INTRODUCTION

BACKGROUND TO DELEGATIONS AND AUTHORISATIONS

- 1.1 The aim of delegations and authorisations is to assist with improving the time taken to make decisions within the constraints imposed by legislation. This is consistent with the City's commitment to a strong customer service focus.
- 1.2 A delegation is where a person or body is appointed to exercise a power or discharge a duty by the person who has the responsibility to exercise that power or duty. In exercising a delegated authority, such appointed person does so "on behalf" of the delegator.
- 1.3 An appointment or authorisation is where a person or body is given permission to perform a specific statutory function in their own right.

INTERPRETATION – COUNCIL DELEGATING TO CEO

- 1.4 ***In an effort to reduce the bureaucratic impost on Council, it is understood that unless stated otherwise, by virtue of Council resolution to approve this document, all delegations will be from Council to CEO and then sub-delegated unless not allowed at law or requested by Council. This will enable the CEO to make minor operational changes for staff/roles where required without having to seek Council approval. To this end, this Register should be read with this in mind, removing the need to repeat the fact on each individual delegation below, that Council is delegating to the CEO.***

REQUIREMENTS FOR DELEGATED AUTHORITIES

- 1.5 There are two requirements for a delegation to be effective. These are:
 - 1.5.1 There must be a power to delegate; and
 - 1.5.2 A power to be delegated must exist.
- 1.6 **Power to Delegate**
 - 1.6.1 The power to delegate must be contained within legislation. However, a legislative power to delegate only relates to the powers or duties under the Act which the delegated power is located.¹
 - 1.6.2 For example, the *Local Government Act 1995* contains powers to delegate (as described below), however it is not possible to rely on this power of delegation, to delegate functions of local government under other legislation. For example, under the *Bush Fires Act 1954* any delegation by a local government can only be delegated by the delegation provisions of that Act.
- 1.7 **Power to be Delegated**

The power to be delegated must be able to be exercised by the person or body that delegated that power. The power must also be contained in the same legislation as the associated power to delegate.

DELEGATED AUTHORITY UNDER THE LOCAL GOVERNMENT ACT 1995

The *Local Government Act 1995* was introduced on 1 July 1996 and made significant changes to the way local governments' conduct their business. Its general aim was to enable local governments to provide good open and accountable government to the community.

¹ Taken from Department of Local Government and Communities – Local Government Operational Guidelines – Number 17 – Delegations (Updated 2015)

DELEGATION BY COUNCIL TO THE CHIEF EXECUTIVE OFFICER UNDER THE LOCAL GOVERNMENT ACT 1995

- 1.1 Section 5.42 of the *Local Government Act 1995* allows for a local government to delegate to the Chief Executive Officer the exercise of any of its powers or the discharge of any of its duties under the Act. All delegations made must be by absolute majority.
- 1.2 Section 5.43 of the *Local Government Act 1995* specifies the decisions which cannot be delegated by Council to the Chief Executive Officer. These are as follows:
 - 1.2.1 any power or duty that requires a decision of an absolute majority or 75% majority of the local government;
 - 1.2.2 accepting a tender which exceeds an amount determined by the local government;
 - 1.2.3 appointing an auditor;
 - 1.2.4 acquiring or disposing of any property valued at an amount determined by the local government;
 - 1.2.5 any of the local government's powers under sections 5.98, 5.98A, 5.99, 5.99A and 5.100 of the *Local Government Act 1995*;
 - 1.2.6 borrowing money on behalf of the local government;
 - 1.2.7 hearing or determining an objection of a kind referred to in section 9.5 of the *Local Government Act 1995*;
 - 1.2.8 any power under section 9.49(4) of the *Local Government Act 1995* to authorise a person to sign documents on behalf of the local government;
 - 1.2.9 any power or duty that requires the approval of the Minister or the Governor; and
 - 1.2.10 such other powers or duties that may be prescribed.

SUB-DELEGATION BY CHIEF EXECUTIVE OFFICER TO AN EMPLOYEE UNDER THE LOCAL GOVERNMENT ACT 1995

- 1.3 Section 5.44 of the *Local Government Act 1995* allows for the Chief Executive Officer to delegate to an employee any of their powers or the discharge of any of their functions under the Act, other than their power of delegation.
- 1.4 Section 5.44(2) provides that the delegation to an employee is to be in writing and s.5.44 (3) states that the delegation shall be subject to any conditions imposed by the local government on its delegation to the Chief Executive Officer. Section 5.44(4) allows the Chief Executive Officer to place conditions on any delegations under this section.

