Christmas on the Green 2026

Join us for an evening of free family fun!

Enjoy live performances by local schools, KDCCI Christmas Markets in the foyer, facepainting and festive crafts like gingerbread house and ornament decorating in the theatre, library crafts in the READ room, and The Inclusive Movement Sensory Zone in the Library. Plus we'll have a photo booth, roving entertainment, and a selection of food vans will be on hand.

Santa arrives via fire truck at 7pm, followed by the official Christmas lights switch-on at 7.30pm. After, follow Santa down the Horizon Power Sharpe Ave Light Walk to The Quarter, where the celebrations continue with a light display and a DJ set to finish the night.

Bring the family and celebrate the start of the Christmas season with an evening of community, creativity, entertainment and Christmas cheer!
