,851,611	
- overdraft	0	
	-----	= 0.260
Total Revenue	68,723,989	
- operating revenue	95,021,279	
- less: specific purpose grants	26,297,290	
- less: specific purpose contribs&donations	0	

GROSS DEBT TO ECONOMICALLY REALISABLE ASSETS RATIO

Gross Debt	17,869,042	
- loans - current	3,017,431	
- loans - non current	14,851,611	
- overdraft	0	
	-----	= -0.226
Economically Realisable Assets	-78,960,080	
- total Assets	0	
- less: infrastructure assets	78,960,080	
- less: other		

RATE COVERAGE RATIO

Net Rate Revenue	18,842,067	
- gross rate revenue	18,807,466	
- add: interest & charges on instalments	222,081	
- less: discounts, concessions, write offs	187,480	
	-----	= 0.198
Operating revenue	95,021,279	

OUTSTANDING RATES RATIO

Rates Outstanding	911,353	
- rates o/s - current	656,756	
	-----	= 0.048
Rates Collectable	18,842,067	
- rate revenue	18,842,067	
- current rates o/s - prior year		

The following information is to be considered when calculating the above ratios:

The current liability for long service and annual leave provision associated with Airport and Waste Department employees is reserve backed and therefore has been excluded from current ratio current liabilities (\$412,900).

The current liability for accrued expenses includes expenditure for royalties for regions capital projects which are funded by reserve transfers and therefore these accruals have been excluded from the current ratio current liabilities (\$2,434,415).

The current liability for trade creditors includes expenditure for royalties for regions capital projects which are funded by reserve transfers and therefore these accruals have been excluded from the current ratio current liabilities (\$2,804,608). This amount has also been excluded from the Untied Cash to Unpaid Trade Creditors Ratio.

31. MAJOR LAND TRANSACTIONS

Residential Subdivision

(a) Details

Council endorsed the Business Plan for Major Land Transactions titled:

"Purchase, Develop and dispose of Land - Part of Lot 4933, Karratha Reserve 32335 and Lot 837 Clarkson Way, Karratha and Part of Lot 4655 Karratha Reserve 40041" and authorised proceedings with the purchase, development and sale of said land at the Ordinary Council Meeting of 16 June 2009, resolution number 14389.

The plan provided for the development of 21 freehold lots with 10 to be utilised for staff housing, 2 lots for GPs under the Medical Services Package and the remaining 9 lots to be disposed of in accordance with s3.58(2) of the Local Government Act 1995.

Development of the lots was completed in 2009/10.

2010/11 Transactions

The Council had 9 lots available for sale in accordance with the 2009/10 business plan. Two of the lots are subject to Native Land Title and will not be transferred to the Council if clearance cannot be secured. Four lots were sold in the 2009/10 year. The remaining three lots were sold in 2010/11, as described below.

The net proceeds from sale of these lots are being utilised for POS development, specifically the redevelopment of Catrall Park.

	2011 \$	2011 Budget \$	2010 \$
(b) Current year transactions			
Operating Revenue			
Profit on sale	778,090	982,995	1,521,713

FOR THE YEAR ENDED 30TH JUNE 2011

33. FINANCIAL RISK MANAGEMENT

Council's activities expose it to a variety of financial risks including price risk, credit risk, liquidity risk and interest rate risk. The Council's overall risk management focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the financial performance of the Council.

Council does not engage in transactions expressed in foreign currencies and is therefore not subject to foreign currency risk.

Financial risk management is carried out by the finance area under policies approved by the Council.

