

Construction and Delivery of Footpath Program

Presented by Brian Randall, Manager Asset Maintenance

Projects & Infrastructure

October 2025

Background

- Endorsed 10 year Footpath Strategy
 - New strategy under review
- Multi year Service Contracts have had their challenges.
- An 18 month, value based contract to deliver on current program whilst further procurement options are explored

Scope

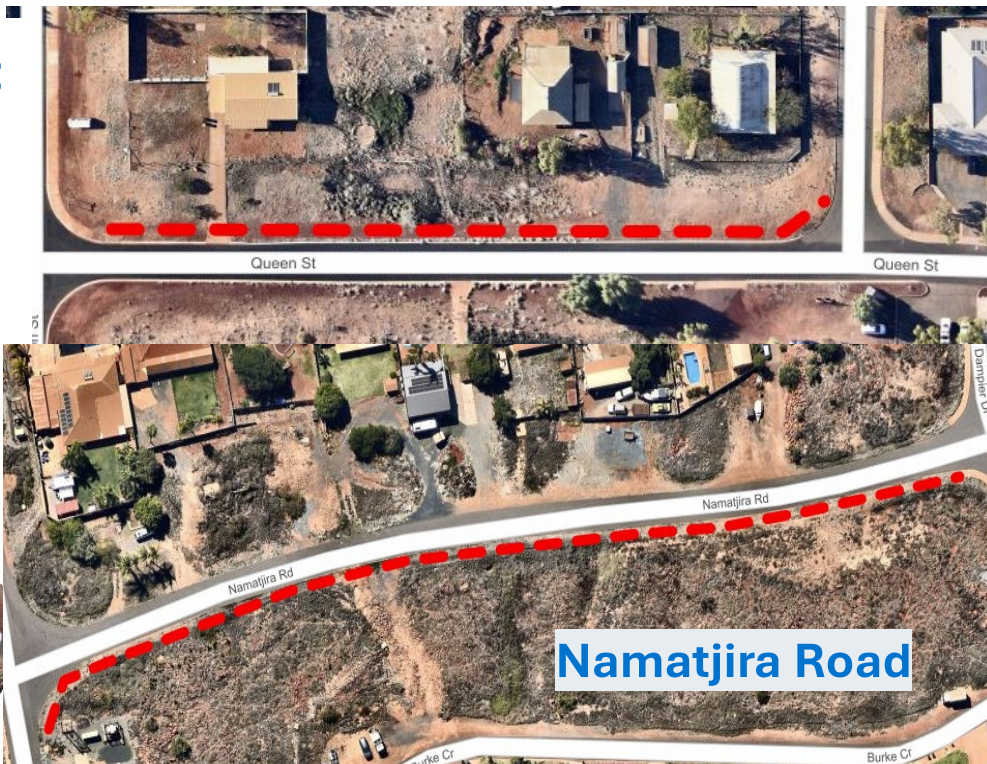

- 9 Shovel ready footpath projects included in the Tender
 - \$5m allowance
- Schedule of Rates requested for additional possible works
 - \$2.5m allowance
- Designs progressing for New/Renewal footpaths/kerbing to possibly program in 25/26 FY.
