

PLAYGROUND COMMUNICATION BOARD

This is a communication tool.

It is designed to support people who need help talking and understanding.

Pointing to the picture symbols can help 'show' what someone is saying. Using the pictures can also help with language development.

When talking, point to the picture.

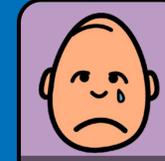

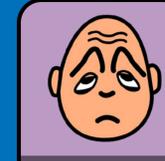

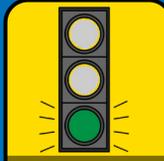

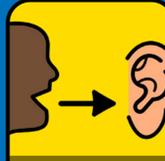

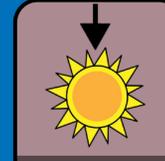

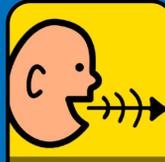

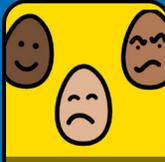

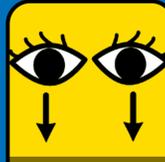

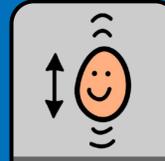

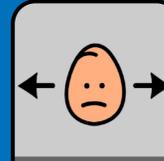

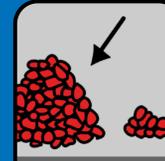

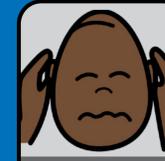

For example, if someone points to the picture, 'hot', you could ask, "Are you hot?" or comment, "It is a hot day!"

Try combining 2 or 3 symbols to make a sentence.

Use this communication board to talk, listen, make new friends and most of all - have fun!