The Council held the following financial instruments at balance date:

	Carrying Value		Fair Value	
	2011	2010	2011	2010
	\$	\$	\$	\$
Financial Assets				
Cash and cash equivalents	86,958,575	63,861,968	86,958,575	63,861,968
Receivables	9,474,982	9,489,409	9,474,982	9,489,409
	<u>96,433,557</u>	<u>73,351,377</u>	<u>96,433,557</u>	<u>73,351,377</u>
Financial Liabilities				
Payables	10,953,374	5,385,142	10,953,374	5,385,142
Borrowings - Short Term	0	2,546,614	0	2,546,614
Borrowings - Long Term	17,869,041	18,188,611	17,869,041	18,188,611
	<u>28,822,415</u>	<u>26,120,367</u>	<u>28,822,415</u>	<u>26,120,367</u>

Fair value is determined as follows:

- Cash and Cash Equivalents, Receivables, Payables – estimated to the carrying value which approximates net market value.
- Borrowings – estimated future cash flows discounted by the current market interest rates applicable to assets and liabilities with similar risk profiles.

**SHIRE OF ROEBOURNE
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30TH JUNE 2011**

33. FINANCIAL RISK MANAGEMENT (Continued)

(a) Cash and Cash Equivalents

Council's objective is to maximise its return on cash and investments whilst maintaining an adequate level of liquidity and preserving capital. The finance area manages the cash and investments portfolio with the assistance of independent advisers (where applicable). Council has an investment policy and the policy is subject to review by Council. An Investment Report is provided to Council on a monthly basis setting out the make-up and performance of the portfolio.

The major risk associated with investments is price risk – the risk that the capital value of investments may fluctuate due to changes in market prices, whether these changes are caused by factors specific to individual financial instruments of their issuers or factors affecting similar instruments traded in a market.

Cash and investments are also subject to interest rate risk – the risk that movements in interest rates could affect returns.

Another risk associated with cash and investments is credit risk – the risk that a contracting entity will not complete its obligations under a financial instrument resulting in a financial loss to Council.

Council manages these risks by diversifying its portfolio and only purchasing investments with high credit ratings or capital guarantees. Council also seeks advice from independent advisers (where applicable) before placing any cash and investments.

	2011	2010
	\$	\$
Impact of a 10% (*) movement in interest rates on cash and investments:		
- Equity	7,764,365	6,310,324
- Statement of Comprehensive Income	7,764,365	6,310,324

Notes:

(*) Sensitivity percentages based on management's expectation of future possible market movements.

Recent market volatility has seen large market movements for certain types of investments.

Impact of a 1% (*) movement in interest rates on cash and investments:

- Equity	776,437	631,032
- Statement of Comprehensive Income	776,437	631,032

**SHIRE OF ROEBOURNE
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30TH JUNE 2011**

33. FINANCIAL RISK MANAGEMENT (Continued)

(b) Receivables

Council's major receivables comprise rates and annual charges and user charges and fees. The major risk associated with these receivables is credit risk – the risk that the debts may not be repaid. Council manages this risk by monitoring outstanding debt and employing debt recovery policies. It also encourages ratepayers to pay rates by the due date through incentives.

Credit risk on rates and annual charges is minimised by the ability of Council to recover these debts as a secured charge over the land – that is, the land can be sold to recover the debt. Council is also able to charge interest on overdue rates and annual charges at higher than market rates, which further encourages payment.

The level of outstanding receivables is reported to Council monthly and benchmarks are set and monitored for acceptable collection performance.

Council makes suitable provision for doubtful receivables as required and carries out credit checks on most non-rate debtors.

There are no material receivables that have been subject to a re-negotiation of repayment terms.

The profile of the Council's credit risk at balance date was:

	2011	2010
Percentage of Rates and Annual Charges		
- Current	72.06%	0.00%
- Overdue	27.94%	100.00%
Percentage of Other Receivables		
- Current	88.87%	82.00%
- Overdue	11.13%	18.00%

**SHIRE OF ROEBOURNE
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30TH JUNE 2011**

33. FINANCIAL RISK MANAGEMENT (Continued)

**(c) Payables
Borrowings**

Payables and borrowings are both subject to liquidity risk – that is the risk that insufficient funds may be on hand to meet payment obligations as and when they fall due. Council manages this risk by monitoring its cash flow requirements and liquidity levels and maintaining an adequate cash buffer. Payment terms can be extended and overdraft facilities drawn upon if required.