SUB-DELEGATION BY THE CHIEF EXECUTIVE OFFICER TO AN EMPLOYEE UNDER OTHER LEGISLATION

- 1.5 Under common law, sub-delegation is only permitted where it is expressly provided for in legislation.
- 1.6 The *Local Government Act 1995*, expressly permits sub-delegation by a Chief Executive Officer, as outlined above.
- 1.7 Numerous pieces of legislation do not specifically refer to a power of delegation. For example, the *Bush Fires Act 1954* does not provide for a CEO to delegate to another employee to exercise the powers delegated by council to the CEO under s.48 of that Act. Therefore, only the CEO may exercise the powers delegated by council to the CEO under that Act.²

² Taken from Department of Local Government and Communities – Local Government Operational Guidelines – Number 17 – Delegations (Updated 2015)

AUTHORISATIONS

Section 9.10 of the *Local Government Act 1995* empowers a local government to appoint authorised persons, however this power of appointment cannot be used to appoint authorised persons to carry out the powers or duties of local government under other legislation. For example, the *Control of Vehicles (Off-Road Areas) Act 1978* only provides for the local government to appoint authorised persons to carry out certain powers and duties. The power to appoint those persons cannot be delegated to the CEO as no powers to delegate exist in that piece of legislation.

ACTING THROUGH

In addition to covering delegations, the *Local Government Act 1995* introduces the concept of “acting through”. Section 5.45 of the Act states that in relation to delegations, nothing prevents a “local government from performing any of its functions by acting through a person other than the CEO” or “a CEO from performing any of his or her functions by acting through another person.” The Act does not specifically define the meaning of the term “acting through”. However, the key difference between a delegation and “acting through” is that a delegate exercises the delegated decision making function in his or her own right. The principal issue is that where a person has no discretion in carrying out a function, then that function may be taken through the “acting through” concept. Alternatively, where the decision allows for discretion on the part of the decision maker, then that function needs to be delegated for another person to have that authority.³

REGISTER OF DELEGATIONS

- 1.8 Under s.5.46 of the *Local Government Act 1995*, the Chief Executive Officer is to keep a register of the delegations made to the Chief Executive Officer under s.5.42 and employees under s.5.44.
- 1.9 Section 5.46(2) provides that at least once every financial year, delegations are to be reviewed by the delegator.

RECORD OF DELEGATIONS

- 1.10 Under s.5.46(3) of the *Local Government Act 1995*, delegates who are appointed under the *Local Government Act 1995* are to keep a written record of each occasion on which they exercise the powers or discharge the duties delegated to them.
- 1.11 Regulation 19 of the *Local Government (Administration) Regulations 1996*, states that the record is to contain the following information:
 - 1.11.1 how the person exercised the power or discharged the duty;
 - 1.11.2 when the person exercised the power or discharged the duty; and
 - 1.11.3 the person or classes of persons, other than council or committee members or employees of the local government, directly affected by the exercise of the power or the discharge of the duty.
- 1.12 The relevant record of use has been identified for each delegation, to assist delegates in determining what information to record when exercising a delegation. Note, that there is only a specific requirement in legislation to keep a written record of the exercise of the delegation, where the delegation has been made and exercised under the *Local Government Act 1995*. However, for consistency the same requirements should be followed for delegations made and exercised under other legislation also.

³ Paragraph taken from Department of Local Government and Communities – Local Government Operational Guidelines – Number 17 – Delegations (Updated 2015)

PRIMARY AND ANNUAL RETURNS

A person to whom a power is delegated under the *Local Government Act 1995* is considered to be a 'designated employee' under s.5.74 (b) of the *Local Government Act 1995* and is required to complete a primary return within three months of receiving a delegation. Note that this requirement only applies to delegations under the *Local Government Act 1995*, unless the delegating legislation expressly provides that a requirement to complete a financial return under the provisions of the *Local Government Act* applies. So, for example, an officer with a delegation under the *Dog Act 1976* will not be required to complete a financial return. Officers who completed a primary return at the commencement of their role will be required to complete an annual return relating to the previous financial year by 31 August in each year that they hold that role in accordance with s.5.76 of the *Local Government Act 1995*.

THIS REGISTER

- 1.13 This register details the related legislation where the power to delegate is derived from, along with the related legislation or documents confirming the power delegated.
- 1.14 This register also states if the relevant delegation can be sub-delegated by the Chief Executive Officer to employees and if so, who the delegations are sub-delegated to.
- 1.15 This register also details authorisations made by Council and Chief Executive Officer and includes where the power to authorise is derived from, along with the related legislation or documents confirming the authorisation.
- 1.16 The appendix to this register details separate "one-off" temporary delegations that have been made to the Chief Executive Officer directly from the local government.
- 1.17 This register will be reviewed in accordance with the *Local Government Act 1995* on an annual basis. The co-ordination of the review will be performed through the Office of the CEO.

NOTICE TO COUNCIL

Council shall be advised of rejected and accepted tenders and panels of pre-qualified suppliers at the following Ordinary Council Meeting.