The contractual undiscounted cash flows of Council's Payables and Borrowings are set out in the Liquidity Sensitivity Table below:

	<u>2011</u>	<u>2010</u>			
	Due within 1 year \$	Due between 1 & 5 years \$	Due after 5 years \$	Total contractual cash flows \$	Carrying values \$
Payables	10,953,374	0	0	10,953,374	10,953,374

**SHIRE OF ROEBOURNE
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30TH JUNE 2011**

33. FINANCIAL RISK MANAGEMENT (Continued)

**(c) Payables
Borrowings (Continued)**

Borrowings are also subject to interest rate risk – the risk that movements in interest rates could adversely affect funding costs. Council manages this risk by borrowing long term and fixing the interest rate to the situation considered the most advantageous at the time of negotiation.

The following tables set out the carrying amount, by maturity, of the financial instruments exposed to interest rate risk:

	<u><1 year</u>	<u>>1<2 years</u>	<u>>2<3 years</u>	<u>>3<4 years</u>	<u>>4<5 years</u>	<u>>5 years</u>	<u>Total</u>	<u>Weighted Average Effective Interest Rate</u>

**SHIRE OF ROEBOURNE
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30TH JUNE 2011**

33. FINANCIAL RISK MANAGEMENT (Continued)

(a) Cash and Cash Equivalents

Council's objective is to maximise its return on cash and investments whilst maintaining an adequate level of liquidity and preserving capital. The finance area manages the cash and investments portfolio with the assistance of independent advisers (where applicable). Council has an investment policy and the policy is subject to review by Council. An Investment Report is provided to Council on a monthly basis setting out the make-up and performance of the portfolio.

The major risk associated with investments is price risk – the risk that the capital value of investments may fluctuate due to changes in market prices, whether these changes are caused by factors specific to individual financial instruments of their issuers or factors affecting similar instruments traded in a market.

Cash and investments are also subject to interest rate risk – the risk that movements in interest rates could affect returns.

Another risk associated with cash and investments is credit risk – the risk that a contracting entity will not complete its obligations under a financial instrument resulting in a financial loss to Council.

Council manages these risks by diversifying its portfolio and only purchasing investments with high credit ratings or capital guarantees. Council also seeks advice from independent advisers (where applicable) before placing any cash and investments.

	2011	2010
	\$	\$
Impact of a 10% (*) movement in interest rates on cash and investments:		
- Equity	7,764,365	6,310,324
- Statement of Comprehensive Income	7,764,365	6,310,324

Notes:

(*) Sensitivity percentages based on management's expectation of future possible market movements.

Recent market volatility has seen large market movements for certain types of investments.

Impact of a 1% (*) movement in interest rates on cash and investments:

- Equity	776,437	631,032
- Statement of Comprehensive Income	776,437	631,032

33. FINANCIAL RISK MANAGEMENT (Continued)

(b) Receivables

Council's major receivables comprise rates and annual charges and user charges and fees. The major risk associated with these receivables is credit risk – the risk that the debts may not be repaid. Council manages this risk by monitoring outstanding debt and employing debt recovery policies. It also encourages ratepayers to pay rates by the due date through incentives.

Credit risk on rates and annual charges is minimised by the ability of Council to recover these debts as a secured charge over the land – that is, the land can be sold to recover the debt. Council is also able to charge interest on overdue rates and annual charges at higher than market rates, which further encourages payment.

The level of outstanding receivables is reported to Council monthly and benchmarks are set and monitored for acceptable collection performance.

Council makes suitable provision for doubtful receivables as required and carries out credit checks on most non-rate debtors.

There are no material receivables that have been subject to a re-negotiation of repayment terms.

The profile of the Council's credit risk at balance date was:

	2011	2010
Percentage of Rates and Annual Charges		
- Current	72.06%	0.00%
- Overdue	27.94%	100.00%
Percentage of Other Receivables		
- Current	88.87%	82.00%
- Overdue	11.13%	18.00%
